Notes of the Game.

Jack Eyan was given to the official scorer as the Angelic pitcher, but evidently Jack was not feeling right, for Perrit was substituted at the last moment. Hughes is Dillen's choice for today and Evans for

Bortland. Bill Rodgers did some quick thinking in the seventh when he shoved Brooks back on Perrit's grounder and allowed Derrick to double him at second on a reverse ticket. Buddy Ryan performed niftily in the cen-ter garden and also came through with a healthy wallop.

healthy wallop. Maggert does not figure in the AB column elthough he was up four times. Twice the Angel star walked, once he sucrificed and Hig, beaned him on the other occasion.
