THE LAST DAY to See the Actual Making of Carpets on the Whittall Loom
If it were possible we should be glad to keep this unique exhibition longer, but other engagements preclude the owners extending our time. The interest manifested in this educational exhibit has been intense, and we feel well repaid for our efforts, as does the representative of the Whittall Mills.
Today (Saturday) is the last day of the exhibition, which is being held in the Yeon building, Alder St., 10 A. M. to 5 P. M.
