

"CANDY SHIP" IS HIT Ethel Davis and Baby Dolls Are Fun Makers at Pantages.

ABOARD SCENE IS NOVELTY.

Comedy, Singing and Chatter Turn of Early and Light, Violin Playing of Fisher, Martha Russell's Sketch, Other Acts Please.

Ethel Davis comes back every season to Pantages and finds the electric welcome sign decorating the front door. She brings along her "Baby Dolls," dancing, singing, sprites, who deck themselves in gay attire and flash as an animated and busy "drop curtain" for Miss Davis.

This season she sails into Pantages harbor in "The Candy Ship," a sort of joy-ride aboard a ragtime ship on a motely ocean. Miss Davis is the fairest passenger and, with Lou Davis as captain, pilots the craft right merrily.

Parting Word Given Audience. The novelty of the act lies in its "all-aboard" scene, with the principals dashing down the aisle, grips in hand, beseeching the captain to let them go until they board it. Miss Davis causes great glee when she stops to bid a farewell to various staid spectators in the audience.

Charles Byrnes, a German comedian, and Barney Meyers, an Irish one, contribute a spotlight of fun when they do a burlesque Roman gladiator fight. The act has a closing song, "On San Francisco Bay," with a background showing San Francisco's ferry and it all makes a tremendous hit. Miss Davis' gowns are smart and fresh.

Early and Light, a plump man and a plumper woman, play the company's singing and chatter turn that catches on like chain lightning. They poke gentle satire at matrimony to the tune of all the married folk in the house and end with a "soupe" song that carries a laugh in every line. The man, presumably Early, is always on time with the comedy.

Violinist Plays Classic and Rag. Max Fisher is a violinist who plays gaily along melody roads from Dvorak's "Humoresque" to chicken rag. His music has a lift and lift to it that sets toes a-twitching.

The sketch is unusually worth while. Martha Russell, who sponsors it, is a recruit from the Essanay Company's motion-picture world, where she was their leading woman. Before the opening of the bill a film story, "Neptune's Daughter," is flashed on the screen and a close study is revealed of Miss Russell's methods in silent drama.

Actress Called Pantomime Marvel. When she appears later in the sketch, "The First of June," she is a marvel to keep up her reputation for excellent acting. Naturally, she is a marvel in pantomime and mimicry, and her expressive features and rapidly moving hands tell half her lines.

The sketch revolves about a wife's desperate endeavor to preserve her happiness when a dark cloud from the past threatens. Miss Russell is ably supported by Gordon Hamilton and William Rath. Dodson and Gordon, colored entertainers, work like beavers to whirl through a dancing act that is really sensational. The Essanay Company's comedy when they aren't beating pie out of the floor with their heels.

LOUIS STROS SENTENCED

Assault on Watchman Tim Healy Is Given 10-Year Maximum.

Louis Stros, indicted for assault with a dangerous weapon on Tim Healy, a private watchman in the Portland Heights district, last winter, pleaded guilty yesterday and was sentenced by Judge Morrow to from six months to ten years in the penitentiary. Stros was hurriedly indicted by the grand jury, when he announced that he wanted some action taken, regardless of whether he be released or sent to the penitentiary.

After the indictment he apparently weakened and said he would go to trial. He changed his mind again yesterday and immediately went into court promptly and sentenced.

No action was taken in the case through the months immediately following the assault because of the condition of Mr. Healy. He has not recovered entirely, but is believed to be out of danger.

NEW BRIDGE PLANS FILED

Upper Sandy River to Get Crossway When Bids Are Received.

Plans and specifications for the new steel bridge to replace the one across the Upper Sandy river, which collapsed several weeks ago were filed yesterday in the County Commissioners' office, and bids in accordance with them will be advertised for. The new structure, according to the plans, is to be 277 feet long, consisting of two spans, one 200 feet and the shorter approach span 77 feet long.

Bids for the design and construction of the bridge were advertised for by the Commissioners three weeks ago, but Deputy District Attorney Pierce advised that it would be more expedient to prepare the plans and advertise for bids in accordance with these plans. This plan was followed, even though it required the republication of the notice for bids.

REX ROAD TO BE PAVED

Multnomah Officials Promise Rock for Bad Stretch Near Tigardville.

Assurance that the Rex-Tigardville road would be resurfaced and oiled this summer was made yesterday by Commissioners Hanley and Nyberg, of Washington County, who visited the Multnomah County Commissioners to make arrangements for rock to be used in the improvement. The rock, which will be taken from Kelly Butte and Linnton, will be available, the visiting officials were assured, around December. Yeop, who was present at the conference, advised the Washington Commissioners that he would do anything possible to expedite matters.

This assistance will be given to the Washington County officials because this particular stretch of road has been a big bugbear to auto enthusiasts for several seasons.

15 LICENSES 1914 RECORD

First Day of June Shows Only Fourth of Marriages Year Ago.

