CHICAGO, May 28 .- Members of the 126th general assembly of the Presby-terian Church in the United States of

terian Church in the United States of America today went on record as fa-voring a Federal law on divorce. The resolution which was introduced by Rev. A. M. Eelis, of Cairo, HI., was adopted after a determined effort had been made to have the whole subject referred to the committee on Christian life and work for further consideration with instructions to report at the next meeting of the general assembly. Rev. John Timothy Stone asked that the resolutions be referred to the com-mittee on marriage and divorce, but his proposal was voted down. Dr. Eelis then cut off debate by moving the pro-vious question. General Ralph E. Prime, of Yonkers, N. Y., who opposed the Federal divorce law plan, rose to speak, but was declared out of order by Moderator Alexander.

Cultivation Clause Objectionable. Should the President and Secretary Lane succeed in getting a special rule for the consideration of the 20-year bill, they probably will be asked later to advocate another special rule for the consideration of a bill amending the three year homestead law in a way to remove the burden now imposed by the objectionable cultivation clause. But before the Western Congressmen can ask for a second rule, they will have to get together in support of some definite bill amending the home-stead law. gubernatorial elections.
