Little Editorials on Business

The Dawn of a New Opportunity.

The man who slumbers when opportunity appears must be content to watch another enjoy the rewards of that opportunity.

Upon our broadening horizon there stands a new and glorious opportunity for every retailer, wholesaler and manufacturer in Portland.

Many thousand people live within 50 miles of this city. They are the most prosperous people in the world-waiting to buy our merchandise.

And they are coming to us. Many retailers who formerly regarded this city and its envirous as their territory are now delivering goods by pareel post to customers 50 to 300 miles away. Manufacturers and jobbers who

once restricted their distribution and their advertising to the small dealers in a limited territory are now doing a wider business. This expansion of trade is the result of advertising to the consumer. It is the most natural thing in

and use the things best known to Make the people acquainted with your goods. Offer them better values and better service. Then they will come or send to you to

the world for the consumer to buy

supply their wants. The opportunity is before you to increase your own business and help make Portland a greater market place- a bigger city-a better

place to live. Those who are asleep on this opportunity may awaken to find their business has gone to a competitor or to another town.

The Oregonian will carry your message to the most substantial families in this territory. They demand good goods and they have the price.

Portland resterday raised the gate at the dam that confines the water on the low grounds east of the railroad em-bankment and permitted the water to run. The flooding of the flats has had a good effect on the miasmatic vapors arising from the low ground.

Negotiations are in progress for changing the Washington-street rail-way to a cable road. The company is considering various styles of electric motors, with a view of substituting one of them for horses.

Work on the proposed new St. Vin-cent's Hospital to be built on a five-acre tract on the billside west of the city was commenced last work. John Nelli has the contract for opening the quarry.

George Tuttle has received a dispatch stating that John L. Davidson died in Ontario, Canada, Sunday night. He had been a resident of this city since 1863 and engaged in busines still within the past two years,

Some 200 acres of fine orchard ground north and west of the garrison grounds in Vancouver has been laid out in lots and blocks. "What would the city do without the services of Hugh Brady?" yesterday queried Police Officer Hickey. "It seems that he understands more about drag-ging the river for dead bodies than any one else in the city."

W. A. Carruthers, of Oysterville, W. T., who is in town, says the town of South Bend, at the mouth of the Willaps, on Shoalwater Bay, is having quite a boom,

The bear pit in the City Park is almost completed, and in a few days more the two bruins will be surprised to find themselves let loose in the inclosure.

Captain William J. Buchanan's new steamboat Ione was launched from Smith's yard in South Portland yester-day. Captain Buchanan christened her the Ione after Mrs. Captain W. S.

Buchanan, his son's wife. Why Not Suppress? ENTERPRISE, Or., July 28.—(To the Editor.)—I have read The Oregonian

constantly for 35 years and would like to ask you to answer the following Why do you keep in the limelight constantly such men as W. S. U'Ren?
Is there any law to compel you to publish his ruinous bills? If not why

do you not just ignore any communi-cation from him?

Do you not know that knowledge that a bill emanates from him is enough to cause every decent voter to against the amendment? vote against the amendment?
Do you not know that it is wrong to defile a respectable newspaper by publishing anything written by W. S.

Then why do you publish his com-nunications? GEO. E. CHAIG.

munications? The Oregonian does not know that Mr. U'Ren's authorship alone will kill measure. It has not been the Invariable rule in the past. Moreover, U'Renism is not confined to the channels of the press to get before the people. Suppression of newspaper information or discussion of it will therefore not eradicate it. To ignore would have no more effect on U Renism than on the measles-
