

REFORM FIXES RATE FOR POWER

Delivery at Consumer's Door
Required for 7.312 Mills Per
Kilowatt Hour.

COST BASIS WORKED OUT

Company's Value as 'Going Concern'
Almost Ignored and Unwise Ex-
penditures Are Not Charged
Against Customer.

SAN FRANCISCO, July 7.—Somewhat as a grocer delivers orders to his customers in a community at a fixed charge, although some live on credit, the rate for power will be delivered hereafter to the thresholds of the various cities of California. A decision of the state railroad commission, published here tonight, is to this effect.

The decision specifically fixes the rate which may be charged for such service by the Pacific Gas & Electric Company, by far the largest power distributing concern in the state, at 7.312 mills per kilowatt hour. What it will cost the consumer may vary according to distribution costs in different cities; this rate is for power at the city gates, anywhere in the state.

Valuation of Property Made.
The rate allowed the Pacific Gas & Electric Company was made following a valuation of the company's property which extends from the peaks of the Sierras to the sea. The commission worked on the basis of cost of reproduction wherever the plants were found to have 100 per cent of the efficiency with which they started. In other words, where they had been fully maintained and had not depreciated, it declined, however, to allow much of anything for the company's value as a "going concern" and took little cognizance of reported costs of drumming up business.

Further, it held unwise expenditures, and costs chargeable to poor business management, must be borne by the company and not by the consumer.

Eight Per Cent Interest Allowed.
On this basis, the company's property was valued roughly at \$26,000,000. The commission held that the company was entitled to 8 per cent interest on this amount. It also estimated the running expenses, maintenance costs, amount chargeable to depreciation and some like costs, and adding these to the interest allowed, found that the company was entitled to gross income of about \$4,400,000.

Roughly speaking, this sum checked against the estimated amount of power to get the cost per unit.

The decision was rendered by Commissioner Max Thelen. President John E. Huleman, conceding that whenever the cost of public service privately conducted should be found to exceed largely the cost of the same service publicly maintained, public maintenance would be found inevitable.

WIFE MAKES CHARGES

Mrs. Etta Garvey Says Husband Took
Public Funds for Own Use.

Sensational charges are made in an answer filed in the divorce case of Philip Garvey against Mrs. Etta Garvey, now pending in Circuit Court. The answer was filed yesterday by Mrs. Garvey and among other things charges that Garvey, while acting as a public official at Mount Pleasant, Mich., drew warrants from the County Poor Farm to supply his household necessities. She says that Victoria Van Tiffner, a former wife of Garvey, is responsible for the divorce suit and that she filed against her. The answer was signed by Mrs. Garvey at Mount Pleasant, Mich., from where she says, her husband deserted.

Mrs. Garvey swore that while her husband was a supervisor at Mount Pleasant, Mich., he supplied the provisions, clothing and furniture for the household and the children from warrants he drew from the county poor funds, which were under his care.

Garvey is a saloon-keeper.

PUZZLE PROMPTS ESCAPE

Insane Man Hikes Far to Ask Mr.
Lister Whether Lloyd Is Lloyed.

OLYMPIA, Wash., July 7.—(Special.)—John J. Lloyd walked 30 miles to Olympia after escaping from the Western Washington Hospital for the Insane at Steilacoom in order to put this puzzling question up to Governor Lister:

"Is Lloyd himself or not?"

If he is, he thinks he is entitled to some of the money of Linda Burfield Hazzard, the "starvation doctor," now serving a sentence in Walla Walla prison.

Mistaken identity, says Lloyd, has prevented the checks from reaching him. Lloyd got away from the asylum July 4 and arrived here this morning, travel-stained and hungry, but cheerful.

The Governor's secretary, Irvin W. Zigbaum, turned him over to the State Board of Control and Chairman H. L. Jones treated him to a square meal and then telegraphed for a guard to return him to the asylum.

A sealed verdict will be returned this morning by the jury in the case of Yovoka Yovovich against the Falls City Lumber Company for the death of Stanko Yovovich, the plaintiff's husband, in a mill accident May 17, 1913, in Circuit Judge Cleaton's court.

