Co-operation That Co-operates -It's Double Jointed

Mr. Manufacturer: The local dealer has the final word as to whether your goods sell

In large or small quantities-You need his co-operation.

He does not believe that advertising in medlums of "National circulation" helps him much and he does not enthuse over goods so.advertised. That's a condition, not a theory. To argue about whether he is right or wrong is unprofituble .- You need his co-operation.

If you advertise in his local news papers you comply with his idea and gain his support .-- You need his co-operation.
