

STANDARD MAY BE SET FOR SCHOOLS

Committee Appointed at Meeting of City Superintendents Files Reports.

ACTION SET FOR JULY 18

Provision Made for Various Classifications of Higher Study With Aim of Adding to Efficiency of State's Institutions.

SALEM, Or., June 24.—(Special.)—Rules for the standardization of the high schools of the state, which, if adopted, will increase their efficiency greatly, have been submitted to Superintendent of Public Instruction Churchill, and it is believed they will be adopted by the State Board of Education, which will meet in this city July 18.

At least three teachers shall be required to devote their entire time to high school work under the rules, and any teacher employed in a standard high school of the state shall be a graduate of a standard college or university, as defined by section 13, 1913 edition of the Oregon school law.

The rules, in part, are as follows: "A standard high school shall follow the state course of study except in districts of the first class, whose course must be approved by the State Board of Education."

There shall be at least \$300 wisely invested in apparatus for teaching science, apportioned as follows: Physical geography, \$75; biology, \$75; physics, \$150.

The library must contain a minimum of 250 books, which are, or have been, included in the State School Library List, Part II.

Three-Year Course Specified.

Requirements for three-year courses: "Two teachers shall give full time in high school work, where more than four subjects each year are offered; or one teacher shall give full time and another at least half time."

All teachers of three-year accredited standard schools shall give full time in high school work, or be the holder of a five-year state certificate in Oregon, or a special Oregon life certificate, or a special certificate for special subjects issued in accordance with sections 14 and 20, 1913 edition of the Oregon school laws.

The course of study shall be as prescribed by the State Board of Education.

There shall be at least \$300 wisely invested in apparatus for teaching science, apportioned as follows: Physical geography, \$75; biology, \$75; physics, \$150.

One and Two-Year Courses Set Out.

Requirements for one and two-year courses: "A teacher doing two years of high school work cannot teach in the grades. A teacher doing one year of high school work would be permitted to teach all of the work in the seventh and eighth grades also."

The length of the recitations in a one or two-year high school year will consist of at least 22 weeks.

There shall be at least \$150 wisely invested in apparatus for teaching science, apportioned as follows: Physical geography, \$75; biology, \$75.

BUTTE MINERS QUIETER

(Continued from First Page.) The crowds in the streets to fall back when the fuses were lighted.

No attempt was made by civil authorities to stop the rioting. Mayor Duncan expressed the opinion that more serious trouble was averted by not making arrests. Charles Henderson, ex-Sheriff, as chairman of a citizens' committee, went to the police station at 1 o'clock this morning and complained of the inactivity of the police.

County Attorney to Investigate.

J. J. McCaffery, County Attorney, announced he would investigate the riotous actions of the crowd last night and that if he obtained evidence he would prosecute. C. C. Cole, a miner who worked last night, asked the County Attorney to issue a warrant for the arrest of President Moyer on a charge of murder.

used to sign members for the new union formed Sunday. They declared that they had no part in the trouble last night and that they counseled peace. The saloons, which were closed as soon as the shooting began, are to remain closed until further orders from the Mayor.

Sheriff Driscoll denied today that he had deputies in the union hall last night or that any of his deputies fired into the crowd.

Governor Wants to Aid Peace. Governor Stewart tonight offered state aid in bringing about peace here in a telegram to President McDonald, of the new union of Butte miners. The message follows: "The state administration stands ready to assist in bringing about peace and harmony between the different factions of the miners in the Butte district. Can we aid you in preparing plans for arbitration or in any other manner? We will be glad to confer with you or your representatives and will cheerfully assist you in any solution of the difficulties if it is within our power."

President McDonald replied as follows: "Thanks. We need no assistance. Disturbing element gone from here. Whole thing caused by Moyer and men."

BROWNVILLE, Or., June 24.—(Special.)—Pioneers from Minn and adjoining counties will celebrate their 26th annual reunion here tomorrow, Friday and Saturday.

C. H. Moyer.

who shot from hall. Will keep you posted. Organization of vigilantes will be perfected tomorrow, according to a call issued tonight. The vigilantes will seek to protect their homes and property and also will take measures to have the city administration resign. If the resignations are not delivered it is reported, impeachment proceedings will be started.

Moyer Says He Will Return.

President Moyer, of the Federation, said tonight over the telephone from Helena that he intended to return to Butte. He did not specify any particular date for his return, but he declared that when he did return he would expect protection from county and city authorities.

Dynamites Imported, Says Leader.

Mr. Moyer denied that he had asked Governor Stewart to send troops. He said he advised the Governor of the real situation in Butte. "I told the Governor," Mr. Moyer continued, "that the men who were demanding my life and that the men who dynamited the hall were not the rank and file of the union miners. I told him the men were brought to Butte for the purpose of dynamiting and that there are many men of their type in Butte."

PHONE WAGE STUDIED

WASHINGTON TO HAVE HEARING ON PAY TO "HELLO GIRLS."

Delegates to Conference Are Picked for Meeting Friday to Discuss Rate to Be Fixed.

OLYMPIA, Wash., June 24.—(Special.)—The Washington Industrial Welfare Commission will enter a pioneer field Friday when it convenes a telephone minimum wage conference.

The minimum wage established for each industry in this state, \$10 for stores, \$9 for laundries and \$8.90 for factories, is higher than the rate for the same industries by the Oregon Commission.

BANQUET ENDS MEET

Downpour Mars Last Day of Merchants' Convention.

J. L. STOCKTON RE-ELECTED

Automobile Tour of Grande Ronde Valley and Wild West Show Are Cut Short by Inclement Weather.

SALOON MAN TO DEFY CITY

F. Cramer Says He Will Keep Place Open—5 in Rainier Close Today.

RAINIER, Or., June 24.—(Special.)—Rainier's saloons, with the exception of one, will not reopen at 6 o'clock tomorrow morning. Fred Cramer says he will defy the City Council's action demanding that all six places close their doors.

Judge Gatens, acting in the absence of Judge Aiken, of the district today issued an injunction restraining the Rainier Council from interfering with Mr. Cramer's saloon.

Immediately following this move Attorney Baker, of Salem, acting for Rainier, called on Judge Gatens, who admitted that he had issued the restraining order without reading it. The Council met tonight and tried to reach some sort of an agreement but without success. A resolution granting permission to the other five places to stay open until the present injunction was dissolved or a satisfactory settlement was reached failed of adoption.

The Council will meet again tomorrow night. In the meantime Mr. Cramer will continue to do business, he says, "at the old stand."

FOUR LOST IN ARCTIC GALE

Dories Blown Away From Fishing Vessel in Bering Sea Banks.

SEATTLE, Wash., June 24.—Four sailors lost in dories in an Arctic gale from the Seattle codfishing schooner Fanny Dutar, are told in a letter received here today from Captain John Grotle, of the schooner John A. The Dutar was fishing off Silme Banks, in Bering Sea, on May 18, the letter says, when a northeast gale swept down on the vessel. Three of the dories were unable to return to the ship. Each had two men aboard. Of the three one was picked up by the boat boat Kenmore in False Pass, Bering Sea. The two men in it were weak from exposure and lack of food. The fate of the four men in the two missing dories is unknown.

Captain Grotle said Bering Sea has been swept recently by the worst gales he has seen in an experience of years.
