HOOD RIVEE, Or., May 18.--(Spe-ind.)-The illness of City Recorder Hows, who underwent an operation saturday at the Cottage Hospital, left hiss Lucille Johnson, deputy Recorder, to hear the case of Feie Couver, a half-breed Indian, accused of drunkenness. Miss Johnson fined him 38 and de-livered a temperance lecture, which the indian declares he will take to heart. Miss Johnson also was present at the Council meeting tonight, atetnding to the duties of the Recorder at the gension of that body.

It has been asserted by many eminent specialists that there is no doubt that by the beat of the pulse alone the sex and are of a permo could be told.

this week at the Portland Y. M. C. A. on his way home from a trip around the world. Mr. Messer spoke four times to groups of men at the Y. M. C. A. yesterday. His remarks about India were addressed to the physical depart-ment commutate. With Earl Mann at the wheel and a epresentative of The Oregonian be ide him a start was made at 5:30 A.

"The Y. M. C. A. is a big influence in India," said Mr. Messer, "and its physical work particularly is bringing about reforms and paving the way for religious endeavor. More than 50 mails and parts of India gather at Calcutta for regular instruction in physical department work. The contests they promote are tending to a way with the caste system.
"Throughout the Orient the Y. M. C. A. is promoting the same games that are played in America. Basketball, vol. ley ball, indoor baseball, handball and other sports are played with enthusians by the boys and young men of india. China, Japan and the Philippines. Some of the athletic meets in which representatives of many nation alties participate are most interesting to an American."
Mr. Messer will spend a busy week
