Captain of Venice Team Says Beavers Will Finish Second, Venice First.

Manager Mack Again Shows His Baseball Instinct by Working and Winning With Righthander in Opener.

will be the first division clubs in the opinion of Dickey Bayless, captain of the Venice Tigers, which opened an eight-game series against Portland yesterday with a drubbing.

"Portland is the club we fear most," remarked Captain Dickey. "Mack has a bunch of batters who figure to win a lot of ball games in any league.

"Our pitchers have been going very well and the same is true of Los Angeles. Both the Southern clubs have eles. Both the Southern clubs have strengthened considerably over last year, in my judgment."

Sayless does not figure San Fran-sco to last long in the first division, and from their antics of the past fortnight, his view is highly tenable.

"We did as well as anybody could expect on a foreign trip." With this declaration, Walter Me-Credie brought his champions back home yesterday afternoon for a three weeks' visit. Walt is not planning further alterations of his machine, but will trust to the god of luck the rest of the going.

of the going.
"Pape's arm is all right," said he, in reply to a questioner. "I yanked him down South because of wildness, but he'll be there strong when we need him late in the Fall."

With the exception of Walt Donne, the Beavers will made physical are.

the Beavers are in good physical con-dition. Donne is nursing a dislocated finger, but will be back in harness within a week.

Evans doubtless will work today Evans doubtless will work today. Captain Rodgers wanted to start him in the opener, but Manager Mack decided to use a right-hander, as nearly all the Tigers are right-handed hatsmen. Despite the opening defeat, Happy Hogan is brim full of confidence. He thinks Venice will win the nearest thinks Venice will win the pennant with ease, Hap brought his entire fleet north, including both Johany Kane and Speck Harkness, who were on the hospital list on the initial trip north.

The Federal League isn't drawing enough to pay the caddles, according to W. W. Metzger, business manager of the Portland club, who is back from a two weeks tour of the East. "We took in a Federal game at St. Louis and there weren't 600 people out," asserted Mr. Metzger yesterday. "Indianapolis had out exactly 300 the day we were there, and the Kansas City American Association is outdraw-ing the Feds eight to one.

When in Chicago Mrs. Metzger and myself attended two games at the White Sox park and two at the Fed park. One Saturday we jumped from the Sox to the Feds and found the count in Comiskey's park to be 7500, as against 1200 for the outlaws. "Joe Tinker admits they are not
