

CORONATION ROBES OF QUEEN CHOSEN

Eleven Maids of Honor Will Be Gowned in Varied Hues of Elizabethan Style.

TOUR FESTIVITIES PLANNED

Tillikums Will Take Royal Party on Trip Through Seattle Parks and Boulevards and Big Delegation Will Attend Festival.

The coronation robes of Thelma I. Queen of Rosaria, will be of blue satin, edged with gold, and encrusted with jewels, according to announcement yesterday.

The costumes of the eleven maids of honor will be of different colors, all made in the Elizabethan style, to harmonize with Queen Thelma's. The coronation robes will be made in the Elizabethan style. The train will be five yards long.

Queen Thelma and her maids rehearsed the coronation ceremony in the Army yesterday. Miss Holmgren, who has devoted all her time to preparations for the festival since May 19, when she began a vacation.

Tonight the royal party will be guests of honor at the Baker Theater at "A Fool There Was."

The drill team of the Rosarians, under command of Robert Krohn, will escort Queen Thelma and her party to the depot when they leave next Friday. The Rosarians decided yesterday that they would appear in ordinary evening dress at the charity ball at the Oaks on June 11. They will be distinguished by a rose medallion.

Governor West will proclaim Friday, June 12, a state holiday, according to word received yesterday by C. C. Colt, mayor of the Rose Festival Association. Mayor Albee announced that he would issue a similar proclamation in the city.

Details of the program prepared for Queen Thelma's reception in Seattle have been received.

Among the features arranged is an automobile tour of the boulevards, over 26 miles of asphalted roads, through 59 parks, along Lake Washington and above Elliott Bay. A banquet, trip to the top of the C. Smith story building and other features have also been determined.

As the royal train will reach Seattle Memorial day, it will be able to witness the largest parade in Seattle's history, when military organizations from the coast defend the city.

Queen Thelma and her retinue will participate officially in the day's program, as Mayor Gill and Tour Manager Phil Bates have arranged for the planting of a Portland rose in Pioneer Square, near the famous totem pole.

That Seattle will be represented by an enthusiastic delegation in the Rose Festival on its opening day was assured last night, when C. C. Colt, president of the Festival Association, received notification from the Puget Sound city that the Tillikums had appropriated sufficient funds to insure the attendance at the festival of the entire corps, drill company and many Tillikums.

CITY TO RAISE SALARIES

Lists Being Prepared by Commissioners for Increases.

Although all city employees who have clear records under the city's efficiency rating system are not to be given increases in salary June 1, in accordance with the understanding which has been entered into among the employees, a good many are on the list. They probably will all be before the City Commission at its meeting on June 1.

In Commissioner Daly's department 26 men are to be increased in amounts ranging from \$5 to \$20 a month. A list of men and women in Commissioner Dieck's department will be raised, the list being in course of preparation.

There will be some increases, and also in the City Hall bureau and in the fire and police service. It is estimated that the increases will about offset the \$20,000 cut in the salary rolls made last fall by the Commission.

MEAT LAW UP TOMORROW

Proposed Inspection Ordinance Will Be Made Ready to Pass.

With amendments concurred in by the City Commission, the proposed new meat inspection ordinance, which has been under consideration by the Council for about three months, will come before that body tomorrow for the first and second reading. It will then go over for two weeks for final passage. If passed, it will go into effect in 30 days after that date.

At four public hearings the measure has been discussed from all sides. While all commissioners are not indicated their attitude, it is thought the measure will have sufficient support to pass it. It may receive a unanimous vote.

It is understood that steps will be taken by small packers to contest it, if passed. Whether the contest will be in the courts or in the form of a referendum is uncertain.

VETERAN AIR PILOT WHO WILL FLY AT ROSE FESTIVAL, AND HIS BALLOON.

Captain Berry's Balloon Starting at Kansas City

AIR PILOTS ENTER

Captain Honeywell to Bring Noted Balloon to Portland.

