MR. SOMMERVILLE REPLIES.—With regard to an article in The Oregonian last Sunday denouncing certain persons who are said by Secretary Robinson of the grand lodge of Masons of Oregon, to be selling degrees in a bogus manner entitled the Somerville Masonic Federation, a letter has been received by The Oregonian from G. B. M. Somerville, of this city, in which he asserts that he is acting under authority of an act of the Louisiana Legislature and incloses what he states to be a copy of the act. Mr. Somerville says, among other things: "The American Masonic Federation was founded from authority given into it by the Supreme Council of the State of Louisiana, the oldest body practicing the Ancient and Accepted Scottish Rite in the United States, which was incorporated by an act of the Legislature of that state in the year of 1870. The charges that the members will not be recognized by the A. F. and A. Mason can readily be repudiated by the fact that we exchange representatives with the grand councils and grand lodges of Great Britain, France, Spain, Portugal, Italy, Germany, Turkey, Argentina, Roumania, Cuba, Brazil, Mexico and Russia, and will be represented by our presiding general at the Masonic International Congress held at Lisbon in the month of October, 1914."

STARK ORDINANCE TO BE FRANKED.—In order that the public may become familiar with the provisions of the proposed new ordinance to eliminate slums and tenement-houses, the Council yesterday authorized the expenditure of \$50 for the printing of the measure in pamphlet form. As prepared by the building code revision committee and others, the suggested ordinance prescribes the amount of space which must exist between buildings used for apartments or rooming houses, the amount of light which must be admitted to all such buildings and the methods of ventilation which are patterned after measures in force in some of the Eastern cities.

BURDICK REPAIRS TO COST \$10,000.—After a careful investigation, the Commissioner Dieck yesterday notified the City Council that an appropriation of \$10,000 probably will be necessary to repair the front-end bridge over Marquam Gulch in South Portland which has been closed to traffic because of its dangerous condition. Providing money for the repairs was referred to Commissioner Bigelow. Residents of South Portland are demanding that the city hurry the repairs so the bridge can be reopened.

BODY DRIFTS ASHORE NEAR CITY.—The body of Adolphus Wiley, 67 1/2, was found on the riverbank near the North Bank Railway bridge Tuesday, by William Rando. The man disappeared about two weeks ago. Coroner Slocum thinks he fell into the river at Portland Road down stream. Wiley was the son of a river boatman. He was 35 years old and unmarried. The body was taken to the morgue. Funeral arrangements have not been completed.

HANS J. LESTON'S FUNERAL HELD.—The funeral of Hans J. Leston, who died May 4 at his home, 6186 East Fifty-second street, South East Side, was held yesterday from this residence under the auspices of the Oddfellows order, of which he was a member. Interment was made in Mount Scott Cemetery. Mr. Leston was 63 years of age. A widow, Mrs. Elizabeth Leston, and seven children survive—C. J., H. E., P. L., Leston, Mrs. W. J. Bechtel, F. Johnson and Mrs. Anna Johnson.

EAST STARK MAY BE WHOLLY STREET.—A movement has been started to make all of East Stark street inside the city limits a street. At present a part of East Stark street, between Base Line road from the city limits to Mount Tabor, and this is the part that may be made a city street. This action is in contemplation in view of the proposition to pave the Base Line road.

BIG SHOES SHOWN.—The largest pair of shoes, size 17, made to measure by Theodore Bergmann Shoe Manufacturing Company, are on exhibit at the Made-in-Oregon Show in the Meier & Frank Company's basement. A \$5 cash prize will be given to the person making the nearest correct guess to the number of square feet of upper leather used in the size 17 shoe.

PARK CONCERTS TO START JUNE 14.—Portland's annual park band concert season will be formally opened June 14, according to plans announced yesterday by City Commissioner Brewster. Sixty free open concerts will be given during the summer, one each day after June 14 for a period of about two months. The concerts will be held in the various parks. Arrangements have been made for a concert June 9 at Peninsula Park as part of the celebration of the opening of the Rose Show. The concerts will be under the direction of Charles L. Brown, who has been chosen leader of the park band.

CABLE TO ALASKA DESIRED.—"We want a cable service to Alaska," is the substance of a resolution addressed by the Portland Chamber of Commerce yesterday to the Secretary of War at Washington, D. C. This action was taken at a meeting of the Chamber trustees following appeals from a number of Alaskan commercial interests who desire closer connections with Portland now that an Alaskan steamship service is operating out of this city.

portions of Milwaukie, Holgate and Division streets. Contract for the work was let, the complaint states, but the improvement of Holgate street, from Eleventh to Twenty-fourth street, was abandoned.

Captain Mosberger, in charge of the Guardsmen, says he does not know how long his men will remain, no orders having been received from Governor West. He says he can see no reason for guarding the club, as no one apparently has any desire to go there under the conditions. Except for a couple of automobile parties that rolled up Tuesday night, he says he has seen no one who has had any apparent desire to get into the clubhouse, aside from the employees who have been allowed to come and go at will.

The Guardsmen received blanket rolls yesterday morning and spent a few hours sleeping, after which they returned to their quarters. The club's cook has prepared their meals and they have fared well. The kitchen was well stocked with food at the time martial law became effective and the chicken coop, full of chickens, belonging to the club, is only a few steps from the kitchen.

AMENDED COMPLAINT IS SENT Attorney - General Alleges Friar Charter Secured by Fraud. SALEM, Or., May 6.—(Special.)—Alleging that the organization obtained its articles of incorporation through fraud, Attorney-General Crawford today forwarded to District Attorney Hedges, of Clackamas County, an amended complaint in the proceedings to revoke the charter of the Friars' Club in Milwaukie, which was closed Tuesday by State Militia, by order of Governor West.

A demurrer to the original complaint was sustained by Circuit Judge Eakin because it failed to give the names of the incorporators, B. Barish, E. Holloway and W. Wilbur. The articles of incorporation give the purposes of the club as the encouragement of aquatic exercise and literary and other mental development. He charged in the amended complaint that the real object of the incorporation was to use it as a place to sell intoxicating liquors and that the law has been violated.

Socialism Is Discussed. ALBANY, Or., May 6.—(Special.)—That orthodox Christianity and Socialism are incompatible was the substance of a lecture delivered last night in this city by David Goldstein, National lecturer of the Knights of Columbus.

The speaker quoted a large number of Socialist authorities of international reputation to show that the modern Socialist movement is based on principles essentially atheistic. He contended that its political phases are purely incidental to its main purpose.

ORDINANCE IS ATTACKED Bush Estate Executors File Suit Against Street-Assessment Act. Another suit attacking the ordinance assessing the Holgate-street district for street improvements was filed yesterday. This suit requests that the ordinance be declared null and void and the city restrained from collecting any assessments against the property owned by the Asahel Bush estate. The suit is brought by A. N. Bush and S. Bush, executors of the estate.

The estate owns 25 lots in Meadowbrook Addition, the complaint states, which have been assessed for improvements made in conformity with an ordinance providing for the paving of
