ICE INQUIRY IS BEGUN City Attorney Starts Hunt for Evidence That Trust Exists.

At the request of Mayor Albee City Attorney La Roche has commenced an investigation of what is said to be an ice trust organized to control the prices and terms of delivery of ice. This action follows the commencement of a campaign by Sealer of Weights and Measures Jones to require all dealers to deliver full weight. Mr. La Roche says he will do all he can to get evidence against ice dealers showing that they have an organization or understanding on the ice price proposition. There is a city ordinance prohibiting combinations of this kind.
