

BRIDGE REHEARSING IS EXPECTED SOON

Estimates Made by 10 Engineers Submitted to Chairman of Commission.

DERBY STREET IS FAVORED

New Figures Compiled on Approach Place Cost of Union Avenue at \$81,000 More Than Route Proposed by Mr. Hyland.

An early rehearsing of the interstate bridge approach question has been promised by the Multnomah County Commissioners on condition that reputable contractors present bona fide bids and honor the terms of the proposed Derby-street approach for a substantially lesser sum than the estimated cost of the Union-avenue approach.

A communication presented to Rufus C. Holman, chairman of the interstate bridge commission, yesterday by George M. Hyland bore the stated statements of a number of engineers that the difference in cost between the Union-avenue approach and the Derby-street approach is more than \$81,000 in favor of the Derby-street approach.

Attached to this communication was a schedule of the estimated costs of the two approaches as presented in the Oregonian a few days ago, in which this possible savings of more than \$81,000 was made apparent.

This communication was as follows: "We, whose names are subscribed, being civil engineers, resident in Portland and Multnomah County, beg to submit to you as chairman, and through you to the commissioners of Clarke and Multnomah Counties, the result of our findings in re the report of Messrs. Woodell & Harrington on the interstate bridge approach on the Oregon side, its utility, probable cost, etc.

"First—The approach and the resultant fill as recommended by Mr. Harrington we find to be some 3000 feet longer than the other approach under consideration, which adds 3000 feet at Mr. Harrington's own figures should cost \$80,000 more than the short and straight line to Derby street and Union avenue, although Mr. Harrington in his report makes the longer and circuitous route cost \$10,200 less than the short line.

"Second—As residents of Portland and having the interests of our community most at heart, we feel that we are more competent to judge the matter of an approach than a stranger, as Mr. Harrington is.

"We submit that now is the time to decide whether or not this is a bridge for all of the people and not after it is too late. Signed by R. S. Greenleaf, G. A. Kyle, Eugene C. H. Hammond, G. Lott, George Seegren, A. E. Hammond, R. R. Honeyman, J. L. Stannard, M. E. Reed and Robert Logan.

The commissioners informed Mr. Hyland that they will grant a rehearsing if a contractor's bid can be secured at the figures shown in the report. Mr. Hyland declares he will have no difficulty in procuring such a bid.

Mr. Hyland also pointed out that a further saving can be made on that part of the Derby-street approach which is inside the city limits by the willingness of the affected property owners to pay for the costs of the viaduct themselves.

STREET WIDENING TALKED

Union Avenue and East Burnside Improvement Discussed.

At the luncheon of the East Burnside District Improvement Association yesterday at Grand Union Grill, 385 East Burnside street, it was decided to call a meeting of Union-avenue property owners at the Albina library, probably next Wednesday night, to consider the widening of Union avenue. Bruce E. Curry, of the Union-avenue Development League, addressed the meeting at length on the widening proposition and said that he had found a favorable sentiment to the widening as proposed.

It was announced that preliminary surveys for the opening of East Burnside street from East Forty-fourth to East Fifty-fifth streets were being made. It was decided to have petitions circulated and signed up for presentation to the Council by the East Burnside-street property owners as soon as possible. Miss Purnell Fishburn, an association candidate in the Rose Festival contest, attended the meeting and spoke briefly. A resolution was adopted asking the management of the contest to print the contest coupons in the newspapers until the close of the contest.

CITY OFFICIAL HAS PLAIN

Each Commissioner Will Act Separately on Good Roads Plan.

Saying that he does not believe in city officials passing so much time attending luncheons, entertaining visiting officials from other cities and attending to social and other affairs outside the city routine, Commissioner Brewster yesterday opposed allowing all city employees who are willing to go on the "good roads" excursion up the Columbia River Saturday.

"We waste a lot of time chasing around the city," said Mr. Brewster. "If I didn't have to go to do more for the city, we lose a great deal of valuable time in listening to persons and committees in the mornings when we should be devoting our time to actual city work."

The same view was not taken by all the other commissioners, so it was agreed that each Commissioner should whatever employees in his department he sees fit to go on the good roads trip. The City Hall will not be closed, nor will city business be suspended. Members of the Commission probably will go on the trip and participate in the pick and shovel work on the road in a body.

LEADING MEMBERS OF BAKER STOCK COMPANY WHO WERE MARRIED YESTERDAY

Dorothy Shoemaker Hall

'PLAY LOVE' IS OVER

"Fighting Bob" Stars Redeem Stage Troth at Altar.

MOCK OPPOSITES NOW REAL

Pretty Home Wedding Joins Lovely Dorothy Shoemaker and Louis Leon Hall—Honeymoon Will Follow End of Season.

At the matinee performance of "Fighting Bob," at the Baker Theater yesterday afternoon, no one in the big audience knew that when lovely Dorothy Shoemaker gazed smilingly into the eyes of Louis Leon Hall, as the lines make him say in the character he plays, "I shall make you care for me," that the two clever actor folk were already man and wife.

The wedding took place at noon yesterday at the home of the bride at 383 Rugby street and was attended by only the immediate members of the families and a few close friends of the bride and groom. Miss Helen Shoemaker, the bride's sister, was her only attendant, and Mr. Hall's father, Franklin Hall, attended the bridegroom. The Rev. Luther Doyt read the impressive service of the Congregational Church.

Imported Tansu Moire Worn. Miss Shoemaker, who is a beautiful Italian-haired young woman, wore an imported three-piece gown of tansu moire and carried an armful of brides-roses and orchids. The big drawing-room in which the marriage service was held was a bower of roses and trailing greens.