HINDUS GIVE UP FIGHT
(Continued From First Page.)
Singh's note was appended one dissent: "I, Doctor Raghu Nath Singh, do not agree, as I belong to the non-immigrant class."

The Komagata Maru arrived from Shanghai May 22.

Of the 315 Hindus aboard the Komagata Maru when she arrived here, 283 are still on the ship, the others having been admitted when they proved they were not of the immigrant class.

The New Baby is World's Wonder

Every tiny infant makes life's perspective wider and brighter. And what ever there is to enhance its arrival and to ease and comfort the expected mother should be given attention. Among the real helpful things is an external abdominal application known as "Mother's Friend."

It is so well thought of by women that most drug stores throughout the United States carry "Mother's Friend" as one of their stock of reliable remedies. It is applied to the abdominal muscles to relieve the strain on ligaments and tendons.

In a little book are described more fully the many reasons why "Mother's Friend" has been a friend indeed to women for more than two generations. This book was prepared not only to aid the inexperienced but to enable so many women to have at hand the timely hints, suggestions and helps in concise and neatly printed form for ready reference. It should be in all homes. "Mother's Friend" may be had of almost any drug-gist but if you fail to find it write direct and also write for book to Bradfield Regulator Co., 303 Lamar Bldg., Atlanta, Georgia.

harbor facilities. Not only the oceanic transportation, but the inland transportation on the river should be built up in preparation for the changes that are to come about, he said, and Portland stands in a position to reap profound benefits from the decision if she makes preparations to do so.

DE ALENE WANTS CHANGE
PLUCKY CALIFORNIAN READY FOR BIG RACES HERE.

Teddy Tetraloff, Hughes, Billy Carlson and Frank Brock Need No Introduction Here.

The low, rakish Romano arrived in the city yesterday from Tacoma, Wash., where it completed July 3 and 4 in the Feste Speedway races. The car, which made such a cleanup at the Country Club track here a few weeks ago, seemed but a few minutes out of the Tacoma course and did not make the showing expected, though Barnes is confident of recovering his laurels on the track here on July 11.

"I want to get those same fellows on the mile track," said Driver Barnes of the Italian named car, "and will show them a few things." Another rival was Wilbur DeAlene, with the fast Marmion that led the first day at Tacoma in the Golden Potlatch race.

Many concede that DeAlene should have won the event but for the mishap which put him out when he was leading by a good margin with but half the race run.

Coming into his pits to change a tire, DeAlene seemed so anxious to race his competitors that he passed him, but added a little too much speed and turned over as he was rounding the home stretch turn.

The plucky Californian wishes to get another crack at Hughie Hughes, the winner, who, without doubt, won the most spectacular race ever staged on any course.

DeAlene, with his space-devouring Marmion, was one of the factors at Tacoma and promises to furnish thrills and make some of the real competition that will be seen on the local speedway course.

Teddy Tetraloff, Hughes, Billy Carlson and Frank Brock need no introduction here.

Brock, the Portland boy, who led the Inter City race, is repairing his car at Tacoma and will ship the end of the week, in time to participate.

Respected Dave Bruce, a former Lincoln High athlete, is watching over the children at Peninsula Park.

The White Salmon baseball team lost two out of three games to the Macabees nine. The first went 10 to 3 and the second 8 to 1. The victory of the Macabees was a surprise.

The last match ended 4 to 3 with the locals on the losing end. The features of the games were the pitching of Meli and Concanon, both of the Macabees, and the catching of McDonald, who broke his finger in the fifth inning of the second game.

The J. S. Bealls players forfeited their game with the West End club because they failed to show up. For games with the club squad call East 187 and ask for Anderson.

Another shutout game was recorded by the Estacada nine over the Fulton aggregation, 5 to 0, at Estacada. Bronson and Hurst, of the winners, opposed Harper and Jorgeson. Douglas, of Estacada, knocked a home run.

The Gilbert White Sox and the Damascus baseball teams meet Sunday at Damascus. The Gilbert team left early afternoon of 11 last Saturday, when Sandy was met at Sandy. The latter lost 14 to 4. The Gilbert pitcher, Hymen, did wonderful work. He struck out 15 men and allowed nary a hit for the first seven innings.
