Multnomah Chib Is Handling Blg Annual Event, Which Will Be Run Off on That Field-First and Second Medals Offered.

At present the out-come of the event seems to favor Co-lumbia University, with Washington High a close second and Lincoln High third.

In the recent state interscholastic meet at Eugene a week ago the local collegians won the match, with 16 points to spare, from their nearest rivals, Washington High. The Lincoln High was third, with 11 points made by "Speed" Coulter in the 100 and 220-yard dashes and Charles Smith with third in the 100 and 220-yard dashes and Charles Smith with third in the 100 and 100 a with third in the javelin.

If Coulter is able to enter and in good condition, he should capture the 100-yard dash, as well as the 229-yard affair. Muirhead is doped as the only legical candidate to take first honors from the Lincoln High speedster, with Wilson, of Washington, a close third. Raymond Staub, the sensational Washington, High quarter-mile and middle-distance man, is out to break the present record in either event. Staub won the Eugene quarter-mile in 52 seconds flat, and Nelson, of Washington, holds the local record at 52 3-5.

The two hurdles look like Muirhead, of Columbia, all the way, with Johnny Carr, of Lincoln, finishing second, and Marion Kyle, of Jefferson, or Stimson, of Hill, third.

The weight events seem to be evenly divided, amount Warbinston, Columbia, and Columbia. The weight events seem to be evenly divided among Washington, Columbia University, Lincoln High and Portland Academy.