ST. LOUIS BAG WILL FLY

Kansas City Aero Club Also Will Try for \$3000 Prizes in Race as Part of Programme of Rose Festival.

Uncle Sam, a big balloon famous on two continents, and which with a 1200-mile flight from Stuttgart, Germany, to Moscow, Russia, won third prize in a field of 22 entries in the Stuttgart international races in 1913, will be brought to Portland by its owner and pilot, Captain H. E. Honeywell, who will enter in the meet which is to be a part of the Rose Festival programme Thursday afternoon, June 11, under the auspices of the Aero Club of America.

Uncle Sam was built by Captain Honeywell, who has been making flights for the past 12 years. Captain Honeywell has won a large number of trophies and prizes with this big bag. He has made 175 trips in all. Besides his victory at Stuttgart, Captain Honeywell has won long distance and endurance trophies at Chicago, in 1909; at Peoria, Ill., in 1909; St. Louis, in 1909; Indianapolis, in 1909; Kansas City, in 1911 and 1912, and Colorado Springs, in 1912.

Notable Flight Is Made. Among his notable American flights was one from Kansas City, July 27, 1912, in the National races. He had eight competitors and in his Uncle Sam beat his nearest rival more than 300 miles, and covered a total air-line distance of 850 miles, landing in Manassas, Va.

Joseph M. Rieg, in charge of arrangements for the event, yesterday received a telegram from Captain John Berry, another noted air pilot, who will come from St. Louis with the St. Louis Million Population balloon, entered by the St. Louis Million Population Club. Captain Berry telegraphed that he will arrive with the monster bag on June 5 and expects to be in Portland on June 6.

While running down a steep grade in Portland Heights Assistant Health Officer White in a runabout was struck by a big car and serious damage done. The city machine got much the worst of the collision. No one was hurt.

A runaway team smashed into one of the trucks of the water department and broke the radiator and did considerable other damage. The truck will be laid up for a long time. The fire department truck, which was hit by a streetcar several days ago, has been gone over, and found to be in bad shape. It will cost about \$600 to repair it.

Refund of city taxes paid by residents of Sylvan district before the decision of the Supreme Court declaring the annexation proceedings void was demanded of the County Commissioners yesterday by T. C. Humphrey, who advised the board that County Treasurer Lewis had refused to make any refund. All of the taxes in question were paid without protest, the board ruled, and have been distributed to the various funds.

The exact amount involved cannot be determined without a large amount of work that has not been done yet. Before any refund could be made, it would be necessary to determine the exact property included in the Sylvan district, and the assessments levied against it, and then refund the proper amount from each of the funds.

Detectives Coleman and Snow were assigned, at the finding of the body, to establish the identity and possible cause of death. They do not hold a murder theory. They say that death was probably a case of suicide or accident.

Mrs. Townsend, however, still holds to the murder theory. When her father, J. E. Walling, of Marshfield, arrives today, funeral arrangements will be made.

Kansas City Bag Entered. The Kansas City II has been entered by the Kansas City Aero Club, with Captain John Watts as pilot. Captain Watts has 137 trips to his credit, and has been sent abroad twice with entries for the Stuttgart and Paris international races.

By the end of the week Mr. Rieg, in charge of arrangements, hopes to have at least eight, perhaps ten or 12, big balloons from different cities all over the country formally entered for the meet. The start will be made from the old circus grounds at 25th and Quimby streets, Thursday, June 11, at 3 P. M.

BONDSMEN MUST QUALIFY

Judge Cleeton Rules Prospectives Shall Answer Detailed Questions.

Bondsman in probate matters must qualify in the future, Circuit Judge Cleeton has ruled, in the following list of interrogatories which must be answered by all bondsmen before any letters of administration will issue.

In the past prospective bondsmen have only been required to swear that they are worth a specific amount over and above all debts and liabilities and exempted property, according to the amount of the bond required. Each prospective bondsmen will be required to answer detailed questions regarding his qualifications, and if these answers are not satisfactory to Judge Cleeton the bondsmen will be refused.
