

PASSPORT IS GIVEN TO O'SHAUGHNESSY

Sensational Development Calls President From Bed in Early Hours.

CHARGE MAY LEAVE TODAY

Mexican Envoy at Washington Receives Intimation From Huerta to Use Own Judgment as to Leaving American Capital.

WASHINGTON, April 23.—Nelson O'Shaughnessy, the American Charge at Mexico City, has received his passport from General Huerta and is preparing to leave Mexico City.

Charge O'Shaughnessy telegraphed the State Department under date of Wednesday night as follows: "Having been given my passport, I am leaving tomorrow night or Friday morning."

The message was given out at 3:20 A. M. Huerta's handing of passports to Charge O'Shaughnessy was regarded as a most sensational development in the situation, and it was believed to forecast a declaration of war on the part of Huerta. The giving of passports to a Minister or Charge d'Affaires in most cases, though not invariably, has preceded a declaration of war.

Although the message from the Charge was not given out until 3:20 A. M., it was generally believed that it had been in possession of officials for at least three hours and that this was one of the subjects discussed when the President and Secretary Bryan were awakened and talked over the telephone about the Carranza note.

Charge Alzaga already had received an intimation from his government that he was to use his own judgment about quitting Washington, and it is probable that when he learns of the prospective departure of O'Shaughnessy he also will leave.

MEXICAN ENVOY AWAITS CALL

Huerta's Representative at Washington Lives in Expectancy.

WASHINGTON, April 23.—Senor Alzaga, charge of the Mexican Embassy here, having received messages from Mexico City early in the morning that he might be recalled at any minute, was in constant expectation throughout yesterday that General Huerta would call on him to see the State Department and request his passport.

In anticipation of his recall Senor Alzaga spent yesterday in getting his personal effects in shape so that he could leave the city promptly. Several of his friends among the diplomatic and social set called to express their regret at his expected departure. Mr. Alzaga, who was first secretary of the embassy, has been in charge of the mission for almost a year.

CANADIANS TO BE PROTECTED

Premier Announces He Will Take Hand in Mexican Trouble.

OTTAWA, Ont., April 23.—Premier Borden announced in the House of Commons today that the Canadian government would take steps to insure safety of lives and property of Canadians in Mexico during the present troubles.

"During the last year or 18 months," said the Premier, "representations in this regard have been made by the Canadian government on several occasions. In case further representations may become necessary from time to time they will be made without further delay."

CALIFORNIA IS SCARED

Governor Johnson Rushes Soldiers to Mexican Border.

San Diego and Imperial Counties Menaced by 400 of Huerta's Troops. Water Supply Threatened.

SACRAMENTO, April 23.—In answer to numerous appeals for protection from residents in Imperial County and other localities near the war zone, Governor Johnson issued a statement tonight promising aid and announcing that he had ordered a force of the state militia to proceed to Calexico.

The Governor also announced that San Diego County is in much the same situation and quoted liberally from a telegram received from its officials today. They say that the water supply of San Diego and surrounding cities is threatened by the proximity of a force of 400 Mexican federal soldiers.

According to this message, Major William C. Davis, commanding officer at Fort Rosecrans, also in command of troops patrolling the border, is of the belief that state troops should be called upon immediately to protect the water supply, as he deems his force inadequate to cope with the emergency likely to arise.

In closing the telegram, D. K. Adams, Acting Mayor of San Diego, made a formal demand upon the Governor to call out three companies of local militia, the Fifth and Eighth companies of coast artillery reserves and the Third Division of naval reserves of the National Guard of California for this duty.

Adjutant-General Forbes ordered out the Fifth and Eighth companies of the Coast Artillery Corps and three divisions of the Naval Militia in San Diego, comprising about 160 officers and men. Four companies of infantry, to be selected by Colonel William G. Schreiber as most available, were rushed to Lower Otai dam. All are water department employees, commanded by James McIntire, and sworn in as deputy constables.

