Poor Most Liberal Givers, Says Rev. J. S. Kendall at Meeting.

DOUBLE TITHING IS URGED

Bishop N. W. Castle, of Philomath, to Attend Stewardship Conference of United Brethren Church. Evangelistic Services Held.

"The poor are the most liberal givers to the church, according to their means," said Rev. J. S. Kendall, general secretary, in his second address yesterday morning at the stewardship conference in First United Brethren Church, East Fifteenth and East Mor-rison streets.

Rev. Mr. Kendall deprecated what he called the "cork-screw" method of giving, when money is pulled out of the pockets of the people and said systematic, cheerful, liberal and

systematic, cheerful. liberal and "hilarious" giving is the Bible method. "Assessments paying the preacher and the various boards," said Rev. Mr. Kendall, "is not the true Bible method; It is spasmodic and forced, and not a true offering. In collections we often the buttons pennies and other things. get buttons, pennies and other things.
An offering is a different thing.

during the year, and some worked over time. I wonder how many church members attend church 90 times a year. Not many east of the Rocky Mountains do, perhaps more in the West. That shows it is pleasure people want." "Double Tithing Is Bible Method."

Rev. Mr. Kendall answered questions and emphasized that tithing and double tithing is the Bible method, 10 and 20 cents for every dollar of income.

The stewardship convention will hold another session at 2 o'clock today.

The conference branch of the Chris-The conference branch of the Christian Endeavor Society held a session yesterday afternoon with Rev. H. B. Dorks, president, presiding.

At 9:20 A. M. today the Women's Missionary Conference, in charge of Mrs. Mary Henkle, president, will be in session.

Composers of Song Meet.

Composers of Song Meet.

At the opening of the evangelistic meetings Monday night, after Bishop Bell had preached, a man in the audience arose and asked Professor Bill-horn, the leader, to sing "Step in Any-where." This was done. Mrs. Frank A. Breck, of Portland, who wrote the song, which was based on an incident of the Civil War, was present. Professor Billhorn wrote the music.

It was their first meeting. The attendance at the night meetings is increasing. Bishop Bell preaches each evening.

"We expect to get together on the union college plan," said Bishop Bell yesterday. "We have had some conferences with Dr. Poling, of the United Evangelical Church, and the outlook is hopeful unless we run against an unexpected snag. The United Brethren and United Evangelical Churches have a close relationship. We are using one of their ministers, at Eugene, Rev. Mr. Nueff, and can use others. We shall need some of their men on the faculty of the union college.

"The Evangelical Association Conference decided not to enter the union."

Mr. and Mrs. Frank Fretwell, of Se-

ference decided not to enter the union college plan, but I think it can be arranged anyway. It may be considered Friday at the regular conference."
