Weed Ordinance to Be Discussed.

The City Commission will hold a special meeting in the Council chamber today at 3 P. M. to work out definitely the provisions for a new weed ordinance for the Summer months to require the removal of weeds from vacant property. It is the plan to change the old ordinance so as to eliminate red tape in handling the proposition. It is probable the police force will be used in enforcing the weed-cutting campaign on all property owned by persons residing in the city will meet at 6:20 P. M., at Park and

Council Sheks Information.—Because Commissioner Dieck and the city's forms committee failed to give sufficient information on the subject of an amendment to the city's building sufficient information on the subject of an amendment to the city's building code permitting the construction of schoolhouses of slow-burning materials, the question was referred back for further report by the Council yesterday. It is the plan to gather data on the subject from other cities and to prepare estimates to show the difference in cost between fireproof school buildings and those of slow-burning construction.

CITY AUTOS MAY BE DESIGNATED.—To

CITY AUTOS MAY BE DESIGNATED.—To stop the practice of city employes joy-riding in city automobiles, the City Council may adopt the plan of painting on the sides of all cars in the city service the letters "City of Portland."

The letters will be about six inches in height and will be of a color which will stand out clearly. While the proposition has not been decided definitely the Council is favorable to some

GUY E. HOLMAN IS DEAD.—GUY Ed-ward Holman, son of Edward Hol-man, of 362 Second street, died yesterday of tuberculosis at his home. Funeral services parents' home. Funeral services will be held at Holman's chapel at 2:20 F. M. tomorrow, under the auspices of the Masonic order. Interment will be in Riverview Cemetery. Mr. Hol-man is survived by his widow and one son, 7 years old. He was 37 years old. He was born in Portiand on the pres-ent site of the Imperial Hotel Annex. He had been ill for two years.

He had been ill for two years.

FOUR BABY ELE BORN.—When Portland invested recently in four female elk for the zoo at Washington Fark, it apparently got a good bargain, for each of the four animals has given birth to a baby elk, which are now a part of the zoo. One of the babies arrived last week and the other three have been born since Monday. They are all exceptionally healthy looking youngsters and are said to be excellent specimens of the Yellowstone National Park species of elk.

BRIDGES VALUED AT \$2,895,500.—Port-

tional Park species of elk.

BRIDGES VALUED AT \$2,895,500.—Port.
land's bridges are worth a total of \$2,895,500, according to an appraisal completed yesterday by H. W. Holmes, chief of the bureau of highways and bridges. The appraisal was made for the information of the City Council. It is shown that the bridges spanning the Willamette River have a value of \$2,505,000, while other bridges over gulches and ravines in various parts of the city have an aggregate value of \$390,500.

of \$390,500. United Artisans Elect Officers. The United Artisan Assembly of Fair-view has elected the following offi-cers: Past master, Herbert Shute; master, Grant Shaw; superintendent, J.

nate red tape in handling the proposition. It is probable the police force will be used in enforcing the weed-cutting campaign on all property owned by persons residing in the city and a special assessment plan adopted for outsiders.

COUNCIL Sheks Information.—Because Commissioner Dieck and the city's forms committee failed to give sufficient information on the subject.

Sangrael Christian Endeavor Society of the First Presbyterian Church will hold the annual picnic at Peninsula Park, on Monday, June 15. The crowd will meet at 6:20 P. M. at Park and Washington streets, and go out in a body to this beautiful park, where a picnic supper will be served. Preparations are being made for other entertainment and a general good time is being planned.

COUNTY LIGHTING BILL REDUCED.—By

proposition has not been decided definitely the Council is favorable to some such plan. It was referred to Commissioner Dieck and the city's forms committee yesterday.

Archbishop Christie Congratulates Class-Rev. E. V. O'Hara Delivers Address-Rev. Gallagher Tells of Civil Engineering Course.

Archbishop Christie presented diplomas to 15 graduates yesterday from the different departments of Columbia University, awarded medals for scholarships and presented prizes in the elocu-

A programme of music and addresses was given in the chapel. The University Club rendered the opening song, "The Sailor Song." The class poem was read by Carl B. Larson. Louis Knapp

delivered the valedictory. Rev. Edwin V. O'Hara delivered the address to the class. He said that the principal object of an education is to fit the individual for service, for Christian citizenship and for the betterment

Rev. Joseph Gallagher, president of Columbia University, spoke briefly to the class. He said the principal factors in a boy's development are the church, the home, the school and environment.

New Course Announced. Continuing, Father Gallagher said:

"In addition to the college courses which Columbia has for years past been offering her students, the classical, English, history and economic, esical, English, instory and economic, is am gratified to announce the opening of a new course, civil engineering.

"In a young, developing country like the Pacific Northwest, there is a crying need of efficient civil engineers. Construction of buildings, roads, bridges and various other branches of industry are necessarily the essence of industry are necessarily the essence of material progress. But without the di-rectorship of the civil engineer, not one whose eye only is trained to the tranwhose eye only is trained to the tran-sit, but whose perception is keen to the harmony that should exist between man's work and nature's work, this beautiful Pacific Northwest, God's su-perb masterpiece in nature, will be marred and scarred by the blunders of 'land-butchers' and other incompetents.

English diplomas in the High School department were awarded to Louis Knapp, Port Orford, Or.; Daniel Wilson, Rnapp, Port Orford, Or.; Daniel Wilson, Portland; Carol B. Larson, Boise, Ida. Engineering diplomas in the High School department were awarded to El-don J. Daly, Ketchikan, Alaska; Alex-ander Peabody, Seattle. Diplomas in the general High School were awarded to Robert Collins, Port-land; Herman Cook, Portland; William

Mervin Phelan, Portland. Commercial certificates in the High

Archbishop Christic, for the student having the best record in one of the regular courses in the High School department, was awarded to Leonard Larson, of Boise, Idaho.
