BEESON'S MARK ISSUE

OLYMPIC CLUB ATHLETE PROTESTS ALLOWING RECORD. C. S. MORRIS ALLEGES STAR AT BERKELEY MEET TOUCHED BAR IN MAKING 6 FEET 7 3/16-INCH JUMP.

SAN FRANCISCO, May 8.—(Special.)—A technical writer protesting against allowing Eddie Beeson a new world's record in the high jump was filed today with John Elliott, president of the Pacific Athletic Association, by C. S. Morris, of the Olympic Club, a teammate of Beeson. He says: "The local press has been glorifying his record in the interests of good and truthful records and justice to present and future contestants, and aspirants for world's records."

Morris takes the stand that when Beeson cleared the bar at the P. A. A. conference meet at Berkeley Saturday at 6 feet 7 3/16 inches, his body touched the cross bar, which should disqualify the record. He argues further that "in strict interpretation the event was a closed one, since two men from the same club (Beeson and George Horne), the former record-holder, were the only ones to compete, the event itself being special."

Eight Decision Disliked. CENTRALIA, Wash., May 8.—(Special.)—The six-round bout staged in Centralia last night between Joe Swain of Portland and Ivan Miller of Seattle was called a draw by Referee Lucas. After five slow rounds Miller lived round the sixth and just before the end of the round sent Swain to the floor with two stiff drives to the jaw. The crowd failed to see the justice of the decision.

Rugby "Best Game" But "Too Narrow." University of Southern California Graduate Manager Makes Clear Reason for Returning to Real Football.

Berkeley, Cal., May 8.—(Special.)—A statement by Southern California publication to the effect that the "California Bear is growing against rugby" brought out today, in the course of an inquiry at the University of California, an opinion by Graduate Manager Donald that the scope of rugby is too narrow for college competition.

One week from tomorrow Ewing's new ball park in San Francisco will be opened to the public. Seattle outfielders will not have to hang their heads in shame when they draw their pay thereafter.

Spokane and Seattle captured first honors at the sportsmen's trap tournament at Wenatchee. The Washington State title, L. H. Reid, of Seattle, captured the two days' first total

among the professionals, with 212 out of 325. Frank Riehl, of Tacoma, bagged 209, and Pete Holohan, of Portland, 205. E. J. Chingren, of Spokane, led the amateurs with 211. T. H. Hughes, of St. Maries, Idaho, being second with 204, and F. M. Troeh, of Vancouver, third, with 203.

Owing to the remarkable spurt of the Pittsburgh Pirates of the National League, the new Pittsburgh Federals are in a bad way. Nobody goes out to the games, for the Feds are deep down in the clatters, and some sort of a reorganization is necessary.

BOYLEN IS INDIVIDUAL STAR. University Sprinter Is Ringleader in Downing Corvallis Boys—Cole Throws Discus 129 Feet and 14 Inches for Local Mark.

UNIVERSITY OF OREGON, Eugene, Or., May 8.—(Special.)—True tradition, if not to this year's Oreg. All-Hayward's University of Oregon athletes defeated Stewart's Oregon Agricultural College track team in their dual meet here today by a score of 74 to 57.

A heavy track and a cold wind which bucked the runners in the back stretch prevented record breaking. Cole, the Aggie's discus thrower, fractured the local discus record with a throw of 129 feet 11 inches, and Reynolds, also of the visiting delegation, set a new state record of 1:58 2-5 seconds in the half mile. Reynolds' time was remarkable considering the adverse conditions in which he contended.

Boylen Individual Star. Tom Boylen, the university sprinter, was the individual star of the meet and the ringleader in the blasting of the visitors' hopes. Boylen defeated Baker and Anderson in the 220-yard dash in the 220-yard dash and in the century he gave Baker the race of his life, inches separating the two men.

Relay "Presented" to O. A. C. With the meet safe for Oregon, Hayward presented the Aggie's relay team, consisting of jokers in the regulars, Boyley and McConnell, and sending in two freshmen, Elton and Bull, to give them experience. At the Loucks, the Oregon runner, overcame a 10-yard handicap and almost beat Kaddery to the wire.
