#### Further Disorder Forbidden

The remainder of the day was spent in parading the streets until the members of the newly-appointed executive committee of the insurgent miners, constituting themselves a law and order committee, informed the agitators that no more disorder would be tolerated, and succeeded in dispersing the gathering, the miners going to their homes.

A delegation visited the three newspaper offices and demanded that no further mention be made derogatory to the L W. W. and that the words "mob" and "rioters" not appear in any newspaper story.

#### Mine Managers Concede.

Blackrock mines have agreed that the cian. Western Federation card system shall be discontinued and with this under standing several hundred men returned to work today at these mines. A full night shift has signified its intention Authorities Forced to Intervene at of resuming work.

Governor Sam V. Stewart will arrive in Butte late tonight from Helena to investigate the situation. Calls have but the general sentiment is opposed to bringing troops,

The belief is prevalent that the situation is under control.

No arrests have been made in conhome this morning by dynamite.

#### Dynamiters Not Found.

The home of P. K. Sullivan, an official in the local union of the Western Federation of Miners, which was dynamited at 2 o'clock this morning, was badly wrecked, but Sullivan, his Carpenter, Trying to Hit Clerk, Falls wife and three children were uninjured.

The police have been unable to find one of the miners that was reported last night to have taken \$30,000 from the federation safe after it was dynatance.
