the first nine holes broke all records for the course.

There was no fault to find with the game as played by the former Western open champion, but he was not inspired and his defeat was inevitable.

MacFarlane was five up at the turn and he won, four up and two to play.

In the game between Harold Weber and Captain Cecil K. Hutchison, of the Royal and Ancient Club, St. Andrews, the Scotchman, played better and steadier golf and won on his merits by six up and four to play.

No man plays a phenomenal game twice in succession and there was not much surprise when the conquerer of Evans was himself defeated in the fifth round. Hutchison was also defeated and Harold H. Hilton, holder of the contest in the fourth round by Edward Blackwell, St. Andrews.

Last year Oregon found the going smooth until this stage of the season was reached, and then met its Waterloo at Corvallis. To avoid a repetition of this catastrophe, Coach Bezdek has been bending his efforts

the past week.

Oregon this season has one of the strongest teams ever turned out here. There are perhaps more youngsters who have passed up offers from professional magnates in Bezdek's employ than were ever before collected on one college team in the Northwest. The local fans believe that if the team can weather its coming ordeal, it will have no trouble in defeating Pullman, winner in the Eastern division, in the final series for the conference su-
