RELIEF FROM DYSPEPSIA. All conditions of depressed vitality tend to disturb the processes of digestion. There is not a disturbed condition of life that may not affect digestion. Few causes of indigestion are so common as thin, weak blood. It affects directly and at once the great processes of nutrition. Not only is the action of the gastric and intestinal glands diminished, but the muscular action of the stomach is weakened. Nothing will more promptly restore the digestive efficiency than good red blood. Without it the normal activity of the stomach is impossible. This, for people who complain of indigestion must improve the condition of their blood to find relief. The most active blood-builder in such cases is Dr. Williams' Pink Pills. They make rich, red blood which quickly restores the digestive organs to their proper activity and the first result is hunger. The dyspeptic who has hated the sight and smell of food now looks forward to meal times with pleasurable anticipation. Care now in the selection and quantity of food will put the patient well on the road to health. A diet book, "What to Eat and How to Eat," will be sent free on request by the Dr. Williams Medicine Co., Schenectady, N. Y. All druggists sell Dr. Williams' Pink Pills.—Adv.

7 KIDDIES MAKE HIT

NOVEL SONG AND DANCE ACT IS HEADLINER AT EMPRESS.

Bert Savoy and James Brennan Furnish Comedy Stunts—Ice Skate Dancers Please—Others on Good Bill.

Right down from the flies drop seven big red hearts onto the Empress stage when headline-act time draws round.

In the middle heart a youth balances himself and starts the singing. They dance, too. None of the names are on the programme, more's the pity for those who were to top the girls in particular.

Another girl puts her head out of a hole in the tent and sings "Of With the Old Love" in a beautiful soprano, high and sweet.
