# MEN CELEBRATE ON WAY BACK TO CELLS PICNIC NOT HURT BY RAIN

Band Escorts Convicted Dynamiters, Who Are Guests of Ironworkers' Union.

RECEPTION HELD JOLLY

Kansas City Workers Declare Half-Hollday for Occasion-Twelve Present Themselves at Prison to Resume Terms.

LEAVENWORTH, Kan., June 25 .-Twelve structural iron workers convicted in the dynamite conspiracy cases, whose application for pardon was de-nied by President Wilson Wednesday. returned to the United States prison at 10 o'clock tonight to serve out sen-tences interrupted when they left the

KANSAS CITY. June 25.—Seventeen of the men convicted in the dynamite conspiracy cases, of whom four were the ones to whom President Wilson extended clemency, spent the day here as guests of the local iron workers' union. Twelve of the men were on their way

The local Iron Workers' Union de The local from workers Union de-clared a half holiday and requested all the members to gather to say good-bye to their convicted comrades. As the convicted men arrived, one by one, there was no suggestion of the reason of their visit.

Crowd Apparently Jolly.

Their tanned cheeks told stories of lives spent in the open, and jovial smiles suggested rather men starting on a holiday than on their way to prison. It was a jolly, happy, good-

must serve three years, they were attacked by sympathizers of the union men. Their camera was broken and they were forced to flee.

The third annual pionic and booster meeting of the people of St. Paul and this part of Marion County drew a large gathering and a heavy rain storm. The rain record was sustained, it having rained on each of the previous occasions, interfering with the programme of sports.

Judge P. H. D'Arcy, of Salem, acted as chairman of the day for the Commercial Club. Woodburn Moose Lodge, with a fife and drum corps, was a feature of the day's events. The St. Paul band furnished music.

ture of the day's events. The St. Paul band furnished music.
Judge William Galloway delivered the principal address. Other speakers were David H. Allen, Thomas Brown, of Salem; J. S. Brentano, of St. Paul. The Portland Commercial Club was represented by J. E. Werlein. D. C. Freeman, of the Oregon Electric, was also on the programme of speakers.

Mr. and Mrs. Eugene Davidson and Mr. and Mrs. Alois Keber entertained parties of friends and visitors from Salem, Woodburn and Portland.

disclosed so far as possible in a general programme, in its particulars as well as in its general features. And the Administration proceeded to carry out this programme.

Tariff Water Looks Cold.

"First there was the tariff, and busi-

#### MITCHEL WOUNDS FRIEND New York Mayor's Pistol Accident-

ally Shoots ex-Senator.

NEW YORK, June 25 .- W. H. Reynolds, an ex-State Senator, was shot and painfully, if not seriously, wounded last Saturday by the accidental discharge of Mayor Mitchel's pistol, according to a statement today by the

Twelve of the men were on their way to the Federal penitentiary at Leavenworth, Kan.

Men Escorted by Band.

Escorted by a band and 250 members of the Iron Workers' Union and representatives of every labor union in the city, they were taken through the streets in motorcars, and afterward were guests at a dinner at a hotel.

Before going to prison the convicted men made merry. Not by word or look did they betray the fact that after today they will be imprisoned, one to serve a term of seven years, others for six and four and three and two and one year and a day.

The local Law West.

Band Concert Set for Tonigh.

The Portland Municipal Band will play tonight, weather permitting, the programme of music, at Peninsula Park, which was to have been played last night, the particulars of which were announced in The Oregonian.

Better a woman who refuses to let a man smoke around the house than one who buys him a highly crnate smoking jacket and invites visitors to look at him!

Yet when two newspaper photog-raphers tried to take a picture of W. that much of it is used in the manufac-Bert Brown, the Kansas Cityan who ture of insecticides.

Brought to End.

"First there was the tariff, and busi-

ness shivered. 'We don't like to go gramme.
in; the water looks cold.' But when the going to tariff had been passed it was found that the readjustment was possible without any serious disturbance what-Then men said, with a sense of relief. Well, we are glad to get that behind us and it wasn't bad after all. "Then came the currency reform.

Then came the currency reform.

You remember with what resistance, with what criticism, with what systematic holding back, a large body of bankers in this country met the proposals of that reform, and you know how, immediately after its passage, they recognized its benefit and its beneficence, and moreover since the passage of that reform bankers throughout the United States have been congratulating themselves that it was possible to carry out this great reform upon sensible and solid lines.