90 PER CENT AT DRILL

ENTIRE BATTALION OF THIRD OREGON CATCHES WAR SPIRIT.

Thirty Enlistments Nightly Expected to Fill Regiment Quickly to a War Footing Basis.

An order for battalion drill in the Third Oregon Infantry was issued late Wednesday by its commander, Colonel Charles H. Martin.

On less than two hours' notice to the Third Battalion, Major L. A. Bowman commanding, more than 90 per cent of the men answered to roll call.

The men are enthusiastic over the prospect of taking the field and a full attendance is looked for at the battalion drill, which will be continued until further orders.

The Army recruiting office was crowded last night. Captain George A. White, chief recruiting officer, and Major M. B. Marcellus, surgeon in chief, were busy from 7:30 until 10:30, the hours during which enlistments may be made every night until all companies are recruited up to their full war strength of 108 each.

"But few are rejected because of defects," said Major Marcellus last night. "So that, at the present rate of about 30 men a night, it will not be long until the regiment will be on a full war footing."

One of them has served through two enlistments in the Sixth Cavalry.

Company B enlisted a crack trumpeter, a former member of the Twenty-seventh Infantry, regulars.

There was a crowd in the gallery last night to see the battalion drill, while each company's headquarters was a scene of activity.

Captain R. W. Collins came in from

OREGON POLITICAL GOSSIP

Candidacy of R. A. Booth for Senator Warmly Indorsed by Former Bourne Supporters at Republican Rally—Recall Backers Discuss Situation at Meeting in Office of Ralph C. Clyde—Germans to Investigate Office Seekers—News of the Candidates.

"I HOPE that in future Republicans of Oregon will take more interest in the success of those whom they nominate at the primary election," said Joseph Hammersley, Deputy District Attorney, in a speech on "Republicanism" at a rally held by the Lincoln Republican Club in the Central Library Wednesday night.

"Let me impress upon you the necessity of supporting loyally the successful nominees of the Republican party," he continued. "If we spend our time and our best efforts to nominate the best Republican aspirant, and then vote for the candidate of another party, we have no right to complain. I believe that every defeated candidate should and will put off his coat to work for the success of the ticket."

"As he has no opposition in the Republican party for the nomination, I feel that it is perfectly proper for me to say something at this time of R. A. Booth, Republican candidate for United States Senator. I have known Mr. Booth intimately for 25 years—since I was a small boy, so I feel that I can speak with knowledge of his qualifications."

"Senator Booth is a self-made man. He started in at the very bottom, and by his own efforts has become one of the most influential men in the affairs of this state. For 25 years he was president of the Booth-Kelly Lumber Company, employing hundreds of men—and let me tell you that in those 25 years there was never a strike by men in his employ."

"Mr. Booth is an aggressive man of constructive ability, of keen intelligence and broad sympathies, who measures up to the very highest standard of a United States Senator from Oregon."

"I want to assure you, further, that Mr. Booth is a man of his word, who will, if elected, do all that he promises to do. The very fact that he is not opposed in his own party is conclusive evidence that he is considered the fittest man for United States Senator."

"What I want to urge upon you is the realization of the fact that though he is unopposed in his own party primary, he will have Democratic and Progressive opponents. The larger the vote he has in the primary, the greater will be the moral effect. And so I urge upon every one of you to get out and work for him, and vote for him in the primary election."

Mr. Hammersley was a warm supporter of Jonathan Bourne, Jr., when Mr. Bourne was a candidate for United States Senator in 1912.

H. Y. Freedman presided at the rally. After Mr. Hammersley's address, 15-minute talks were heard from seven of the eight Republican candidates for the Republican nomination for Governor. All but Charles A. Johns, who was unavoidably detained, were present.

Two of the candidates, ex-Governor

DR. BUSHNELL IS HONORED

Oregon Man Chosen to Give Main Talk at Berkeley Conference.

Dr. C. J. Bushnell, president of Pacific University, left Wednesday night for Berkeley, Cal., where he is booked to deliver an address Friday afternoon at the annual meeting of the American Association of the American Religious Educational Association.

