His estimate of the Programmer movement was: "In this controversy with the Demo-eratic party, the Republican party stands alone. The threat of a third party, which alarmed so many Republi-cans two years ago and still vexed us one years ago has practically disap-

insofar as it applies to conditions since the shutting down of the trans-Atlantic trade. But in their effort to bolster up their own legislation and to reap every pos-sible advantage from the war issue, the Democrats are overdoing things. For instance, when the price of sugar took a jump from 4 cents to 7 cents a pound, the Democrats, were ready with the ex-

fob presented by the Commercial Club, was won by N. B. Wright, of Portland. Weather conditions are perfect and In this controversy with the Demorratic party, the Republican party stands alone. The threat of a third state party, which alarmed so many Republic cans two years ago and still vered us one year ago, has practically disapper the second of the result of th some good scores are expected tomorplanation that this was the result of war.

Boon to Industry Claimed.

But they further contended that in-sofar as sugar was concerned, the war would prove a boon, for it would give impetus to the cane sugar industry of Louisiana and to the beet sugar industry try of the West.

try of the West. In this latter instance their conten-tion is proven to be absurd, for the Louisiana sugar industry practically went out of existence when the Under-wood law went into effect. Plantations were abandoned, or turned to other crops; sugar mills were dismantled and abinoed to Central American countries. to other crops, assuming that the West-ern factories would, as they threatened. cut down their output ,or etse assuming that they would get a low price for their beets. War Comes Too Late.

War Comes Too Late. The farmers all along contended that they could not stand any reduction in the price of beets, and this was one ground on which a stubborn fight was made against the free sugar clause of the Underwood bill. These being the conditions, the Democratic contention that the European war will prove a boon to the sugar growers and manu-

WOMEN RAISE WAR FUND

Relief Workers Get \$80,000 Within

Short Time at Meeting.

LONDON, Aug. 18.—At the first meeting of the American Women's War Relief Society held today at the residence of Mrs. William Leeds, \$80.-100 was subscriptions ranged from \$25.-000 to a few shilliams. Among those present at the meeting were the Duch-ess of Mariborough, who presided; Lady Churchill, Lady Paret, Mrs. John Astor. Mrs. Lewis Harcourt, the Duchess of Roxburghe, the Countess of Granard and the Countess of Es-

It was decided that the society should equip a hespital and a hospital ferry, which are to be managed by the British Red Cross. Lady Paget, who has a son at the front, was overcome with emotion while moving a vote of thanks to the society. Chauncey M. Depew, of New York, and Dr. Bloodgood, of Baltimore who are advising the society, made addresses.

OTHER NATIONS INVOLVED

(Continued From First Page.) countries she has a defensive alliance

If the official advices should be confirmed by events, the only nations of Europe that will be free from strife are Switzerland, Spain, Holland, Denmark, Norway, Sweden.

Europe then will be lined up in bat tle array as follows: Headed by the Kaise

This senson the "Greatest Show on Earth" presents as its opening feature

the mammoth Oriental spectacle "The Wizard Prince of Arabia" which has proved a reyelation o. pageantry and ballet interspersed by 2150 persons, in-cluding 300 dancing and singing girls in dazzling and magnificent costumes.

STREET-ROOFING PLANNED

Closing of Yamhill-Market Street to

Traffic Is Proposed.

Vacation of Yamhill street from Third to Fourth streets for public market purposes may be attempted by the City Commission. The plan has been recommended by Commissioner Bigelow as a means of finding a permanent home for the market. Mr. Bigelow proposes to close the street to traffic and cover to close the street to traffic and cover it with a glass canopy or roof giving it the appearance of a long building. It has been found that property own-ers favor any plan as long as the city keeps the market intact at that place.
