

FRESH AIR PARTIES WILL START TODAY

Illwaco Delegation to Comprise 25 Youngsters and Nine Will Go to River Camp.

ALL EAGER FOR OUTING

Gay and Pathetic Scenes Witnessed by Committee Outfitting Little Folks for Trips—Donations of Supplies Asked.

Table with 2 columns: Name, Amount. Includes Mrs. Henry L. Corbett, Mrs. W. A. Dunckley, R. J. Beals, Fred A. Krlis, Lang & Co., Carl Spahn, Mabel Howard, A. H. Devers, George Good.

With the first party of fresh air boys and girls all ready and fully outfitted for the trip to Illwaco this morning, and half a dozen boys under Chester Lyons already sent out to his farm near Lebanon, the fresh air campaign is well under way fully a week before the Associated Charities had planned to launch it.

The first important shipment of the season's canned salmon from Alaska came in on the steamer J. B. Stetson last night, nearly 24 hours ahead of schedule time. Portland and Seattle have been hot competitors for the salmon business this summer, and Captain Herriman is receiving congratulations on having secured the first large shipment of 1000 cases.

The Thomas L. Wand, Captain Janzen, is expected to arrive Thursday night. She also brings a large consignment of salmon, which will be unloaded at Astoria. She will bring lime and plaster from Roche to this port.

Major Jay J. Morrow, Corps of Engineers, U. S. A., in charge of the first river and harbor district, returned Sunday to Portland after a two months' absence in Washington, D. C.

Work on the canal has been suspended during his absence on account of the high water and probably cannot be resumed for that reason for a month or six weeks yet.

The party for Silvertown will be organized Friday, and it is planned to send them out from Portland Saturday morning.

Among the clothing supplies that were at the disposal of the committee yesterday, Mrs. Henry L. Corbett has contributed sandals sufficient to fit out almost an entire party.

Among the children who were at the office yesterday appeared a woman asking if she could not be sent to the country for a vacation. She works to support her two children, whom she leaves in the day nursery while she is obliged to be away at her employment.

A touching incident following the preparations yesterday was the visit of the little boys of the party to the home of Miss Hazel Dolph, who was one of the most active workers in the organization of the fresh air work, to bid her good-bye.

The 25 children going to Illwaco will sail on the Potter at 8 o'clock this morning. Nine other boys will leave later in the day for 19 days at the boys' summer camp on the Columbia River.

Miss K. L. Trevitt will accompany the party to Illwaco, and will be organized Friday, and it is planned to send them out from Portland Saturday morning.

Lucheon for the party that leaves this morning has been donated by the Hazelwood, and will be delivered at the boat this morning.

INSANITY ON INCREASE

Court Records Show Number Sent to Salem Grows Over Last Year.

According to Special Agent Bulger, of the insanity division of the Circuit Court, the number of persons taken from Portland to Salem is rapidly on the increase.

A year ago the average monthly number of insane cases sent to the state hospital was about 12, he says. Five patients have been removed to Salem in the last 30 days of the year. Two cases will be examined today.

Gryl Rollinson, a North End bartender, will be examined this morning. Rollinson has previously been an inmate of the asylum. Mrs. Anna Anderson will be examined also. The insanity warrant was sworn out by her daughter, Minnie Anderson, who says her mother is a religious fanatic.

Mazamas to Have Moonlight Walk. Tomorrow evening the Mazamas will have a moonlight walk, leaving Rugby street on the Willamette Heights car line at 8 o'clock sharp.

FIRST PARTY OF FRESH AIR CHILDREN READY TO GO.

BOYS WHO WILL SAIL THIS MORNING FOR ILLWACO, WHERE MOST OF THEM WILL SEE THE OCEAN FOR THE FIRST TIME IN THEIR LIVES.

ALASKA FISH ARRIVE

Steamer J. B. Stetson Takes Big Cargo From Rivals.

CAPTAIN IS CONGRATULATED

Shipment Consists of 1000 Cases. Others Are on Way—Round Trip Is Made in Twelve Days. Wand Due Soon.

