Progressive Chairman Charged With Hostility to Labor.

LETTER SENT TO COLONEL

Amos Pinchot Tells Roosevelt in Confidential Letter Just Made Public That Party Must Rely on Itself to Incubate.

NEW YORK, June 10.—That the Progressive party is greatly handicapped by having as the chairman of its executive committee George W. Perkins was declared by Amos Pinchot in a confidential letter to Colonel Roosevelt in a letter which Pinchot made public today.

First, an element in our party leadership, headed by George W. Perkins, favors the protection of private monopoly in American industry, and since the party's formation has been taking active steps to commit the party to that policy.

Mr. Pinchot says that Mr. Perkins' name has been signed to resolutions of the steel corporation declaring against organized labor within its plants and that Mr. Perkins' views on the most critical issues between capital and organized labor coincide closely with those of John Rockefeller, J. P. Morgan, and John D. Rockefeller.
