CARAVAN COMES TO GRIEF
License to Sell Wares Revoked for Alleged Misrepresentation.
An Assyrian caravan, which reached Portland several days ago laden with linen and Oriental wares of various kinds for sale in a house-to-house canvass, came to grief yesterday when the City Commission revoked the licenses of the members of the caravan for misrepresenting their goods. It is said they are selling an imitation linen for

the real thing and were misrepresenting the merits of other articles. They are traveling about the country in wagons.
Those involved are H. Amed Hasan, Ally Ahmed, Esaw Abad, Abed Ahmed and K. Ahmed.
7:30 o'clock Saturday evening and 9 o'clock other evenings is the clearing hour for accepting classified ads for proper classification for the next day's issue. Classified advertisements accepted after these hours will be run under the heading "Too Late to Classify."—Adv.

POSTAL BANK IS POPULAR
Deposits for August Expected to Show Gain of \$40,000.
Portland's postal savings bank will show a net gain in deposits this month of not less than \$40,000. This is one of the most attractive months in the history of the institution.
Postmaster Myers believes that the war has much to do with it, and he attributes the many withdrawals during August to the fact that people are

taking out money to send away to relatives and friends who were cut off from remittances by reason of the European conflict.
Deposits are keeping up strong and are well ahead of withdrawals. People in doubt as to what changes the war may make are believed to have come to the conclusion that the Government is an absolutely safe custodian for their money.

1200 HEAR PASTOR SPEAK
Big Tent Is Scene of Lecture on Missionary Work in India.
At the big tent at Thirteenth and Morrison streets Thursday night Pastor George F. Enoch spoke to over 1200 people. The lecture was illustrated with stereopticon views.
Mr. Enoch held his auditors spellbound with such a rapid flow of mingled stories, facts and figures as has not been heard in Portland for many a day. He told of the good work

done by the various Christian missions of India and especially at the medical missions.
A large offering was taken at the close of the meeting for the work in India. Mrs. Enoch, dressed in native costume, sang a song in the Marata language.
Pendleton Offers Big Reward.
PENDLETON, Or., Aug. 21.—(Special).—An epidemic of dog poisoning has aroused the greatest indignation in this city, and a large reward list has been subscribed for apprehension of the poisoner. Wesley Matlock, son

of Mayor Matlock, has headed the reward list with \$100; Councilman Phelps, whose prize dog was poisoned, has added \$50, and Chief of Police Kearney himself has given \$20. Among the animals poisoned was Pendleton's Roundup mascot, "Skite," who was a favorite sight to all the Roundup visitors by appearing during the week with a tiny leather cowboy saddle.
Negative Woman's Right.
Athelton Globe.
Ab Adkins is opposed to equal surface and would restrict woman's rights even more; he says no woman has a right to have big feet.
