

VACATION SCHOOLS' TEACHERS CHOSEN

Board Decides on Faculty of Summer Session, but Not for Regular Fall Term.

FOUR DISTRICTS ADDED

Ockley Green, Lents, Richmond and Woodlawn Want Special Classes and Request Is Granted—New Law Raises Question.

Teachers were elected by the School Board yesterday to serve in the 12 Summer schools to be operated in Portland, beginning July 1, but it did not elect the teachers to serve for the regular school term opening next Fall.

The election of teachers was the order of the day, but the superintendent's office had not completed its list of recommendations, and, besides, Director Minny was not present and the Board decided to defer the matter until an adjourned meeting Monday night, when this and other important special matters will come up.

In view of the operation of the 1913 school law, the civil service provisions of which place all teachers elected for the third time on the permanent list, the question now is whether to add to whether teachers on this list could not be dismissed when they were married.

Originally, all contracts became annulled automatically when a teacher married. Director Sommer said he believed it would be a good plan to settle this question before the Board proceeded with the election of teachers.

As a matter of accommodation two prospective teachers who live in the East, George F. Kaczynski, a graduate of Yale, and Frederick Nims, a graduate of the University of Wisconsin, were elected yesterday as English teachers to serve in the Jefferson High School.

In response to petitions signed by the taxpayers in the respective districts, the Board decided to add four additional Summer schools this year. The buildings affected are the Ockley Green, Lents, Richmond and Woodlawn.

Delegations appeared before the Board yesterday from the first three of these territories. Principals and teachers will be selected for these buildings as soon as possible.

The principals and teachers who will serve at the 12 vacation schools already agreed upon are:

Elementary—W. A. Pettys, principal; Mrs. Laura Black, Peninsular; Anne T. McGovern, Ockley Green; Madeline Hurley, Lents; Albin Hornstead—Hugh J. Boyd, principal; Elsie Dennis, Albin Hornstead; Beate Rawson, Shaver; Florence Carlsberg, Falling; Margaret Peterson, Highland; Viola Orschmidt, Couch.

Holladay—M. Cannon, principal; Eugenia Morse, Holladay; Edith Wright, Elliot; Gertrude A. Orth, Davis; Valeria Madison, Irvington.

Hawthorne—E. J. Stedley, principal; Harriet Munro, Hawthorne; Mary Robinson, Sunnyside; Anna E. Gray, Hawthorne; Mary F. Hamilton, Hawthorne.

Clinton Kelly—L. A. Read, principal; Pearl Williamson, Clinton Kelly; Edna Davis, Woodstock; George Glimmer, Richmond; Helta Schneider, Clinton Kelly.

Montavilla—L. A. Read, principal; Mrs. Harriet S. Sheldis, Hudson; Maria B. Bolin, Kerns; Anna B. Kellings, Sellwood; Mrs. L. J. Thomas, J. Newbill, principal; Nellie J. J. Arletta, J. Newbill; Alice Randall, Woodlawn; Ruby Ford, Sellwood; Belle McDonald, Astoria.

Ladd—A. R. Draper, principal; Mary Donohue, Shattuck; Emma Whitney, Elliot; Nellie Washburn, Shattuck; Mrs. Dorothy Bingham, Couch; Mary S. Smith, Lents; Johanna Cramer, Ladd.

States Senators, and both of these Senators are misrepresenting and have continued to misrepresent the real sentiments and the material interest and welfare of the people of this state.

PROMINENT PORTLAND MASON PASSES AWAY AT AGE OF 78

Samuel E. Wishard, pioneer of 1852, a thirty-second degree Mason and member of Washington Lodge No. 46, A. F. and A. M., died early Tuesday morning at his home, 474 East Stark street.

He was 79 years old. Mr. Wishard crossed the plains to Oregon in 1852. His family settled near Lebanon on a donation land claim.

He afterward came to Portland, where he made his home for more than 45 years.

In 1869 Mr. Wishard was initiated in Washington Lodge, A. F. and A. M. He was the first member received into that lodge.

He was a member of the Scottish Rite. Besides the widow, Mr. Wishard is survived by three sisters, Mrs. Lucinda Crowder, of Albany, Or.; Mrs. J. R. Riekey and Mrs. W. A. Cummings, of Portland.

The funeral was held yesterday at 3:30 P. M. from Scottish Rite temple, under the auspices of the Masonic order.

WOOL PRICES ARE HIGH

FIGURES EQUALED ONLY TWICE BEFORE IN 25 YEARS. Total of 500,000 Pounds of Umatilla County's Clips Changed Hands. Every Clip Offered Is Sold.

