## CARVER FRANCHISE FINALLY APPROVED

Commissioner Daly Has Clause Inserted Providing for "Six Tickets for Quarter."

#### TRACKAGE CHARGE HIGHER

Council Passes on New Route Also and Orders Grant Advertised. Question Now Remains as to Company Being Satisfied.

After increasing the annual rental for use of the streets, inserting a clause requiring the company to grant six fares for 25 cents and adding an amendment to give the city the right to require the company to move its tracks when ordered so to do, the City Commission yesterday put its approval en the 25-year franchise sought by the Portland & Oregon City Rallway Company for an interurban line through the East Side to connect up with a line now being built from Oregon City to Fortland.

The franchise as approved contains to require the company to move its

Fortland.

The franchise as approved contains provisions which have not been forced into other franchises granted by the present Council, and while President Carver, of the company, expressed no great dissatisfaction over the amendments, it is said there is a chance of his company being unwilling to accept the franchise as it stands. The Council spent nearly all of yesterday checkcil spent nearly all of yesterday check-ing over the various provisions and finally put it up in amended form to the company to advertise.

Tickets on Cars Provision.

Tickets en Cars Provision.

The clause requiring the company to grant six fares for 25 cents was proposed by Commissioner Daly and met with the approval of the other members of the Commission. In this provision the company is required to give these tickets to conductors on the cars to sell, thus eliminating the necessity of patrons of the line going to a central depot point to purchase the tickets.

The annual rental of the company was fixed at 5 cents a foot for every foot of single track. Formerly the franchise provided a graduated scale to linerease from 2 cents a foot to 5 cents

increase from 3 cents a feet to 5 cents a feet after the first two years. Upon the suggestion of Commissioner

Upon the suggestion of Commissioner Brewster a provision was inserted giving the Council the right at any time to require the company to move its tracks from one street to another as traffic conditions necessitate. The city in such a case is to bear a proportion of the cost of the change, the proportion to be ascertained by the city and the company if possible, and by the State Railroad Commission if a satisfactory agreement cannot be reached between the city and the company.

New Route Is Given. The new route is as follows:

### 12 MOTORISTS ARE FINED

C. Ridgeway Fails to Face Court and Judge Stevenson Issues Warrant.

Traffic ordinance violators suffered in Municipal Court yesterday morning

when a long string of them faced Judge Stevenson.

T. A. Aplington paid a fine of \$5 for cutting a corner; Rudy Tanler was assessed \$3 and E. D. Van Dersol \$30 for speeding. The three men were arrested by Patrolman Coulter.

Patrolman White appeared with a big roundup of alleged violators. Charles Dixon paid \$25, L. B. Jefferies \$10, George E, Johnson \$20, A. H. Cunningham \$25 and W. L. Powell \$25 for speeding.

pany if possible, and by the State Railroad Commission if a satisfactory
agreement cannot be reached between
the city and the company.

West Side Route Changed.

The routing of the line on the West
Side was changed so that cars will be
operated on Madison street from the
Hawthorne bridge to Fourth street, instead of on Madison to Front, of Front
to Salmon and on Salmon to Fourth, as
planned originally.

It is now up to the company if it
wants the franchise to send it up for
advertising. After 20 days' advertising
it will be sent back to the Council for
final passage.

The line as proposed is to take the
place of the route specified in a franchise granted by the Council several
months ago. In this the tracks were
to be laid along East Seventeenth
street. Property owners there opposed
this so bitterly that a referendum was
invoked on the franchise. The new
route was selected then by the company.
