NATIONAL LEAGUE.

Philadelphia 4-1, Chicago 3-5. PHILADELPHIA, July 30.—After Philadelphia won the opening game here today, 4 to 3, in 12 innings, Chicago turned the tables in the second by winning 5 to 1. Alexander and Lavender had a duel in the opener, the latter being taken out in the 11th inning to permit Knisely, formerly of the Birmingham team, to bat. Humphries, who took Lavender's place, was ineffective in the 12th, when, with the bases filled and one out. Alexander scored the winning tally when Magee beat out a bunt. In the second game Vaughn kept the home team's hits scattered and was backed up in fault-loss style, while Philadelphia piled uperrors which proved costly. The scores: PHILADELPHIA, July 30.-After

Enginemen and Railway Representatives to Meet President at White House.

STRIKE POSSIBLE IN WEEK

Officer of Engineers' and Firemen's Organizations Declares 75 Per Cent of Men Would Obey Order to Walk Out,

CHICAGO, July 30.—In a final effort to prevent a strike of 55,900 engineers and firemen on 98 railways West of Chicago, President Wilson summoned tonight the general managers' committee, representatives of the men and members of the Federal mediation board to confer with him at the White House Saturday.

House Saturday.

This action followed the failure of the mediators to bring about an agreement between the engine crews and the roads on the former's demand for an increase in wages. The President's invitation was accepted by both sides.

William L. Chambers and Judge Martin A Krapp, mambers of the Govern-

william L. Chambers and Judge Martin A. Knapp, members of the Government Board of Mediation, Conciliation and Arbitration, left tonight for the capital. Several members of the general managers' committee also started for Washington. They will advise the President preparatory to the conference on the following day. G. W. W. Hanger, the third member of the board, remained in Chicago for possible developments. pments.

developments.

Mr. Hanger asserted tonight the futility of a settlement by mediation was realized. Hope, he said, was abandoned yesterday and the mediators notified President Wilson of the situation. If the President cannot persuade the employes to arbitrate—the railroads appealed to the Federal board—a strike will be called Wednesday or Thursday, it is said.

More than 55,000 firemen and engineers are involved directly, and it is

neers are involved directly, and it is asserted 100,000 ollers and wipers and other railroad employes indirectly. Their leaders assert that 75 per cent of the engine crews would obey the order to strike, and that steam traffic west of Chicago would be paralyzed.

DIVIDING REVENUE NEAR

MULTNOMAR COUNTY TO GET \$91, 883.95 FROM SCHOOL FUND.

Interest Will Be \$373,490.95, Making Apportionment to Take Place Saturdny \$1.85 Per Capita.

SALEM, Or., July 30 .- (Special.)-

SALEM, Or., July 30.—(Special.)—
State Treasurer Kay said today that
Multnomah County's share of the revenue this year from the county school
fund would be \$91,883.35. The interest
on the fund aggregated \$373,490.95.
which will be distributed Saturday
among the school districts of the state. Superintendent of Public Instruction Churchill has announced the school census as 201,887, which will make the apportionment per capita \$1.85, an in-crease of 2 cents over last year. The total increase over last year is \$15,000.

The interest on the common school fund averages about 6 per cent. Following is the apportionment by Buker, \$10,920.55; Benton, \$7253.85; Brayes received only 80 per cent of their pay and that as a consequence all the Brayes are free agents, Manager Eddie Ford, of the Brayes, returned to his home here today.

Ford says this will result in Yakima being unable to claim anything from the sale of Peterson to Portland. Ford says the Yakima directors went into their pockets to pay what was paid and after producing 80 per cent of the salaries due told the Brayes to take it \$2567.50; Marlon. \$25,097.10; Morrow, and their pockets to pay what was paid and after producing 80 per cent of the salaries due told the Brayes to take it \$2645.50; Marlon. \$25,097.10; Morrow, and their pockets to pay what was paid and after producing 80 per cent of the salaries due told the Brayes to take it \$2645.50; Marlon. \$25,097.10; Morrow, and the Brayes took it.

HOUSE PASSES IRRIGATION BILL RADICALLY AMENDED.

Underwood Amendment Giving Control of Fund to Congress to Be Accepted by Senators.

WASHINGTON, July 30 .- An amendment revolutionizing the conduct of the Government reclamation service al City Bank, and will be sent to the de Janeiro, where the bank expects to open a branch as soon as the Federal reserve system is in operation. At present Mr. Roosevelt is occupying a desk in one of the upstairs rooms of the bank, where he is familiarizing the bank, where he is familiarizing the bank of the present miles and the service was written into the irrigation bill in the House today by a vote of 178 to 49. Proposed by Majority Leader Underwood, it provides that all expenditures for irrigation work must be by annual appropriations by Congress from the was written into the irrigation bill in the bank, where he is familiarizing himself with banking.

Mr. Roosevelt's position in the branch will not be of an official nature, but it is expected that he will be what is known as a "credit man." He speaks "Spanish fluently.

Mr. Roosevelt returned recently from Spain, where he married Miss Belle Willard, daughter of the American Ambassador.

for irrigation work must be by annual appropriations by Congress from the reclamation fund, now entirely at the discretion of the Interior Department. Representatives from the public land states opposed the amendment, declaring it would lead to "pork barrel" practices.

The bill, which extends from 10 to 20 years the time in which settlers may repay the Government for irri-

may repay the Government for irri-gation improvements on their lands, was then passed without a rollcall. It is the understanding among Western Senators that the Senate will conwithstanding they would prefer to have the reclamation funds apportioned by