PENDLETON, Or., May 21.—(Special.)—Only twice before in 25 years has Umatilla County wool sold for prices equal to those secured by Pilot Rock growers at the public sale held in that place today.

This was the first public sealed-bid sale held in Oregon this year. More than 500,000 pounds changed hands. Every clip offered was sold.

The prices received ranged as much as 2 1/2 cents in advance of the prices paid for the same clips last year.

An unusual feature of the sale was the fact that the "fine wool clip of the J. E. Smith Company topped the market at 19 1/2 cents. As a rule the "coarse" wool brings the higher price.

The following is the list of the growers with the amounts sold and prices received:

Cunningham Company, 110,000 pounds at 18 cents; Pat Doherty, 40,000 pounds (coarse) at 19 cents; Pat Doherty, 30,000 pounds (fine) at 17 1/2; S. G. Jones, 18,000 pounds at 18 1/2; A. P. Warner, 90,000 pounds at 17 1/2; G. W. Matthews, 15,000 pounds at 18 1/2; Fugg Bros., 9,000 pounds at 19 1/2; K. G. Warner, 60,000 pounds at 18 1/2; A. A. Cole, 45,000 pounds at 18 1/2; Andy Rust, 23,000 pounds at 18 1/2; Morgan Edwards, 12,000 pounds, 18; Joe Pedro, 40,000 pounds, 18 1/2; Charles Johnson, 35,000 pounds at 18 1/2; E. Smith Company, 65,000 pounds at 19 1/2 (this is 5 1/2¢ higher than the price bid for this clip last year).

The Cunningham clip, the largest sold, brought 1 cent more than last year.

BENSON NOW LEADS M'NARY 120 VOTES

Unofficial Returns for Republican Nomination for Supreme Bench Completed.

OFFICIAL COUNT REQUIRED

State Record Shows R. A. Booth for United States Senator and T. B. Kay, for Treasurer, Polled Big Vote, Though Unopposed.

Complete but unofficial returns from every county in the state now give Henry L. Benson, of Klamath Falls, a lead of 120 votes over Charles L. McNary, of Salem, for the Republican nomination for the Supreme Court Bench.

The total vote in the state, as indicated by the unofficial returns, is 34,410 for Judge Benson and 34,340 for Judge McNary.

Official returns rapidly are coming into the office of the Secretary of State and show little variation from the unofficial reports.

The votes of Douglas, Hood River, Klamath, Lincoln, Morrow, Sherman, Umatilla, Union and Wheeler counties were reported yesterday and showed exactly the same figures as previously presented in The Oregonian.

The vote is so close, however, that it is possible that a complete canvass of the returns will be made before the nomination is awarded.

On account of the close vote for the Supreme Court nomination, the canvass of the vote on the other state offices is being delayed, but no material changes have been reported in the count.

It is evident, however, that R. A. Booth, of Eugene, candidate for the Republican nomination for United States Senator, although unopposed, received almost the full vote of the Republican party.

Those counties that have reported the full vote give Mr. Booth's vote equal almost to the aggregate vote of the eight candidates for Governor.

His vote, it is estimated, is equal to that of Thomas B. Kay, State Treasurer, who was nominated, without opposition, for re-election.

The contest for the gubernatorial nomination centered the full vote of the Republican party on the candidates for that office. Every man who voted the Republican ticket voted for Governor, and the fact that most of them also voted for Mr. Booth and Mr. Kay, although they had no opposition, is pointed to by their friends as evidence of their popularity.

The Democratic returns still show Dr. C. J. Smith well in the lead for the nomination for Governor.

TWO NOMINATIONS ARE NOTED Republican Supreme Court Candidate Gets Democratic Vote.

ALBANY, Or., May 21.—(Special.)—Lawrence T. Harris, of Eugene, not only led all the candidates for the Supreme Court in the vote in the Republican primaries in Linn County, but he carried the county for the Democratic nomination as well. Mr. Harris secured 25 votes in this county for the Democratic nomination for Justice of the Supreme Court, against 16 for W. T. Slater and 15 for T. H. Crawford, the two Democrats whose names were suggested for writing in. Charles L. McNary, another of the Republican candidates, received 14 votes for the Democratic nomination.

Other Republican candidates who carried Linn County for the Democratic nominations for the offices for which they are candidates are J. A. Churchill, for Superintendent of Public Instruction; John H. Lewis, for State Engineer; O. P. Hoff, for Labor Commissioner; Frank J. Miller, for Railroad Commissioner; and James T. Hoyle, for Superintendent of Water, Division No. 1.

GAS INQUIRY OUTLINED GOVERNOR SAYS PORTLAND FRANCHISE PROBE IS ARRANGED.