CLUB CODE LAUDED

Admen's Rules Make for Honesty, Says Mr. Carpenter.

EAST FOUND OPTIMISTIC

Portland Delegate to Toronto Convention Asserts There Is General Disatisfaction, However, With Democrats.

Crystallization of the work of years into a code of advertising ethics to cover every department of business and extension of the influence of the Ad Clubs of America so they will become an international organization are two important results of the convention at Toronto, in the opinion of R. D. Carpenter, who returned yesterday.

The adoption of standard rules of practice, which amount to a constitution of business ethics, covering the activities of 16 branches of commercial activity as influenced in advertising, is in my opinion one of the most important things that the convention accomplished," he said.

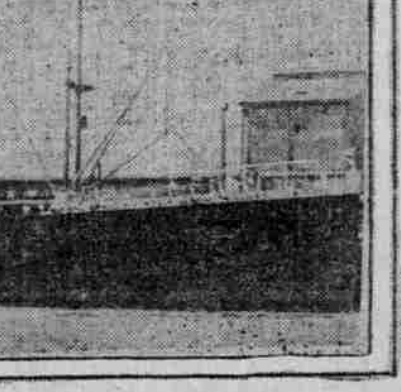

"Business, in the main, has been conducted on honest basis in the past, but this set of standard rules of advertising practice places it within the power of the public itself to classify and rate a business house and know at once whether it is conducting its activities along the fair and straight lines or is deviating therefrom."

"Never in the history of business has the golden rule carried so much weight as it now does. Everywhere in my trip, I found the tendency of the times to do as one would be done by; to be absolutely open and honest with patrons and with other firms. American business and the business of the world is conducted now on a basis more nearly ideal than at any previous time."

"This spirit imbued the convention at Toronto and this spirit prompted the actions which resulted in the codification of advertising ethics by the convention."

Optimism Is Found. Mr. Carpenter said that in his visit in the East he found optimism among

ROYAL MAIL PACKET STEAMER ARRIVES FROM LONDON ON MAIDEN TRIP WITH 2000 TONS OF FREIGHT FOR PORTLAND AND HER VETERAN COMMANDER.

Captain L. W. Holland.

The Royal Mail packet steamer Carnarvonshire and her sister ship to the Cardiganshire, which was here last Spring, are the largest freighters that have ever come to Portland.

The Carnarvonshire arrived in port Saturday night and began unloading the 2000 tons of freight, which she brought for this port yesterday.

The steamer Beaver arrived this morning from California with a cargo of fuel oil for Portland.

The United States Engineer's Department launch Suisun, recently built by Wilson Bros, will sail tomorrow morning for San Francisco.

The schooner Mabel Gale arrived today from Auckland and will load lumber for a return cargo.

The tank steamer J. A. Chanslor sailed this evening for California after discharging fuel oil at Portland.

COOS BAY, Or., July 6.—(Special.)—The steamer Geo. W. Elder arrived this morning from Portland and left at 4 P. M. for Eureka. She carried 40

BLOTCHES ON FACE WITH ECZEMA

Kept Awake With Itching and Burning, Face Was Pitted. Affected Different Parts of Body. Cuticura Soap and Ointment Healed.

Newport, Ore.—"I was troubled with pimples all my life. They were the kind that came under the skin in big red blotches. I was kept awake night after night with the itching and burning. My face was pitted, eczema also affected different parts of my body and I would scratch till the skin was all raw and sore."

"I took gallons of blood medicine without doing any good. No external treatment did me any good till I tried Cuticura Soap and Ointment. The ointment relieved the itching the moment it was applied. I used the Soap and Ointment steadily for three months and they healed me." (Signed) Mrs. E. A. Tozer, June 5, 1914.

UNSIGHTLY PIMPLES ON FACE

New Sharon, Iowa.—"Two or three years ago pimples began to come on my face and I had dandruff. The pimples made a very unsightly appearance. They were red and numerous and caused me to scratch and scratch and the itching caused me to scratch them. The dandruff on my head could be plainly seen. I used two cakes of Cuticura Soap and two boxes of Cuticura Ointment and am now free from pimples and dandruff." (Signed) Clyde Firebaugh, May 11, 1914.

