

LARRY PAPE COMING

After Much Dickering Mac Wins Over Twirler.

SEVEN PITCHERS ON STAFF

Framback Will Be Left at Home When Beavers Sail for Southern Climes, but Will Be Kept on Payroll—Two Go to Colts.

Portland's Coast League pitching corps will receive much-needed reinforcements next week, when Larry Pape, former Sacramento and Boston right-hander, will join the Beavers at Los Angeles.

After protracted dickering Pape telegraphed his acceptance to Walt McCredie terms yesterday. He has been holding out pending settlement of a \$700 salary claim against the Buffalo club. Whether Portland has agreed to assume this claim or whether Pape has decided to risk his case by playing before it goes to court is unknown.

McCredie paid \$500 to Buff last winter when the purchase was announced and another \$500 is due this month. Pape is now located in Pennsylvania and will leave for the West immediately.

It likely will take Pape a fortnight to get into trim. That makes McCredie seven pitchers—West, Krause, Higginbotham, Brown, Martinioli, Pape and Hanson. Framback is to be left at home when the Beavers sail for California, but will be retained on the payroll. Peet and Salveson will be turned over to the Colts. Catcher Perkins also will be left at home with Framback.

"Just my luck," mourned Walter McCredie last night as he perused a sporting extra. "I have been figuring on getting Pitcher Clever from Cleveland and now he has jumped to the Federal League."

Dullof is a southpaw who broke in with the Naps last year. Mac has been yearning for another portlander.

Scanlon, an Imperial Valley League first sacker, reached Portland yesterday to join Nick Williams' Portland Northwest League team. He will be out in uniform with the Beavers today and ought to be in shape when the Colts return Monday against Vancouver.

Scanlon played with Lober and Bobby Davis last winter and both say he is a comer.

HUNT CLUB RACE ARRANGED

Annual Point-to-Point Contest to Take Place Week From Tomorrow.

The annual point-to-point race of the Portland Hunt Club will be staged near the Garden Home track, one week from tomorrow. The directors had hoped to hold it tomorrow, but because of a fire to get out a good attendance, it was delayed.

The race is one of the interesting things of the year. The course is laid out with flags, so that the second flag is visible from the first, the first being visible from the start. The course is entirely unknown to the riders and the angles and twists are a mystery to them until the next flag is sighted.

Ten to 15 starters will be on hand. The course will have at least four points and will be more than four miles. The riders will be both men and women.

The date of the annual Spring meet is still in doubt. The middle of June probably will be within a week of it.

The score was 8 to 5. Most of the Aggie errors were not costly. Batteries: Sophomores, Cameron and Markham; Albany, Rexford and Monteith.

