today. The executive sessions will continue at intervals until Tuesday, when the general conference will be open for public discussion of all questions. One of the important questions expected to come before the conference is that of affiliation with labor unions. In the past this has been advised against, but the question will come up for decision as to whether such affiliation is advisable in strong organized communities. Attendance at county fairs where carnival features exist is adversely reported upon and it is anticipated that the report will be approved. J. H. Stover, of Chico, Cal., addressed a general assembly taking for his topic "The Ministerial Obligations." Frank Fisher, of Mexico, Ind., was elected moderator. Other officers elected were: Reading clerk, L. W. Taylor, Vancouver; writing clerk, J. A. Dove, Daleville, Va.; messenger, J. P. Zimmerman, Seattle; assistant messenger, M. Clyde Horat, South Bend, Ind.

Optimistic Citizens Say They Have Largest Per Capita Payroll in Oregon—Place Popular as Bathing Resort—Railway Is Planned.

BY ADDISON BENNETT.

BANDON, Or., June 18.—(By Staff Correspondence.)—"Bandon by the Sea" is what the people like to have their town called. I mean their city. Bandon is no longer a hamlet, village or little town. It sure is "by the sea." It also is on the Coquille River. I can step out on the back porch of the Gallier House, where I am stopping, and hurl a stone almost into the ocean. By the street it is not more than 150 yards from the hotel to the inner end of the jetty.

BAKER COUPLE ELOPES

NOTE INSTEAD OF SUPPER GUESTS PARENT OF BRIDE.

As Geneva Engum and Claude Dwight Jones Are of Age, Prosecutor Tells Father to Bestow Blessing.

BAKER, Or., June 18.—(Special.)—When the father of Miss Geneva Engum, of Richland, arrived home for his supper last night he found no supper, but instead a note from his daughter telling him that she and Claude Dwight Jones had eloped, and that they would be well on their way to Prairie City by the time he read the note.

Mr. Engum today called the District Attorney to see what could be done to prevent a marriage.

It appears that the young woman came to Baker about two months ago and met and fell in love with a prosperous young farmer of the Baker district. The young man then called at her father's ranch about a month ago, but the father did not approve of the match and said so.

Mr. Jones got a marriage license Tuesday, drove to Richland in an automobile yesterday morning and then fled with the young woman, and are both the contracting parties are of

THE WILEY B. ALLEN CO.

A Musical Institution and What It Offers You

It has always been our aim to provide our patrons with the widest possible selection of musical instruments of standard quality.

We have steadily sought to include in our line the most advanced products, thereby affording our patrons the best possible opportunity for selections and comparison, as well as the assurance of prices that are the lowest possible for a given quality.

In both Pianos and Player Pianos our stock is unique, in that it comprises more recognized first-grade makes than can be found in the store of any other firm on the Coast—in a range of prices that excludes neither the pinched purse nor the one that can buy the most expensive of all.

Our terms are such as to meet all reasonable wishes and enable everyone to own the instrument they choose. Used pianos accepted in exchange at fair valuation.
