REFRESH AIR AND HEALTH

Mental work calls an unusual supply of blood to the brain; the process of digestion calls the blood to the stomach. Brunt work immediately after a hearty meal often causes indigestion because the brain has first call on a supply of blood that should be helping the stomach.

NAVAJO WORKERS LAND UP STREAM

Stranger Stoned After Carrying Off Nonunion Men to Avoid Conflict. Attempting to forestall a threatened clash between striking longshoremen and strikebreakers at the close of work on the American-Hawaiian Steamship Company's steamer Navajo at Alsea Bay dock yesterday, officials of the company suddenly changed their plan of landing the men on the dock under police protection and instead sent them on board the chartered steamer Stranger to the upper harbor, where a safe landing was made before the strikers could get there.

PARIS NOW "WAR WEAK"

Investigation Shows City Would Be Short of Food Soon. PARIS, April 30.—(Special.)—The question of how Paris would fare in the case of a declaration of war was recently thoroughly examined, and has resulted in the discovery that within three days of mobilization the city would be practically without provisions. Consequently it has been decided immediately to constitute an enormous stock of flour for the entrenched camp of Paris, the only point remaining to be settled being who will pay—whether the state or the city itself.
