

THE BEHEADED BRITISH YOUTH

Evans, of Chicago, and Weber, of Toledo, Only Americans Left in Golf Test.

M'FARLANE TO PLAY TODAY

Scottish Links Amateur Expert Is Looked Upon to Give Illinois Man Hard Game—Ohio Star to Drive With Hutchison.

SANDWICH, England, May 20.—The brilliant playing of Charles W. Evans, Jr., of Chicago, and Harold Weber, of Toledo, carried them to victory in their respective contests today in the British amateur golf championship tournament and they are the sole remaining United States representatives out of ten starters for the next round.

Evans Meets Scot Today. In the fourth round tomorrow Evans will meet C. B. MacFarlane, a Scottish international, who won his way to the semi-final two years ago and was runner-up in the French championship the same year. MacFarlane is the best player that Evans has had to meet.

Weber won two matches today, defeating his first opponent by seven up and six to play and his opponent in the third round by two up. His score going out in the morning was 36, which is considered very good. In the afternoon he was almost ideal. Later Dr. Gillies, of London, now one of the strongest favorites, made the course in 33. Weber failed to show so well in the afternoon and he took 39 to go out and 52 for the round.

Fourth Defeats Outmet. Outmet's defeat by the youthful player, Tubbs, of Littlestone, was unexpected and proved more of a surprise than Palmer's recent victory over Jerome K. Travers, who last week won the known outside Littlestone, which, however, is a first-class course.

Tubbs was "scratched" there when he was 17 years of age. He has won all local competitions and played in a championship match only once in 1910, when he was barely beaten in the fourth round by John Mitchell, who finished champion of the St. George's grand challenge cup.

Evans did poor work with his wooden clubs after the first nine holes, but improved in putting, which had been indifferent going out. Although several times trapped, he finished well, winning the match by three up and two to play.

Herreshoff Finishes Strongly. Herreshoff also finished strongly in his matches. He won the first nine holes, but in the afternoon could not quite make his best start against the Hon. Mitchell, who finished champion of Australia and France, losing on the 18th green.

All the American players are planning to enter the French championship and all except Travers will compete in the British open championship.

MOTOR BOAT HITS SHELL

FOUR MEMBERS OF PORTLAND ROWING CLUB ESCAPE. E. C. Blackwood, in His Zim II, Rans Athwart Capstreak at High Speed; No One Injured in Crash.

The Zim II, a motorboat owned by E. C. Blackwood, of the Portland Rowing Club, and four members of the Portland Rowing Club, in a four-crew capstreak, were in collision last night on the Willamette, south of the Hawthorne bridge. No one was injured. It was the first accident of the kind this season. The Portland Club crew was: Alderman, bow; Cooke, No. 2; Webb, No. 3; and Mathias, stroke.

The rowing crew was passing the boats of the Motorboat Club at a pretty good clip. When opposite the boat club the Zim II suddenly shot out from its house, and the long Rowing Club boat could not be pulled out of danger.

Blackwood was tinkering with the engine, his head below the gunwale, when the crash came. The riggers were torn out of the rowing boat, but the crew succeeded in keeping it from going over. Blackwood helped the boys ashore and shouldered the blame for the accident.

DANCE PAGEANT IN STORE

O. A. C. Baseball Team Will Meet University Club, and Lincoln High Students Will Give "Sylvia" as Part of Programme.

OREGON AGRICULTURAL COLLEGE, Corvallis, Or., May 20.—(Special.)—The first annual athletic carnival to be given at the Oregon Agricultural College under the auspices of the Oregon O Club will begin tomorrow night, when the ceremony connected with the coronation of the king and queen of the carnival will be held on the campus.

Miss Marie Hofer, the Salem girl chosen to be queen, will appear in the robes of state and will be crowned by the president of the college. She will in turn crown the king of the carnival, Everett, who was selected for this position of honor in a recent election, in which all members of the student body were allowed to vote, defeating his nearest rival, Leo Laythe, by a small margin.

The other candidate, May is one of the best all-round athletes in college, having won four football letters and four basketball letters and having captained teams in both sports.

Ball Games on Programme. A baseball rally, in preparation for the Oregon game, will follow the coronation ceremony. The selection of a yell leader for next year will also take place at this time.

Friday afternoon the first of the two baseball games with the university nine will be held here. The Eugene team will be entertained at the hall and Clark's boys will make strenuous attempt to even things up in the brace of contests scheduled for the weekend.

Friday night 30 Lincoln High School students from Portland will present the operetta, "Sylvia," in the college gymnasium. This operetta was recently given in Portland, where it was well received, and when the opportunity presented itself to substitute this for the proposed ball game, the students were glad to make the change. The Lincoln High students will be the guests of the college during the carnival, and will be entertained by the fraternities and fraternities houses. They will leave for Eugene Saturday night, where they will present their entertainment that night.

Dance Pageant Saturday. Saturday morning will be taken up with the dancing pageant, given by the women's gymnasium classes, and the Oregon Athletic Association. Afternoon there will be staged on the local athletic field a special open track meet. The meet will be given by the followers of the track game. Dr. Stewart is arranging a number of special events, in which the best of the O. A. C. athletes will be pitted against stars from other Northwest colleges.

Saturday evening the festivities will be carried to a close with a stonewall entertainment to be given in the gymnasium by the various fraternities and fraternities houses. The pageant will be given at 8 o'clock, and will be a gay week-end is assured.

A large number of visitors from out of Corvallis is expected, and with many teams of athletes returning for the carnival, a gay week-end is assured.

100 TO DANCE IN PAGEANT

"Greek Pantomime" and "Pageant of Nations" to Be Staged. OREGON AGRICULTURAL COLLEGE, Corvallis, May 20.—(Special.)—The women of the Oregon Agricultural College are preparing for the pageant to be given on the lawn of the lower campus as a part of the athletic carnival. The pageant will be given by the women of Wellesley College and the first part will be in the nature of the famous pantomime given each year by the women of Wellesley College. One hundred women will take part in presenting the Greek legend of the loss of the daughter of Ceres, the goddess of the harvest. The pageant will be given by the following: Miss Wilda Orman, of Salem, as Ceres; Miss Hazel Holt, of Corvallis, as Proserpina; Miss Hazel Carton, of Corvallis, as Pluto; Miss Mildred Wilson, of Salem, as Aurora; Miss Edith Shaw, of Salem, as Apollo; Miss Iva Stokes, of Eugene, as Hesperus; Miss Esther Smith, of Corvallis, as Spring, and Miss Helen Lyons, of Corvallis, as Mercury.

The dances to be given in connection with the Pageant of the Nation will include the following: Dutch, Hungarian, Italian, Japanese, Russian, Spanish, Turkish, Tyrolienne, Indian, colonial, negro and American sailor. These dances will be carefully costumed, and the dancers have been carefully trained. Moving pictures will be taken of the pageant, and will be shown throughout the Northwest and at the Panama Exposition next Spring. The pageant given last year, under Miss Thayer's direction, was in every way a success, and caused much favorable comment. This year more elaborate plans have been made and more time has been spent in preparation, and those in charge are confident this year's pageant will surpass last year's effort in many ways.
