

TOLLS REPEAL NOW IN WILSON'S HANDS

House Accepts Senate Amendment Reserving Hay-Pauncetote Treaty Rights.

VOTE RECORDED 216 TO 71

President Expected to Sign Measure Monday, Just Little More Than Three Months After Request.

WASHINGTON, June 12.—Only President Wilson's signature is necessary to repeal the clause of the Panama Canal act exempting coastwise shipping from tolls.

Signature Expected Monday. The President is expected to sign the measure Monday.

Before ending the contest by concurring in the Senate amendment, the House voted down, 174 to 108, a proposal advanced by Representative Moss, of West Virginia, to attach to the repeal a flat declaration of the rights of the United States to exempt its vessels from the tolls, and of the sovereignty of the United States over the Canal Zone.

Underwood Criticizes Surrender. In the course of the discussion today there were flashes of heat in the debate.

Representative Glass, of Virginia, attacked the Democratic leaders who opposed the measure. He denounced the "outrageous assaults made on the President by the Republicans and expressed indignation at the leaders of the Democratic side who have asspersed their own colleagues because they would not follow them into the camp of the Republican party in advocacy of a Republican doctrine."

Score of Democrats Opposes. Twenty Democrats voted against the motion to concur in the amendment. They were: Brocken, Broussard, Conroy, Deltick, Donohoe, Driscoll, Dupre, Estopinal, Fitzgerald, Gallivan, Harrison, Kitchin, Lee of Pennsylvania, Mitchell, O'Leary, O'Shaunnessy, Patten of New York, Pellan, Raker and Reilly of Connecticut.

Thirty-seven Republicans and three Progressives joined the Democrats in support of the motion. They were: Republicans—Bartholdt, Barton, Britten, Burke of South Dakota, Butler, Davis, Dillon, Frear, Gardner, Gillett, Good, Green of Iowa, Greene of Vermont, Hamilton of Michigan, Hamilton of New York, Hauge, Helgeson, Humphrey, Johnson, Kinkaid of Nebraska, La Follette, Lenroot, McKenzie, Madden, Mann, Morgan of Oklahoma, Nelson, Platt, Prouty, Slamp, S. W. Smith of Michigan, Steenerson, Stevens of Minnesota, Sutherland and Volstead. Three Progressives, Lindbergh, Ruppel and Thomson of Illinois, voted for the motion.

BORAH TRIES STRATEGY

Senator Offers Homestead Bill as Amendment to Radium Measure.

OREGONIAN NEWS BUREAU, Washington, June 12.—Finding the Administration had omitted his homestead bill from its conservation programme, which is to be taken up in Congress next week, and learning the Administration is more concerned over the radium bill than any other bill on the programme, Senator Borah today offered his homestead bill as an amendment to the radium bill and will make an effort to force its adoption in that form.

Senator Borah's bill, which once passed the Senate, provides that in lieu of cultivation homesteaders may establish their good faith by making improvements on their homesteads to the extent of \$150 an acre.

Dining Car on Santa Fe Limited, Containing Passengers, Demolished.

SAN BERNARDINO, Cal., June 12.—Two passengers were killed tonight and seven injured, some of them probably fatally, when the eastbound California Limited of the Santa Fe struck the rear end of a freight train at Bagdad, Cal., 160 miles east of here, at 7:45 P. M.

Most of the dead and injured were in the dining car, which was demolished. The freight train was entering the yards at Bagdad when the Limited struck its rear end, demolishing the two front cars of the passenger train.

A relief train left Barstow soon after another, due to leave here at midnight and it is reported a third is on its way from Needles.

Suffragettes Show Determination by Setting Fire Lighters Saturated with Oil in Prominent Places.

LONDON, June 12.—Unusual determination was shown by suffragettes today in their efforts to destroy by fire the ancient church of St. Margaret, at Chiftest, 14 miles southeast of London.

The church dates from the 12th century. The pulpit was somewhat damaged and the woodwork in one of the vestibules suffered. However, the rector, Rev. William H. Stone, and villagers extinguished the flames before much damage had been done.

DELEGATES RATIFY PACT

(Signed using words) denoting the constitutional form of succession as a part of the protocol, are satisfied because it does not deny Huerta's right to name as Minister of Foreign Affairs the man chosen here for Provisional President, if the latter sees fit to accept designation from him.

It is not considered probable, however, that Huerta will be named as Provisional President, who is likely to be a constitutionalist, would take the executive power directly from Huerta but he might do so from some other individual whom Huerta might leave in authority.