In the afternoon he will lecture on "Methods of Developing Moral Leadership in Our Colleges," and in the evening on "Today's Need of Moral Leadership in Our Colleges."

Dr. Bushnell is listed for a great number of commencement addresses in Oregon and Washington. During this school year he has delivered more than 100 lectures.

TRAIN MANGLES TRAMP

Body Found Under Wheels as Southern Pacific Passes Clackamas.

OREGON CITY, Ore., April 23.—(Special.)—A man believed to be John Schlep, 1197 Front street, Portland, was killed by a Southern Pacific train at Clackamas station at 2:30 o'clock this afternoon. A copy of the state labor laws with the name and address were found in his clothing.

Before the train could be stopped the man was horribly mangled and the body dragged along the rails for 300 feet. The train crew believed that he was in the act of boarding the car when he fell and was ground beneath the wheels. Coroner W. J. Wilson will hold an inquest tomorrow.

At the meeting of the Albina Business Men's Club Tuesday night it was reported that the finance committee had raised \$100 toward meeting expenses of the Albina public market, which will be opened April 20 on Knott street. This committee reported that it will continue its work. Reports from the man sent out into Clarke County, Washington, were that a considerable number of farmers from that county will be in attendance at the Albina market opening day. He will continue to perfect details as to the parade and day of opening.

The city public works department yesterday completed the drafting of plans for the establishment of the public market. The plans as displayed at a meeting of the Council yesterday show wagon spaces arranged on the south side of Yamhill street and stand on the north side. The wagons, according to plans, will be backed up to the curb. The nature of the stands has not been determined, but they probably will be of wood, so constructed that they can be taken down and folded without much difficulty while not in use.

At the meeting of the Albina Business Men's Club Tuesday night it was reported that the finance committee had raised \$100 toward meeting expenses of the Albina public market, which will be opened April 20 on Knott street. This committee reported that it will continue its work. Reports from the man sent out into Clarke County, Washington, were that a considerable number of farmers from that county will be in attendance at the Albina market opening day. He will continue to perfect details as to the parade and day of opening.

The other speakers included Gus C. Moser, who made a strong party talk; A. M. Crawford, W. A. Carter, Dr. James Withycombe and Grant E. Dicks. Miss Helen Buckler entertained with vocal solos, and Miss Patten played the piano.

Two rallies will be held tonight by the Lincoln Republican Club; one at Lents and the other in the Sunnyside School.

Backers of the Albee-Browner-Dieck recall held a meeting in the office of Ralph C. Clyde, former member of the City Council and defeated candidate for Commissioner, Wednesday. After considerable discussion it was tentatively decided to file the recall petitions, which have been ready for more than a month, next week.

The hope of the recall backers, as expressed at the meeting, was to have a special election called a week or 10 days after the primary. It was argued that at such a special election persons in favor of the recall would turn out in numbers, while those opposed to it would for the most part remain at home. Under the Oregon constitution officers against whom the recall is invoked have five days after petitions are filed in which to resign; if they do not resign, then the election must be held within 20 days. Should the recall petitions be filed next week as planned, it thus would still be possible for the Council to order the election held on May 15, the date of the primary.

It was announced that Mr. Clyde will be a recall candidate for Commissioner. The name of George B. Collins was discussed as the probable candidate against Commissioner Dieck. Efforts are still being made, it was said, to get Robert L. Stevens to become the recall candidate for Mayor. In a telegram to The Oregonian several weeks ago, however, Mr. Stevens made the positive statement that he would not, under any circumstances, run for Mayor.

At a Progressive rally in the East Side Library Wednesday night the following Progressive candidates spoke: William Hanley, L. H. McMahon, Arthur I. Moulton, A. H. Burton, Mrs. Lora C. Little and Wilber Henderson. Dan Kellaher presided.

QUEEN RACE KEEN

Change of Standings Shown by Latest Poll of Votes.

