### GERMAN RUMORS PROBED Reports Reservists Drilling Near

Chicago Start Investigation. CHICAGO, Aug. 11.-Reports that

German reservists are drilling in the which of Elmhurst were investigated today by Federal authorities. Such action would be in violation of the United States neutrality declaration.

Seventy-five German reservists were given lodgings at the Elmhurst Evangiven lodgings at the Eliminist Sym-gelical College, when, arriving here from various sections of the country expecting to be sent to Germany, it was found impossible to transport them. The reservists were warned against drilling yesterday by Kurt Von Reis-witz, German Consul at Chicago, but according to information received at the office of the United States Attorney today, the warning had been disregarded.

Formal Notice Presented. The formal memorandum presented by the British charge d'affaires was delivered to the State Department so

that ships under neutral flags might

be turned back.
"The Germans are planting contact mines indiscriminately about the North

with America to draw on in payment for the vast quantities of food and supplies of other kinds which they must have during the continuance of war and for a long time afterwards.

Secretary Garrison thinks, therefore, that as soon as the first panicky feeling is over and financial conditions have been readjusted the mere announcement that the United States or any individual has deposited specie in American banks subject to the draft from foreign countries will be sufficient to establish credit for Americans there. Everywhere the scattered tourists and business people who desire to leave are gathered at the seaports and are arranging for transportation homeward. Mr. Garrison blieves that, owing to the facilities offered by the regular steamship lines, it will be unnecessary to send more than one or two Government ships.

JAPAN QUESTIONS MEDIATION

Obligations to England Taken as

Probable Preventive to Action. PEKIN, Aug. 11 .- The Japanese government, in replying to the suggestion of China, that China, the United States and Japan should endeavor to mediate in the European conflict, said its ob-ligations to Great Britain might pre-

vent Japan from doing so.

In consequence of this reply, China considers further efforts useless, although it was stated today that the question of mediation might be reopened with the United States in case there were any prospects of success. there were any prospects of success.

A note to the foreign legations is sued today says that China will establish a moratorium only for short-term-loans. It was stated that the govern-ment had decided to continue paying the indemnities and other obligations as long as possible.

Financial Situation lietter.

In only one or two places in Europe, notably in Genoa, in Italy, and in Sweden, does the financial embarrassment continue, according to reports today. The situation has improved so much that it may be unnecessary to deposit any gold in Europe for the relief of Americans. Nearly all of the European governments are believed to be desirous of establishing heavy credits with America to draw on in payment.
