Tennis Nothing can be too good for the real tennis player. Balls and racquets, shoes and clothing are vital to his game. He believes in playing to win and having the things that will make him win.

But each one chooses his playing tools with an eye to individuality. It is this difference of view point that makes it possible for various good manufacturers each to serve his own market.

Tennis players find the best guide to reliable dealers in their particular supplies in the advertising columns of The Oregonian.