Samples Free by Mail

A single cake of Cuticura Soap (25c.) and box of Cuticura Ointment (50c.) are held sufficient when all else has failed. Sold throughout the world. Sample of each mailed free, with 25-p. 8th Book. Address post-card "Cuticura, Dept. T, Boston."

ASTORIA LINES BUILDING

PACIFIC'S PHONE CAPACITY FROM PORTLAND TO DOUBLE.

Other Improvements Under Way Include 15 1/2 Miles of New Wire and Cable Between Multnomah Falls and Onesta.

Improvements in its service between Portland and Astoria, which will double its present wire facilities, are being made by the Pacific Telephone & Telegraph Company.

"Though we would not be justified in making this heavy expenditure for the beach season alone, it is our desire to provide the best long-distance facilities at all times," said C. H. Moore, district commercial superintendent.

The entire cost is in excess of \$20,000. Three lines now in operation. Telegraph Company also has several other pieces of construction under way, involving considerable expense.

Among them are the following: Stringing of 1900 feet of cable and 2000 feet of aerial wire on the Portland-Hood River toll road near Lusher, at a cost of \$1250; stringing of 13 1/2 miles of duplex wire, 2000 feet of cable and removal of 4000 feet of present line between Multnomah Falls and Onesta, made necessary by construction work on Columbia River Highway, at a cost of \$1180; new pole line and aerial wire construction in Heppner, \$1010; placing of 51 new poles and 2 1/2 miles of wire in Gladstone, \$950; pole line and aerial cable on Raleigh street, Portland, to replace deteriorated poles, \$1080; work on North Front street, Portland, to comply with city ordinance requiring removal of all poles from west side of street, \$1850; replacing of temporary aerial cable on Terrace road with permanent one, \$1670.

HOW RESINOL CURED ITCHING SKIN TORMENT

Baltimore, Md., May 22, 1914: "My limbs from knee to ankle were completely covered with eczema for a year. It commenced with several small water pimples, which burst when I scratched them, until they developed into sores, and oozed a yellowish fluid. I hated to go in company, it itched and burned so badly. I had no rest at night. I tried a good many remedies for eczema, both liquid and salve, but they did me no good, only made the skin more rough and scaly. I learned of Resinol Ointment and Resinol Soap and tried them, and was relieved of the severe itching and burning AT ONCE, and after a month's steady use was completely cured." (Signed) T. S. Lewis, 1821 Summit St.

Resinol Soap and Resinol Ointment are sold by all druggists. For free trial, write to Resinol, Dept. 24-R, Baltimore, Md.

There is hardly a woman who does not rely upon Lydia E. Pinkham's Vegetable Compound.

Princeton, Ill.—"I had inflammation, hard headaches in the back of my neck and a weakness all caused by female trouble, and I took Lydia E. Pinkham's Vegetable Compound with such excellent results that I am now feeling fine. I recommend the Compound and praise it to all. I shall be glad to have you publish my letter."

Experience of a Nurse. Poland, N.Y.—"In my experience as a nurse I certainly think Lydia E. Pinkham's Vegetable Compound is a great medicine. I wish all women with female troubles would take it. I took it when passing through the change of life with great results and I always recommend the Compound to all my patients if I know of their condition in time. I will gladly do all I can to help others to know of this great medicine."—Mrs. J. F. JOHNSON, R. No. 4, Box 30, Princeton, Illinois.

If you are ill do not drag along until an operation is necessary, but at once take Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co., (confidential) Lynn, Mass.

Why drink water when you can get SALEM BEER

the most popular beverage on the Pacific Coast?

SALEM BEER is brewed in one of the most modern plants on the Pacific Coast. It is aged in steel glass-lined tanks. It is conveyed by modern pipe line system direct to the bottle house, bottled under pressure and therefore never comes in contact with the air from the time it leaves the fermenting tank until the bottle is opened by the consumer.

A trial will surely convince any one of the excellence of Salem Bottled Beer.

The family trade of Portland is supplied by the firm of