One 1914 record was broken yesterday when 10 marriage licenses were issued by Deputies Cochran and De Martini, of County Clerk Coffey's office. This is the largest number issued on a single day since December 31, Deputy Cochran said. On the last day of 1913 22 licenses were issued for new-year weddings. On June 2, 1913, following the first June Sunday, 69 licenses were issued, but this high mark was reached because the medical examination law was to go into effect June 2. More licenses were issued on that single June day last year than all the remaining days of the month. Those to whom licenses were issued yesterday follow:

William C. Herring, city, legal, and Margaret E. Canby, city, legal. George J. Neurer, city, legal, and Therese E. Guild, city, legal. A. C. Smith, city, 24, and Stella L. Taylor, city. Phillip H. CHURCH FUNDS WEAK

Rev. J. S. Kendall Opens Stewardship Conference Here.

TITHING PLAN ADVOCATED

Consideration Is Given Proposed Union College at Philomath for Submission to United Brethren Church Later in Week.

The present weakness of the church is its financial weakness, said Rev. J. S. Kendall, of Dayton, O., in his address yesterday afternoon at the Christian Stewardship Conference, which opened in the First United Brethren Church.

order for the work is passed by the Commissioners, they may declare the improvement a public necessity and appropriate a sufficient sum to pay one-half of the expense. This is discretionary with the Commissioners, but they prepared for this expense in making the tax levy for road purposes. In assessing all the property along the Base Line road for the improvement, each property owner will be required to pay only one-half the amount assessed against his property, the other half being paid by the county after the special appropriation by the Commissioners. It was necessary to make the full assessment against the property, because the law provides that the County Commissioners cannot appropriate any money for hard surfacing the road until after the final order of improvement has been made, which follows the period of remonstrance.

EMPLOYES DANCE GOODBYE

Old Meier & Frank Building Is Scene of Pretty Party.

Under the auspices of the Employees' Association of the Meier & Frank Company, an informal dancing party was held on the second floor of the old building last night. About

East Morrison and East Fifteenth streets. Rev. Mr. Kendall is secretary of the Stewardship Commission of Dayton, O., which seeks to improve financial conditions of the church through better financial plans. He outlined the plans of the Commission, which means the tithing method. Rev. Mr. Kendall pointed out that the old financial methods of the church are wholly inadequate and that the Bible plan is the only successful one.

2000 invitations were issued and the floor was crowded. The party was a complimentary affair, a farewell to the old building. Decorations were of ferns and flags. The arrangements committee consisted of the heads of the departments and their assistants, 77 in all.

CHURCH'S NEED IS TOLD

PLEA FOR BROTHERHOOD MADE BY REV. FRANK W. GORMAN.

Living Contact With Heavenly Father Declared Necessary for Proper Religious Inspiration.

"What about that grinning specter, the white slave traffic," asked Rev. Frank W. Gorman, pastor of the Atkinson Memorial Congregational Church, Sunday, in his sermon on "The Church of Today." "Oh, yes, I know we have hinted at it in our pulpits, but have we laid the ax at the root of the tree? Such lessons as were taught at two Portland theaters during the past week have been an untold blessing to many who could not have learned the lesson otherwise. It is time that the church as a whole began to arouse Christian public opinion to understand the powers and ramifications and the heartiness cruelty of such traffic. The church of today must champion the cause of the oppressed, but she is not the true friend of the poor if she is afraid to point out their crying sins and obvious mistakes. Again, what of this much-misquoted falling off in church attendance? The attitude of the masses in regard to public worship, conventional church-going is to be deprecated, but a revolution is certainly needed in the whole attitude of our people toward God. Only Christianity can bring men into the atmosphere of trust and co-operation."

"I don't want anybody running around in the community begging for me as though I were a pauper," said Rev. Mr. Kendall. "There should be a plan to raise money to cover the pastor's salary and other expenses and then raise it. A great many people imagine that religion means a good time, but I want to say that the discipline of Jesus Christ means self-denial and personal sacrifice. Do you know that our grandfathers gave more to the church, according to their means, than we do today? An ordinance making it unlawful to maintain vacant lots covered with tall weeds or grass will be introduced. Police-men will get the location of all such lots and report to headquarters, after which policemen will serve notice on the owner to cut the weeds within five days. If these orders are not carried out arrests will follow.

WEED FIGHT TO BE WAGED

Commissioner Bigelow Will Father Ordinance Against Unsanitary Lots.

Elimination of red tape in the enforcing of this Summer's anti-weed campaign will be urged by City Commissioner Bigelow, when the question of weed-cutting comes up for consideration by the Council Wednesday. An ordinance making it unlawful to maintain vacant lots covered with tall weeds or grass will be introduced. Police-men will get the location of all such lots and report to headquarters, after which policemen will serve notice on the owner to cut the weeds within five days. If these orders are not carried out arrests will follow.

MEMORIAL DATE IS SET

ODDFELLOWS AND REBEKAHS WILL PAY TRIBUTE TO DEAD.

W. P. Lewis Will Preside at Sessions Sunday in Orient Lodge Hall and Rev. S. A. Star Will Speak.

All the Oddfellow and Rebekah lodges in Portland will join in memorial services for dead members next Sunday at 2:30 P. M. in the hall of Orient Lodge No. 17, at East Sixth and East Alder streets.

