LOS ANGELES, Cal., May 14 .- Ven-Portland today, when Bayless made a circus catch or Doane's apparently sure three-bagger in the ninth inning, the play developing into one of the freaklest ever seen here.

With men on first and third, and one out, Doane lined a high fast drive to center, which Bayless caught by a running high jump and doubled Derrick off first.

Bancroft, who had stayed on third base, scored on the throw in to first. The score was 2 to 1.

Hitt Couldn't Be Hit.

Big Roy Hitt was entirely too much for Portland, and after vainly trying to connect with his benders for nine frames they wound up the game losers to the Tigers.

Neither new players

rames they wound up the game losers to the Tigers.

Neither new players nor Hi West's fairly good work had any effect on the Beaver linx. West was hit in nearly of the drives were lost and he was tight as a clam in most pinches.

Pat Brenegan, the new catcher McCrodle secured from Pittsburg, was behind the big pad and did good work for a new man in strange surroundings and company. In the seventh he nailed Leard trying to steal second by five feet and with the same motion knocked Meloan stiff. Meloan was at the plate and as Brenegan threw, the big catcher's elbow, by some strange freak, landed squarely on Meloan's jaw and the Tiger fielder went down and out in the most approved ring style. The collision with Meloan's jaw didn't hurt Brenegan's throw to second in the least. Brenegan was taken out in the least. Brenegan was taken to the last. Brenegan was taken out in the eighth to let Brashear bat for him, but the change did no good. The whole story is told in the fact that the Beavers couldn't hit. In fact, they haven't hit in any game of the series.

Three Good Men For.

Three Good Men Fan.

In the fifth frame Kores, Lober and Brenigan all fanned.

The Tigers started the run-getting in the fourth, working one man in with a single by Bayless, double by Litschi and another single by McDonnell. In the eighth it took three more hits to get in their second run. Meloan and Bayless singled, but Kores grabbed Litschi's grounder, touched third, foreing Meloan, and then threw Litschi out at first, completing a spectacular double play. Bayless struck to second and scored on McDonnell's double. McDonnell thus having the hunor of driving in both Tiger runs.

In the ninth Davis, hitting for West, flew to left. Bancroft tore off a single gand Derrick boomed the rally along with another single to left. Bancroft scored on Doane's long fly to Bayless, but Derrick spoiled whatever chance the Beavers had by being caught off first after the catch, Bayless to McDonnell. Score:

ANGELS TAKE THIRD STRAIGHT

#### Sucramento Loses, 8 to 1, Through Costly Errors by Hallinan.

SACRAMENTO, Cal., May 14. — Los Angeles won its third straight game, 8 to 1, from Sacramento today by bunching hits off Stroud and Kremer, and also by making the most of two errors by Hallinan.

The Wolves made 14 hits off Perritt, bunching them in four innings without a score, and making at least one hit in every inning. But with all their hitting they would not have scored had it not been that Page's error in the first put Shinn on third, whence he scored on Coy's fly to Ellis. The score:

But for Eastley's sacrifice there might be a different story to tell, as Hausman's winning poke was merely an infield grounder. It was a triffe too close to second for Scanlon to handle, however, and in his haste to cut off a tally he juggled the ball and two runs scampered across the plate.

#### More than just mild.

Any cigar maker can make a mild cigar. Butto blend a mild eigar that is flavored to the taste of a Havana Smoker is an art. The 25 years' leadership of the General Arthur proves that it is the most likeable of mild cigars.

# **FACTS AND FIGURES**

Most advertisements of Men's Clothing are pretty much alike
—a cut of a good looking chap in a fine fitting suit and a
general description of the Fabrics and Styles. I will grant
that all stores earry good, well-made Clothing. Let's look at a
suit from an entirely new angle—

## The Expense of Doing Business

We will take for example the Street Level Clothing Merchant who sells 300 suits a month (and believe me, there are more of them that sell less), and charges the Clothing Department with \$750 of his \$1200 per month rent

These items have got to be added to the cost of every suit sold-

Rent ......\$2.50 Credit Losses .........55 Floor Walkers, Bookkeepers, Cashiers, Collectors ..... 1.10 Total.....\$4.87

Here is an added cost of \$4.87 on every suit sold by the High Rent Street Level

> WHO PAYS IT?

Well may I say-

"Ride Up and Save \$5 to \$10"

OLUS SHIRTS N OLUS the outside shirt and In OLUS the outside shirt and underdrawers are one garment. This means that the shirt can't work out of the trousers, that there are no shirt tails to bunch in seat, that the drawers "stay put," to say nothing of the comfort and economy of saving a garment. OLUS is coat cut—opens all the way down—closed crotch, closed back. See illustration. For galf, tennis and field wear, we recommend the special attached collar OLUS with regular or short sieeves. Entra sizes for very tail or stout men. All shirt labeles, in smart designs, neciding either—\$1.50 to \$10.00.

OLUS one-piece PAJAMAS for lumnjing, resting and constantable steep. Made on the same principle as OLUS Shirts, creat cut, closed bark, closed crotch. No strings to tighten or comm loose. \$1.50 to \$8.50.

Ask your dealer for OLUS. Booklet on request. Remember, if it but's cont-cut it isn't OLUS.
