

BANKERS OF STATE TO MEET JUNE 15

J. L. Hartman, Secretary of Association, Has Provided Speakers for Sessions.

W. J. BURNS TO BE HEARD

Variety of Topics Will Come Under Discussion and Medford Residents Are Preparing for Extensive Entertainment.

Bankers from almost every county in Oregon will attend the annual meeting of the Oregon State Bankers' Association at Medford, beginning Monday, June 15, when many prominent men will discuss various phases of present day subjects that affect the banking business.

Medford people have prepared a programme of entertainment that will supplement the regular business programme of the convention. J. T. Hartman, secretary of the association, completed the programme yesterday.

An address of unusual interest doubtless will be that of William J. Burns, president of the detective agency that bears his name and famous all over the world for his work capturing criminals and bringing them to justice. Mr. Burns is scheduled to speak on the morning of the first day of the convention on "Modern Methods of Protecting Banks." The Burns agency is employed by the bankers of the country to protect them from burglary.

Ralph D. Hetzel, director of the extension work at the Oregon Agricultural College will speak at the same session on "Aiding Oregon Industries." W. L. Thompson, president of the American National Bank, of Pendleton, who is president of the association, will open the meeting.

McCullough, pastor of the Medford Baptist Church, will offer prayer. Mahlon Furdon, Mayor of Medford, and W. L. Vawter, president of the Jackson County Bank, will deliver addresses of welcome. Lydell Baker, editor of the Pacific Banker, will respond. The remainder of the first session will be taken up with reports of officers and transaction of routine business.

Edgar B. Piper, manager and editor of The Oregonian, will speak at the Monday afternoon session on "Signs of the Times." Other speakers will discuss subjects as follows:

Samuel C. Lancaster, highway engineer, "Columbia River and Pacific Highways"; Charles E. Walters, of Portland, "A National Craze"; William Whitfield, a certified public accountant, "Actual Conditions Versus Borrowers' Statements"; and A. R. Stringer, Jr., of the First National Bank, of Portland, "Banking as Taught by Mail Through the American Institute of Banking."

S. G. Sargent, State Superintendent of Banks, will speak at the second day's session on "Desirable Changes in Our State Banking Laws."

Secretaries of the various groups into which the state has been divided will make their reports at the concluding session.

Among the entertainment features will be automobile rides through the orchard and agricultural districts surrounding Medford, a banquet and a picnic at Chautauqua Park.

PHILIP DATER SLYLY WEDS

City Engineer and Mrs. Edythe Jones Married Thursday.

Without confiding his plans to his fellow employees or acquaintances, City Engineer Philip H. Dater yesterday left ostensibly on a four days' vacation and was married to Mrs. Edythe E. Jones, of 35 Melville Court.

Mr. Dater called one of his fellow officials over the telephone after the ceremony and asked him to inform his associates, including Commissioner Dieck.

The wedding took place at noon at the home of the bride, Rev. T. L. Elliot officiating. The bride was attended by her sister, Hazel A. Mills, of Albany, N. Y., and the bridegroom by E. R. Whitney, of Portland. The bride is the daughter of Mr. and Mrs. Frederic W. Mills, of Albany, N. Y. A short honeymoon to some unknown point out of the city will be taken.

FIREMEN'S FUND \$35,314

Semi-Annual Statement Shows Pension System in Good Shape.

Although many sick and disability payments have been made to members of the fire department under the firemen's relief and pension fund system, the fund is in excellent shape, according to the semi-annual financial statement issued yesterday by City Auditor Barbur.

The report shows a cash balance in the fund of \$24,517.94 and investments amounting to \$10,796.06, making a total in the fund of \$35,314.00. The report shows that during the last six months the receipts were \$2,461.94 and dues from firemen \$2519.82.