Mayor Is Consulted and City Attorney Instructed to Aid State Officials in Making Investigation.

SALEM, Or., May 21.—(Special.)—Governor West said tonight that he had conferred with Mayor Albee regarding the investigation of the Portland gas franchises as provided in a resolution adopted at the last session of the Legislature. Mr. West said that he had made an incomplete investigation himself and that Mayor Albee had announced he would appoint men to continue the inquiry in co-operation with the Governor.

Bills were introduced in the Legislature which provided for the revocation of the gas franchises on the ground that their provisions had been violated. Henry D. Green was granted a gas franchise by the territorial government in 1859. A. Zieher was granted a franchise in 1874. It is under one of these franchises that the company in Portland is now operating.

While the bills were pending before the last Legislature a resolution was adopted which provided for an investigation of the franchise by the Gov-

ernor and the city authorities, who were directed to make a report at the next session of the Legislature, so intelligent action could be taken.

Upon receipt of information from Salem to the effect that the state government is to conduct an investigation of gas franchises in Portland, Mayor Albee yesterday instructed City Attorney LaRoche to co-operate in the investigation in every possible way. Mr. LaRoche will work with state officials in ascertaining facts in connection with the franchise providing the state officials desire such co-operation.

ABERDEEN, Wash., May 21.—(Special.)—John Nicholas, aged 40, a fireman at the General Packaged Company's plant, was so badly scalded last night when he accidentally fell into a hot water tank that his life is despaired of. Nicholas stepped into the tank, the contents of which reached to his waist. His cries attracted the attention of another fireman, who pulled him out. The attending physician says Nicholas has little chance of living. He has a family in Europe.

PARTY LOYALTY PLEDGED

G. C. BROWNELL WILL SUPPORT WITHEYCOMBE FOR GOVERNOR.

Organization of Republicans to Bring Victory in State Advocated by Candidate Losing in Primary.

OREGON CITY, Or., May 19.—(To the Editor.)—Permit me to say that at all times and under all circumstances I have supported the great Republican ticket. I became a candidate for Governor on whom we will call a dry platform. I am standing on that platform now and intend to continue to stand on it.

When I announced myself as a candidate, I assumed, or tried to show the way, or perhaps, it might be more proper to say, tried to suggest to the temperance people a way whereby they could unite and nominate a man representing their ideas in the Republican primary.

Our Prohibition friends concluded that it would be wise not to register as Republicans, but to organize a convention of their own and nominate a ticket. This, of course, eliminated any possible chance of my nomination, if I ever had any, and this is the reason why I made no campaign in the state except to speak in three places.

The Republicans in this state have expressed themselves as desiring to have Dr. Withycombe, of Benton County, as their standard-bearer in the campaign of this year. I can have no objection, as a Republican or as an individual, to his choice. I have known Dr. Withycombe for 20 years as an able, upright and patriotic gentleman, fully equipped to lead the party in this campaign to victory. No law-abiding man in this state can have any objection to him. No one who believes in law enforcement and the greater development of this state can find any legitimate reason, from the standpoint of a Republican, for opposing his election.

I believe that the Republicans of this state ought to get together and work in harmony to achieve a victory this year, as they should have done in 1908 and in 1910. The result of past actions is that we have a Democratic Governor and two Democratic United

DIAMOND THIEF IS FREED

Salem Police Turn Man Loose Thought to Be Adept Robber.

SALEM, Or., May 21.—(Special.)—A man who gave his name as Jack Reagan and said he was the son of a prominent New York city broker, is called by the Salem police today the smoothest diamond thief who ever operated in the city.

The man visited several jewelry stores and at the last one stole two diamond pins. He was captured as he was about to board a train for Portland.

The pins were recovered and the young man begged to be released. He was fined \$25 in Justice Court, paying \$5 of it himself and inducing a man he never saw before to advance him \$10. Then he boarded a train for Portland promising to return the \$10 when he reached the Benson Hotel, where he declared he was staying. The police are now sorry the man was not detained, for they believe he is a professional diamond thief.

BLUE SKY LAW INVOKED

Ohio Threatens Washington If Advertisements of State Continue.

OLYMPIA, Wash., May 21.—(Special.)—Secretary of State I. M. Howel is threatened with the penalties of Ohio's blue sky law, in a letter from Joseph H. Harper, that state's Commissioner of Securities, because of a series of advertisements he has placed in Eastern papers, calling attention to the possibilities for farmers in this state.

Commissioner Harper, in his letter, advises the Washington official that he must take out a dealer's license if he is to continue advertising in Ohio. Mr. Howel, replying, points out that he is offering nothing for sale, and declines to admit the bearing of the Ohio blue sky law in this case.
