termination tonight by the arrest of John B. Whaley, foreman of the jury investigating the case, on the charge of having killed the girl.

Whaley was traced by a plece of broken glass picked up on the scene which fitted perfectly the broken headlight on his automobile. The foreman was taken from the jury box to the prisoner's bar and under the circumstances all bail bonds proffered were refused.

refused.

After killing the girl, Whaley drove on at great speed and escaped detection, it is alleged. On leaving the garage he was served with a summons to act on the Corener's jury and was elected foreman. The entrance of de tectives in the progress of the inquest and the arrest on a charge of man-slaughter caused a profound sensation.

# VANCOUVER WILL PICNIC

Next Wednesday.

VANCOUVER, Wash., June 21.—Special.)—The City of Vancouver practically will be geserted Wednesday, when all stores and business places will close so that the owners and clerks may attend the annual merchants picnic and outing. The Steamer Bailey Gatzert has been chartered and will leave the Northern Pacific dock at 8:25 A. M. The run to the Lower Cascades will be made, where a few hours will be made, where a few hours will be passed in sports, a baseball game between the grocers and the butchers and a lunch.

He left Portland to attend the wage conference between 12 officials of rall-roads having a total of 140,000 miles weet of Chicago, and about 125 representatives of engineers and firemen of these roads. The conference came to an end three weeks ago, when the representatives of the employes rejected to put the issue to vote of the engineers and firemen themselves.

The result of the negotiations is to be made known to the railroad officials at another meeting in Chicago July 14. Mr. Campbell will leave Portland about July 10 to attend this conference.

"We feel, so far as the railroads are concerned," said Mr. Campbell and M
