SEVERAL ARE BADLY HURT

Three Horses Burn-Sleepers First Aroused by Cries of Other Lodgers Leap to Safety. All Accounted For.

With the force and swiftness of a explosion, flames swept the greater part of a block of frame buildings confined by East Ninth, East Tenth, Washington and Stark streets at 11 o'clock Tuesday night. Narrow escapes by lodgers and families in small two-story houses on Washington street marked the progress of the fire. The greater of the fire the progress of the fire. The greater of the fire the progress of the fire the progress of the fire. The greater of the fire the progress of the fire the progress of the fire. The greater of the fire the progress of the fire. The greater of the fire the progress explosion, flames swept the greater part

houses on Washington street marked the progress of the fire. The greater loss was sustained by J. J. Kadderly, in a warehouse and barn on the East Ninth street side, where stoves, refrigerators and three horses and an automobile were destroyed.

Flames curling up from the southwest corner of the warehouse were first noticed at 10:55 by Chris Smith, 87 East Ninth street, who turned in an alarm from a fire box. When the first apparatus arrived the entire ware. Take Firearms From Child.

The formal warehouse week first noticed at 10:55 by Chris Smith, and larm from a fire box. When the all stands and the fire was eating swiftly into a row of two-story roominghouse were supported by piling which gave an underdraught to the flames and the fire was eating to the developed of the fire week and the fire was eating to the developed were supported by piling which gave an underdraught to the flames and to the developed, was avaken seepers.

G. T. Smith, living in the first of the firee small houses on Washington street to be destroyed, was avaken when the firee small houses of the developed, was avaken the performance of the developed of the side of their porary relief by neighbors.

G. T. Smith and his wife struggled through billing smoke to the side of their porary relief by neighbors.

G. T. Smith and his family are rendered eating the by the fire and were given temporary relief by neighbors.

terday, says the party had some stir-ring adventures. Colonel Roosevelt himself killed two tiger cats, each considerably more than three feet

M'ADOO TO FIGHT DISEASE v Phase in Mexican Problem Comes With Epidemic Fears.

WASHINGTON, April 29.—A new phase of the Mexican problem was brought to the attention of Congress yesterday when Secretary McAdoo, on behalf of the Public Health Service, asked the House to appropriate and make "instantly available" \$100,000 to prevent the introduction and spread of epidemic diseases. The current year fund for this purpose is exhausted.

Secretary McAdoo also sought \$25,000 for establishment of quarantine facilities at Providence, R. I.

and Stark Stricken.

Coy, to the effect that the previous agreement of the Board to the purchase of the property, was a contract binding upon both parties.

Several residents of the Couch School district appeared before the meeting to protest further against the purchase of the property chosen and their arguments against the site were contested in rebuttal by Directors Munly and Sommer, who, with Director Beach, originally voted for the Archbishop's block. Director Sabin also voted for it block. Director Sabin also voted for it on the final motion, but explained that he did so because he saw no other course in view of the legal opinion.

course in view of the legal opinion.
Director Plummer did not vote.
Among those who argued in opposition to the official selection were Dr.
E. F. Tucker, Dr. K. A. J. Mackenzie,
Robert W. Lewis, Charles E. Warrens.
The board also authorized the payment of \$125,000 for the block chosen
as the site for the new Shattuck School, bounded by Broadway, Park, Hall and College streets, as soon as the title has been cleared to date. It is expected that the final deed will be signed today.

Trinity's Year Book Shows Valuation of Property Is \$15.812,000.