Nine Sunday School Diplomas Given. MINNIVILLE, Or., June 1.—(Special.) A class of nine persons received the Presbyterian diploma for completing the teachers' training course in a service in the First Presbyterian Church last night. Rev. A.

Mr. Bigelow said yesterday he will present a plan involving the use of the police star rather than the usual long-drawn-out legal proceeding. An ordinance making it unlawful to maintain vacant lots covered with tall weeds or grass will be introduced. Police-men will get the location of all such lots and report to headquarters, after which policemen will serve notice on the owner to cut the weeds within five days. If these orders are not carried out arrests will follow.

Irrigates the Blood

Knocks Rheumatism

A Remedy That Flushes the Blood from Head to Foot.

to get rid of rheumatism requires that the blood be completely flushed—not a mere makeshift as by salts and pain killers. The long record of S. S. S. is important to every section of the nation. It is the most widely used and most widely talked of remedy there is for all blood troubles. And it is a known fact that rheumatism is primarily a blood trouble. It is conceded by the closest students of the subject that rheumatism is caused in most cases by an acid condition of the blood and aggravated by the remedies commonly used for relief. In other cases rheumatism is the result of nerve depression; in others it is the effect of some vitiated blood condition, having been treated with mercury, iodides, arsenic, and other poisonous mineral drugs. The recoveries of all these types of rheumatism by the use of S. S. S. is a wonderful tribute to the natural efficacy of this remarkable medicine, for it is assimilated just as nature intended, as specific, and just as well ordained as the most acceptable, most palatable and most readily digested food we eat. It is a bottle of S. S. S. today, but insist upon S. S. S. Don't accept a substitute. You will be astonished at the results. Rheumatic Fever

Surrenders to Anti-Kamnia Tablets

In the treatment of Rheumatic Fever many physicians employ purgatives, but Dr. M. P. Reed thinks that a mild laxative is better. When the patient is given calomel in small doses, one-fifth of a grain every hour until he is unable to bear it. Then after four hours he gives the patient a half ounce of citrate of magnesia, with syrup of licorice to disguise the taste, or keeps the bowels open with the mild laxative "Acoloid." The diet should be light, and all animal food should be excluded as far as possible from the dietary. For the pain and fever he has found nothing equal to Anti-Kamnia Tablets, giving two tablets every 2 to 3 hours as required. These tablets may be obtained from all druggists in any quantity desired. Ask for A-K Tablets. Unexcelled for Headaches, Neuralgias, and All Pains. P. S. Skin troubles readily yield to A-K Salve.

PORTLAND CARPENTER CORRECTS BAD COMPLICATION WITH AKOZ

G. W. Mellinger Curbs Rheumatism, Constipation, Prostatic Trouble and Ulcer With New Mineral.

Residing at 428 Arlington place, Portland, has just recovered from a siege of rheumatism lasting 14 years, and corrected constipation, prostatic trouble and a rectal ulcer by using Akoz several months. He writes of his case as follows:

day night at her home after an illness of seven months. Funeral services will be held at Firley's chapel at 2:30 P. M. today. Interment will be at Greenwood Cemetery.

"I have received more good from Chamberlain's Tablets than I believed it possible for me to get from any medicine or treatment. They have cured me of dizzy spells, headache and nervousness."—Mrs. Richard Olp, Spencerport, N. Y.

"I have had chronic constipation for more than 40 years and am getting more relief from the Akoz liver pills than I ever expected to get from any source. I also have prostatic trouble in an advanced stage and am obtaining relief from the use of Akoz ointment, which is also healing a rectal ulcer of long standing. I cannot recommend too highly all the Akoz remedies in all cases for which they are recommended by the company."

Akoz is sold at The Owl and all other leading drug stores, where further information may be had regarding this advertisement.

WIFE OF MILLWRIGHT SUFFERED TORMENTS

Well-Known Lady of This City Found Plant Juice Would Relieve Her of Her Troubles.

The following statement is from Mrs. John Bond, who lives at 815 Clarendon street, Portland. Mrs. Bond's husband is a millwright at the Peninsula sawmills on the Willamette River and has been away from home since he was employed for the past seven years. Mrs. Bond said: "I have suffered torments for years with stomach trouble, my stomach would bloat and have the most distressing and burning sensation; my food did not digest, but would ferment and cause severe pain, my nerves became affected and I often went to bed hungry rather than suffer as I did after eating. I tried everything I heard of without any benefit until I began taking Plant Juice. I have used two bottles of it and it certainly has done me a lot of good. I am now eating what I want and my food seems to agree with me. I sleep good and wake up rested in the mornings. I am recommending Plant Juice to all my friends because it certainly is a great remedy."

BASE LINE ACTION TAKEN

Full Assessment Made, but This Will Be Cut In Two by County.

An order declaring the intention of the County Commissioners to improve the Base Line road from the city limits to the Troutdale road, was passed yesterday and County Clerk Coffey directed to advertise and post notices as required by law. From the first publication of the notice 20 days are allowed for the filing of remonstrances against the proposed improvement. Specifications for the hard surfacing of the road prepared in Roadmaster Yeon's office estimate the expense of the work at \$125,000.77. When the final
