HOW WOMEN AVOID OPERATIONS

By Taking Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio—"My left side pained me so for several years that I expected to have to undergo an operation, but the first bottle I took of Lydia E. Pinkham's Vegetable Compound relieved me of the pains in my side and I continued its use until I became pregnant and free from pains. I had asked several doctors if there was anything I could take to help me and they said there was nothing that they knew of. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. GRIFFITH, 7035 Madison Ave., Cleveland, Ohio.

Hanover, Pa.—"I suffered from female trouble and the pains were so bad at times that I could not sit down. The doctor advised a severe operation but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it. What joy and happiness it is to be well once more. I am always ready and willing to speak a good word for the Compound."—Mrs. ADA WILT, 196 Stock St., Hanover, Pa.

LONG SEARCH FINALLY CROWNED WITH SUCCESS

Traveled From East to West Before He Finally Found Plant Juice and Health.

Here is an interesting story told by Mr. W. H. Prentice, who resides at 482 Spokane avenue, in this city. Mr. Prentice was born in Mystic, Conn., in 1859, and was for a long time a successful business man there. He was compelled to retire on account of his health. Mr. Prentice has lived in Portland five years and makes the following comments on Plant Juice: "I have been in bad health for some time and lately seemed to be growing worse. I suffered with diabetes and had severe pains in my back, at times so intense that I could hardly stand on my feet. I had to get up frequently in the night, and my health was broken. My digestion was very poor, stomach would get sour and food seemed to lay in a lump. In fact my entire constitution was broken down. I tried everything I could hear of but nothing seemed to help me, and I was very much discouraged when I first heard of Plant Juice. I had little faith in it, but it was like a drowning man catching at a straw. I have used less than three bottles, and it is little less than a miracle what Plant Juice has done for me. I have no more pains in my back, do not get up at night, sleep well, my digestion is in fine condition, eat anything I want and feel better in every way. A short time ago my folks would not let me leave the house, now I am at work. I am glad of the opportunity to tell others about this new remedy. As a remedy for ailments of the stomach, liver and kidneys, Plant Juice is in a class by itself. If you have aches or pains of any kind try a bottle and see what it will do.
