

UNIFORM CITIES SEE QUEEN THELMA

Commercial Clubs and Delegation of Knights Honor Portland Royal Party.

PROCLAMATIONS ARE READ

Invitations Extended to Places Visited to Attend Festival for Week and Speeches Are Made at Luncheons.

LOS ANGELES, Cal., June 5.—(Special.)—A strenuous but delightful program of entertainment was enjoyed by the festival party here today.

Queen Plants Rosebush. Following an hour's motor tour about the city, Queen Thelma and the girls planted a Portland rosebush in Exposition Park.

President Cole, of the Commercial Club, also spoke, touching on the unity of commercial interests. The royal proclamation of appreciation was then read at the request of the Queen by Phil Bates, who invited the people of Los Angeles to Portland for the festival.

At 11 the party was turned over to a delegation of the Knights of the Rose Tournament, who took the girls to Pasadena. An al fresco luncheon was served on the veranda of the Annandale Country Club in Pasadena.

Knights Make Talks. Colonel W. J. Hogan and other knights made informal talks to the girls. Hogan said the Knights of the Rose Tournament was founded especially to return the courtesy of the girls' visit to Pasadena in January, 1913.

LONG BEACH CROWNS THELMA

City and Its People Become Her Loyal Subjects for Day.

LONG BEACH, Cal., June 5.—(Special.)—Queen Thelma and her party left Los Angeles at 3:15 this afternoon, escorted by representatives of the local Chamber of Commerce. A special electric car carried the girls to Long Beach, where a week of the annual festival is in progress.

The party was taken in motors on a short drive through the hills to the top of the historical Signal Hill, where President Rominger, of the Chamber of Commerce, with a sweeping gesture, presented the city of Long Beach to the girls in panorama below to Queen Thelma and the festival girls.

At the command of the Queen, Phil Bates delivered the royal proclamation and invited Long Beach to the Portland festival. Musicians were placed at the command of the Queen, who ordered the harpist to come forth and play.

After the rose programme by the musical artists from all over the coast, a dainty 5 o'clock tea was served, and the girls were given a frolic on the beach and rides on ferry steeds on the beach merry-go-round. Phil Bates rode a bucking goat and fell off.

At 6:30 the party left with a rousing send-off by a crowd of several thousand. The train reached Los Angeles at 7 and morning for San Francisco at 8. Hazel Hoyt was met at Los Angeles by the morning by Division Superintendent Anderson, of the Pacific Telephone Company, who placed a seven-passenger touring car at her disposal for the day.

At a meeting of the Central Labor Council last night the members decided to continue circulating petitions for revocation of the Portland Gas & Coke Company's franchise. The object of the revocation, the members say, is to force the city to get a new franchise from the City of Portland or have the city take over the present plant owned by the company.

Road Site Is Opposed.

ASTORIA, Or., June 5.—(Special.)—The controversy over the location of the proposed section of the Columbia Highway between this city and Sea-

side is becoming heated. It is reported it may find its way into the Circuit Court with little chance of any construction work being done this summer.

Two sets of protests had been filed against the route surveyed by the state highway engineers and approved by W. M. Peters, one of the state engineers, acting as Deputy County Surveyor.

One of these sets of protests applied to the portion of the road between Warrenton and Skipanon. The other was against the route selected between Morrison and West stations, a distance of about three miles. There those protesting, all of whom are owners of property, want the new highway located along the route of the present road.

The County Court made an order today granting the first-named protest, but denying the latter. The granting of the first protest is understood to mean that Warrenton is to be sidetracked.

Before the court order was made County Surveyor Parker filed a report stating that the former report filed by Engineer Peters as Deputy County Surveyor and indorsing the new route was never submitted to him, and asked to withdraw that report and recommended that the present road with minor changes be adopted as the line for the new highway.

Claims for damages amounting to \$33,900 were filed by the property owners. The demands if the new route is adopted. County Surveyor Parker revoked.

On arrival at Los Angeles at 7 the party was met by Secretary Frank Wiggins and a large delegation from the Commercial Club, with their wives. The party was taken to the Hotel Alexandria, where a breakfast of California fruits and melons was served. An informal half hour reception was enjoyed in the lobbies, slogans, rose calls and songs contributing to the gaiety. Rosettes of Los Angeles and Portland ribbons were pinned on the girls by the boosters.

Queen Plants Rosebush. Following an hour's motor tour about the city, Queen Thelma and the girls planted a Portland rosebush in Exposition Park. Mayor Rose accepted the bush with a cordial speech, in which he emphasized the growing spirit of harmony and co-operation between the Coast cities.

President Cole, of the Commercial Club, also spoke, touching on the unity of commercial interests. The royal proclamation of appreciation was then read at the request of the Queen by Phil Bates, who invited the people of Los Angeles to Portland for the festival.

PITS ON BIG FEELINGS OF SLOW

Clear Weather Makes Up for Gloom of Day Before and Through See Fair.

RACES ARE ATTRACTIONS

One Chariot Team Runs Amuck and Circles Track Three Times Before It Can Be Subdued by Racing Horseback Riders on Trail.

UNION, Or., June 5.—(Special.)—The greatest exhibition ever given at Union was held today when the complete features of the Stock Show were put on. The day was cool, and a cloudless sky with warm sunshine dispelled the gloom of yesterday. Five hundred boosters, accompanied by the band, represented La Grande, and Dr. Withycombe rode in the parade.

Bill Hanley, the Progressive candidate from Harney, was one of the guests, while many other noted citizens from the Northwest were present. About 5000 persons visited the grounds. The parade formed promptly at 12:30, and the track three times before the animals were finally caught by horseback riders and subdued. As some damage was done to the cart and harness, that race was postponed until tomorrow.

The relay between Armstrong and Fred Spier was formed by the narrow margin of 20 feet. In the meantime the arena was reserved for bucking contests and stock judging.

It was the best day of all, with many new features and an almost complete change of programme. Owing to the weather Thursday the management decided to continue the show over Sunday. Haines and North Powder will be in the city on that day.