VEVUSIUS' HEAT TESTED

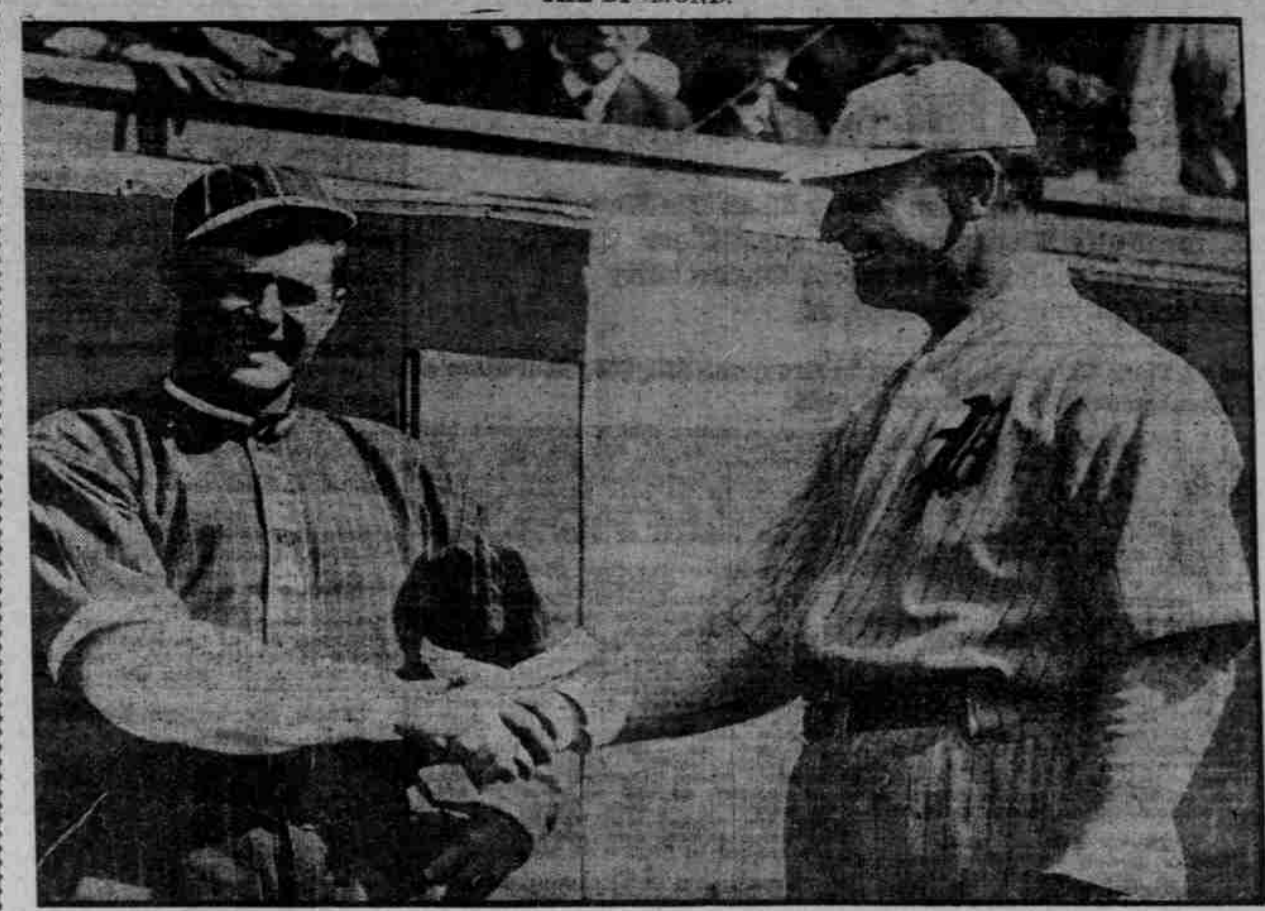

Temperature at 33 Feet 62.6 and at 175 Feet 116.6 Degrees.

BERLIN, April 30.—The temperature inside Mount Vevusius, which is unascertainable by ordinary thermometer methods, recently has been measured by the Munich geologist, Storz, who descended the crater of the volcano for the purpose.

He dropped a thin wire cable with an iron weight at the end into the crater. Attached to the wire were metal cylinders made of lead, zinc and antimony, which melt respectively at temperatures of 326, 788, and 1166 degrees Fahrenheit. Having been let down into the mouth of the volcano, the lead melted at a depth of 33 feet, the zinc at 19 feet, and the antimony at 175 feet.

A yellow smoke-vent inside the crater had a temperature of only 294 degrees in 1911, 327 degrees in 1912, and 225 degrees in 1913. From this fact it is concluded that a fresh outbreak of Vevusius may be expected.

HUSKY HOMERS, WITH BASES FULL, POPULAR.

Yesterday's Results. At Baker—Baker 7, Walla Walla 6. At Pendleton—Pendleton 7, North Yakima 5.

Thirty-eight hits, four of them homers, one with the bases full, gave Tri-State fans plenty to yell at yesterday. Baker took another fall out of Walla Walla, 7 to 6, while Pendleton made it three straight from Yakima, 7 to 5. Each team in the league got a homer.

A husky homer with three on ended the Walla Walla Bears' chances of winning at Baker. Sigby hit it in the seventh, the Cubs having already accumulated two in the fifth. The Bears led, 3 to 0, till the fifth. The Bears tied the score in the ninth on Gardner's home run, but the Cubs came back with a hit by Wetzel and a double by Berry after two were down. The Bears got two in the third on a walk, error, fielder's choice and Bridger's hit, and three in the fourth on a couple of walks, error, wild pitch and Brown's two-bagger. The score: R. H. E. Walla Walla 6 4 Baker.....7 12 2 At Pendleton—Pendleton 7, North Yakima 5. Batteries—Bridger and Brown; Sutcliffe and Kluge.