Then we advanced to the trust programme and again the same urgency in that the thing should be postponed. It will not be postponed, it will not be postponed, because we are the friends of business. We know what we are doing; we purpose to do it under advice—for we have been fortunate enough to obtain the advice—of me who understand the business of the country; and we know that the effect is going to be exactly what the effect is going to be exactly what the effect is going to be exactly what the effect of the currency reform was, a sense of relief and of security.

Unprecedented Boom Predicted.

The Panama Loan Office turned over the currency of the paramate is the programme is the should and reason to be thankful."

In the course of the day the President abundant reason to be thankful."

In the course of the day the President had received a letter aigned by Champ Clark of the House and all the Democratic Representatives from Missouri pledging him their support in his campaign for anti-trust legislation and promising they would remain in Washington until the programme was finished. He replied expressing thanks and appreciation.

Washington until the programme of Stealing Pawn Ticket for Ring.

ALLEGED THIEF ARRESTED

James Rosenberg was arested by Detective Royle yesterday while trying to pawn a \$100 diamond ring he is alleged to have obtained on a stolen pawn ticket.

Mrs. R. C. Clark reported to the policy of the currency reform was, a sense of relief and of security.

will be a boom of business in country such as we have never wit-nessed in the United States.
"I, as a friend of business and a servant of the country, would not dare

PICNIC NOT HURT BY RAIN

St. Paul Celebration Draws Large
Crowds in Spite of Weather.

ST. PAUL, Or., June 25.—(Special.)—
The third annual picnic and booster meeting of the people of St. Paul and large gathering and a heavy rain storm. The rain record was suntained it having rained on each of the programme of sports.

Judge P. H. D'Arcy, of Salem, acted as chairman of the day for the Commercial Club. Wooddurn Moose Lodge, with a fife and drum corps, was a feature of the day's events. The St. Paul band furnished music.

Brought to End.

The staff and drum corps, was a feature of the day's events. The St. Paul band furnished music.

The diff and drum corps, was a feature of the day's events. The St. Paul band furnished music.

The staff and drum corps, and therefore and the first programme and bring on another long period of agitation. Agitation and it to the business of this country, and therefore I am sure that it is beginning to be evident to the whole press of this country and by the same token to the programme is at last not only to be proposed, but completed, and that when it is completed business to longer continued agitation and to the business of this country, and therefore I am sure that it is beginning to be evident to the whole press of this country and by the same token to the proposed, but completed, and that when it is completed business can get and will get what it can get in no other way—rest, recuperation and successful adjustment. successful adjustment.

Certainty of Justice Essential. "I cannot get rest if you send me to

Sorted to the use of the weapon when was attacked by Becker and dragged down the road from where the original literactino occurred.

"It cannot got rest if you send me to be dwonderling what is going to happen to me in the morning; but if you send me to bed knowing what the course of business is to be tomorrow morning I can rest. How much better is certain justice to the men engaged in business? "It is extent of large public policy to do what this Congress I am now certain is going to do, finish the programme. And I do not think that it is going to take a very long time. I believe that the temper of those engaged in this great thing is admirable, that the various elements, sometimes in antagonism, in the Congress of the United States are drawing together and that the various elements, sometimes in antagonism, in the Congress of the United States are drawing together and that two shall witness an early statesman-like result for which we shall all have abundant reason to be thankful."

"In the course of the day the President had recover the states and Attact the various elements, sometimes in antagonism, in the Congress of the United States are drawing together and that the various elements, sometimes in antagonism, in the Congress of the United States are drawing together and that the various elements and the case for the state and Attact which we shall all have abundant reason to be thankful."

"Michiganders" Can Buy Lunches at Cantella to make any many the course of the day the President had recovered the theory that Campbell went to the several deposition relative to the several deviation of the first Nationalists in the House of the first Nationalists in the House of the Premier defined to make any many and the case for the state and Attact when the course of the day the President to make any many and the case for the state and Attact when the course of the day to take special of the Premier defined to make any of the "Where I Mental Premier deven the programme to the courted the theory that the street of th

Unprecedented Boom Predicted.

"Because when the programme is finished, it is finished; the interrogation points are rubbed off the slate; business is given its constitution of the ticket, say Detectives Price and Mallett, who investigated the case, business is given its constitution of freedom and bidden go forward under that constitution. And just so soon as it gets that leave and freedom there

d, sumed in the argument of the opposing storneys.

The defense advanced the theory that Campbell did not shoot Becker because of any trouble between them, but resorted to the use of the weapon when he was attacked by Becker and dragged down the road from where the original
