ALBINA FAVORS WATER PLAN.—Several business men from the Albina Business men from the Albina Business Men's Club, who thought the distentinuing of the Albina water office on Russell street, might be detrimental conferred with Commissioner Daly. Mr. Daily explained that stopping collecting of water tax at this office on Russell street did not mean that the building would be closed and not used, but said it would still be the headquarters for repairs in the Water Department in that part of the city, besides the establishment of the substations for payment of water tax substations for payment of water tax would be more convenient. After hearing Mr. Daly the committee de-cided not to offer any objections to the plan.

Paving in Invington Asked.—Residents of Irvington Park district are hopeful that East Thirtieth street will be paved this Fall before the rains The Irvington Park Club comstart. The irvington Park Club com-mittee had assurances from Commis-sioner Deick that the street would cer-tainly be paved. Petitions for the im-provement were filed last June. Some opposition developed, but not enough to prevent the improvement being made. Several fire hydrants will be placed on East Thirtleth street as the pavement proceeds from Alberta street north to the end of the street railway track.

Several fire hydrants will be placed on plant the hydronic street and the payerness of the

JOURNALISM STUDENT CHOSEN EDITOR.

—C. E. Ash, of Portland, who was among the first class to graduate from the University of Oregon course in Journalism under Professor Eric W. Allen, has been chosen city editor of the Albany Daily Democrat and will leave Thursday to take up his work. Mr. Ash left the Washington State College at Pullman two years ago to enter Oregon. After graduating he did practical work on the Morning Register at Eugene. His home in Portland is at 905 Front street.

# WAR OPENS MARTS

South America Seeks Goods From United States.

FOREIGN BOTTOMS NEEDED

Carlos F. de Berna, Broker, Says All Trade May Be Turned to Ports of America if Enough Merchantmen Were at Hand.

Will the United States lose hundreds of millions of dollars in trade with South America because of the lamentable lack of a merchant marine?

This is a very possible result unless foreign bottoms be given American register at once, according to Carlos F. de Berna, prominent South American broker, at the Benson, Mr. de Berna has American broker, as the Senson, Mr. de Berna has American broker. has American headquarters in San Francisco and is seeking an office in Portland, having found this city a better market than San Francisco for many staples. The "Agencias de Berna," of which he is the head, have offices in Guayaquii, Ecuador; Lima, Peru; Valparaiso, Chile; Buenos Ayres, Argentina, and Rio de Janeiro, Brazii. has American headquarters in San