Jorgstad, of Yakima, went through six innings at Pendleton, like a big leaguer, then blew up. Osborne held Yakima scoreless for four innings. Both pitchers pulled out of holes repeatedly. Pendleton's first score came in the fifth, when Pembroke hit a homer. Yakima took the lead in the seventh, with Kruse's homer, with one on. In the last of the seventh, Jorgstad walked in two runs after Pembroke doubled. In the eighth the Bucks went to him, Pembroke, Lodel, Barcklage and Peterson hitting. Two walks and Fuller's third error made four runs. Yakima scored her third in the ninth on Taylor's fourth hit and Jorgstad's double. The score: R. H. E. J. R. H. E. Pendleton.....11 9 21 Yakima.....2 10 13 Batteries—Osborne and Pembroke; Jorgstad and Taylor.

LENOX VILLA IS SEIZED

Gamblers Use Country Home All Winter and Burn Costly Fittings.

LENOX, Mass., April 28.—Mrs. W. Roscoe Bonas, of Hamlet, N. C., has reports to the police that Despondent, her villa here, had been running all winter as a gambling resort. The library had been converted into a clubroom and several thousand dollars' worth of furniture and fittings had been used in the fireplace for kindling wood during the cold spells. The police did not know that the house had even been entered. Little besides the burned furnishings was missing from the villa, as everything the like had been stored in a safe deposit vault when the place was closed last fall.

New Photo Plays Open

Columbia.

THE appearance this week of the candidates for Queen Rose and maids of honor of the Rose Festival at the Columbia is proving an immense attraction. One candidate bows at each nightly performance, when some entertaining "stunts" generally are introduced by her supporters. The Woodmen of the World introduced Lina Osteroid Tuesday night and last night Helen Mcivor, candidate of the Lipman-Wolfe Welfare League, made her appearance. Tonight Alice Husby, candidate of "Made-in-Oregon" and Electric clubs, will appear.

"Margaret, Our Mutual Girl," a two-part Keystone comedy, the headline attraction on the bill which opened yesterday makes every one forget his troubles. The scenes center around the Grand Prix automobile races at Santa Monica. Mabel proves a veritable "dare-devil" chauffeur.

Star. THE STAR opened its new show with four good reels, two dramas and two comedies. "The Hunted Animal," the second of the series of

with Marc MacDermott in the leading role, shows him in his attempts to elude the detective. He succeeds in doing so by wearing the clothes of an escaped convict and following the directions which he finds written on a piece of paper in one of the pockets. "The Girl from Prosperity" from the story by George Randolph Chester, shows more of the adventures of Bessie Williams, manufacturer.

With the announcement of the annual Salem-Portland cruise of the Portland Rowing Club, the calendar for the year 1914 is made up. This has come to be one of the big things of the canoeing year and officers will urge early that canoeists arrange their summer so that they will be able to make the trip.

HALF OF HOTEL NAME LOST

Court Order Forces New York Hostelry to Drop Word "Blenheim."

NEW YORK, April 28.—(Special).—Judge Hough, in the United States District Court, has enjoined the Marlborough-Blenheim Company, of New York, from using the word "Blenheim" in the corporate title of its hotel.

The New York company is also enjoined from using the crests of either the Prince of Wales or the Duke of Marlborough. The Atlantic City hotel is upheld in claiming the exclusive right to the name "Marlborough-Blenheim." The litigation was begun about a year ago, when the New York company changed the name of the Marlborough to Marlborough-Blenheim. The New York company is permitted to retain the name Marlborough.

Majestic.

"A ROMANY SPY," one of the most-talked-of film productions, will be shown at the Majestic Theater for the next two days. The story tells of the love of a gypsy girl for an army officer, whom she unwittingly sent to his death. The setting and the scenes are excellent. Little "Sonny Jim," one of the most adorable of child stars, is appearing together with "sheep" in "Sonny" at the North Pole. "Sonny" sets out to find the North Pole, causing his mother much anxiety, but incidentally saving a passenger train from wreck. A comedy, "Along Came a City Chap," is a screaming burlesque. The "city chap" is a villain, who entices and carries away innocent maidens.

Mother Gives Father Some Practical Advice

"A"INT no use talking, Pa, you men can surely learn a lesson from we women when it comes to comfort."

"WHAT DO YOU MEAN?" says Pa.

"Well, I never could see why you men insist on wearing those stiff collars that saw your neck off."

"All the fellows wear them," chimed the head of the house.

"THERE YOU GO again," says Ma. "Don't ever say anything about we women insisting on wearing certain clothes because they're the style. You men are worse than women."

"OH, WELL, a man has got to look right," says Pa.