FORCES HARD AT WORK

Factions Enthusiastically Back Their Favorites for Honors During Rose Festival Week and Ballots Come Rapidly.

Polling 55,815 votes Wednesday, Miss Lina Osterwald, Woodman of the World, candidate for Rose Festival queen, jumped to fourth place in the contest. Miss Osterwald had 2675 votes Tuesday night. She was announced as a candidate last Monday.

Miss Hazel Hoyt, Pacific Telephone Company's candidate, took first place in the race yesterday. She polled 22,485 votes. Miss Alice Husby is now in second place.

Miss Estelle McCarl, 454 East Market street, has been chosen as the candidate of the Police Athletic Association. Members of the Police Department are engaged in collecting newspaper coupons for her benefit. The first night relief turned in more than 3500 votes in her name Monday night. The day and second night reliefs are equally enthusiastic.

Miss Anna Tierney, candidate of the Fire Department, has been pledged the unanimous support of the department members and their friends. Battalion Chief Jay Stevens announced yesterday that the department would stop at nothing until their candidate was assured of first place.

The following standings include all the votes counted at the office of the tour manager up to 9 A. M. Wednesday.

Hazel Hoyt	22,485
Alice Husby	21,290
Lina Osterwald	20,485
Helen Fitzgerald	18,215
Estelle McCarl	17,855
Thelma Hollingsworth	15,775
Mary P. McCarthy	15,710
Matilda Peterson	15,290
Violet Campbell	14,955
Dallas Perkins	14,595

Beneva Robertson	11,010
Beulah Barringer	11,120
Sadie E. Amund	100

MARKET BACKERS MEET

YAMHILL INSTITUTION TO BE CALLED AFTER JOHN F. CARROLL.

Reports From Solicitor in Clarke County Encouraging and New Fields Will Be Entered.

Many attended a luncheon Wednesday at the Commercial Club for discussion of the public market question. About 100 of the various organizations met with the delegates from the granges and gave opinions as to the most desirable time for the market, in Yamhill street, between Third and Sixth, to open and also as to the details of the parade.

By unanimous vote, it was decided that the market be known as Carroll Public Market, out of compliment to John F. Carroll, who has actively advocated public markets for the past five years.

Another meeting will be held in a few days to perfect details as to the parade and day of opening.

The city public works department yesterday completed the drafting of plans for the establishment of the public market. The plans as displayed at a meeting of the Council yesterday show wagon spaces arranged on the south side of Yamhill street and stand on the north side. The wagons, according to plans, will be backed up to the curb. DOES YOUR STOMACH CONTAIN A GLASSFUL OF ACID?

96 OUT OF 100 DYSPEPTICS HAVE DANGEROUS ACID IN THEIR STOMACHS, WHICH MUST BE NEUTRALIZED IF GOOD HEALTH IS TO BE MAINTAINED.

If you held a teaspoonful of hydrochloric acid in your mouth for only a second you would not be surprised at its burning and inflaming all the tissues; yet an eminent specialist states that 96 out of 100 dyspeptics go about with a glassful or more of this powerful acid in their stomachs, and then wonder what causes the burning and aching and why they suffer the discomfort after meals.

To put wholesome food into an acid stomach only increases the discomfort, because the acid mixes with the fresh food and turns it sour, making a lot more acid. That acid condition causes food fermentation, which irritates, distends and inflames the tender stomach lining, and it is not surprising that specialists say acid stomachs are dangerous. This decidedly dangerous and uncomfortable condition can be overcome either by following a strict diet or, and this is far easier and more quickly effective, by taking a teaspoonful of bicarbonate of soda in a quarter glassful of water after meals to neutralize the acidity. The latter course is much more satisfactory because it corrects the acidity and banishes discomfort without any need for diet.—Adv.

The Thermatis

Bakes, Roasts, Steams and Stews. It is the only cooker that bakes and roasts without first partially cooking or reheating before serving. Investigate. It means a saving of time, labor and money.