After the wedding a breakfast was served and Mr. Hall and Miss Shoemaker, as she will continue to be known, returned to the theater in time for the afternoon matinee. Their plans for a honeymoon include a trip along the Pacific Coast after the close of their engagement with the Baker stock, which is several weeks away. The marriage is a culmination of a romance that dates from the time when the father of the stock company last fall, Manager George L. Baker introduced the two players when the train bearing the members of his new company started out of New York. Miss Shoemaker had seen Mr. Hall in "Que Vadis" and "Ben Hur," in which he starred, but she had never met him, and Mr. Hall had never seen any of the theatrical efforts of Miss Shoemaker.

Life Roles Formed on Stage. From playing opposite each other in stage roles, the two have formed a life partnership to play opposite each other. They will continue on the stage. Dorothy Shoemaker is one of the most brilliant and promising of the young leading women in stock, and big authorities predict a great future for her.

Mr. Hall is best known in the East, where he has made a name for himself as a leading man and company manager. He came of a line of actors, his father, Frank Hall, being a character actor of note. His mother is Edith Macomber Hall, a well-known literary woman. Miss Shoemaker is the daughter of Mrs. Chas. new company Shoemaker. Her father was an Army officer, and she has one brother who is now in the Army, at Washington, D. C., the home place of the Shoemakers. Mr. Hall and Dorothy Shoemaker-Hall will live at the residence of the bride's mother, 383 Rugby.

TOAST DRUNK TO HEROES

PLANS FOR ADVERTISING PORTLAND DISCUSSED BY AD CLUB.

Preparations for Excursion to Oregon Agricultural College and Good Roads Work Announced.

Standing in silence, 250 men of the Portland Ad Club yesterday, at the club luncheon at the Portland Hotel, drank a toast to the four American soldiers who gave up their lives at the capture of Vera Cruz Tuesday.

President Berg announced the toast and the response was solemn and sincere.

The programme of the day was divided into three parts, with a special chairman presiding over each. Immediately after the beginning of the luncheon and the expression of the tribute to the American in Vera Cruz, President Berg turned the meeting over to C. H. Moore, who explained the plans for the Vancouver-Toronto excursion.

Delegates from all ad clubs of the Pacific Coast will meet in Vancouver in June and every ad club in the country and many from abroad will be represented at the annual convention of the Associated Ad Clubs of America, at the Benson.

To advertise Portland properly at these conventions a fund is being raised by the Portland Ad Club. The Baker Theater has been obtained for performances of "The Eastest Way" for the nights of April 28, 29 and 30. In addition to the regular show, a vaudeville show of five acts will be given.

M. Mowensohn took the chair to announce the preparations for the excursion of the admen to Corvallis May 1 to pass a day as guests of Oregon Agricultural College.

S. E. Hewitt, chairman of the good roads' committee, was the last chairman, and announced the final preparations for the celebration of Good Roads day on the Columbia Highway Saturday.

"LITTLE SISTERS" HELPED

Unfortunate Girls Are Aided by Special Committee of Women.

In an effort to be sisterly to girls who have erred or have served a term in jail or have in any way been unfortunate a committee of women are working with Mrs. Lois G. Baldwin. They are giving a part of their time for their "little sisters."

The committee includes: Mrs. F. L. Purse, chairman, 1475 Sacramento street, Tabor 2385; Mrs. C. J. Reed, secretary, Wickersham apartments, Main 2410; Mrs. F. D. Stephenson, 227 East Twenty-third street, E. 6571; Mrs. Thomas Newstead, 598 East Fifty-third street, C 2622; Mrs. F. W. Humphreys, 1055 Schuyler street, Tabor 5285; Mrs. H. H. Cobb, Thirty-ninth and Belmont, B 2024; Mrs. Fred A. Jacobs, 127 East Twenty-eighth street, East 4832.

THIS STOMACH REMEDY REMARKABLY SUCCESSFUL

You know us—your home druggist. You know we wouldn't guarantee any remedy to relieve indigestion or dyspepsia, or money back, unless we felt the utmost confidence in that remedy. Therefore, when we offer you Rexall Dyspepsia Tablets with this proof of our faith in them, it leaves you no room for hesitation or doubt.

The remarkable success of Rexall Dyspepsia Tablets is due to the fact that they contain, among other things, Bismuth and Pepsin, two ingredients endorsed by the medical profession as invaluable in the treatment of stomachic ailments. They soothe the inflamed stomach, check heartburn and distress, stimulate the secretion of gastric juice, aid in rapid and comfortable digestion of the food and help to quickly convert it into rich, red blood. In a short time they tend to restore the stomach to a naturally comfortable, easy-acting, healthy state. They also benefit the bowels.

Rexall Dyspepsia Tablets are sold only at the more than 7000 Rexall Stores, and in this town only by us. Three sizes, 25¢, 50¢ and \$1.00. The Owl Drug Co.—Adv.

No man is Stronger Than his Stomach

LET the greatest athlete have dyspepsia and his strength will soon fail. One's stamina—forcefulness and strength of mind or muscle depend upon the blood, and the blood in turn, requires a healthy stomach, for the stomach is the laboratory where the food is digested and such elements are taken up—or assimilated—which makes blood. In consequence all the organs of the body, such as heart, lungs, liver and kidneys, as well as the nervous system, feel the bad effect if the stomach is deranged.

Dr. Pierce's Golden Medical Discovery

helps the stomach to digest food properly, starts the liver into new activity, removing the poisons from the blood, and the various organs get rich, red blood, instead of being ill-nourished. The refreshing influence of this extract of native medicinal plants has been favorably known for over 40 years. Everywhere some neighbor can tell you of the good it has done.

Sold by all medicine dealers in liquid or tablet form or send 50 one-cent stamps to Dr. Pierce, Invalids' Hotel, Buffalo, and a trial box will be mailed you.
