

BEANSON UNWILLING TO CONCEDE AGAIN

Justice McNary's Opponent to Go Before Canvassing Board One Vote Ahead.

COUNT IS SET FOR TODAY

Time is Declared Too Short for Re-count in Sixes Precincts, Curry County, in Reply to Request of Governor West.

SALEM, Or., Sept. 4.—(Special)—Saying that he was unwilling further to concede stipulations with Justice Charles L. McNary, Judge Henry L. Benson has replied to a request made to him by Governor West for an agreement to a re-count of the votes in Sixes Precinct, Curry County, where it is said 15 ballots were thrown out because the voters had voted for two candidates for Governor. This would have meant a delay of the official canvass, set for tomorrow.

Judge Benson stood one vote ahead of Justice McNary, for the Republican nomination for Governor, in the election, with the amended returns from Harney County, which were received today by the Secretary of State.

By Judge Benson's consent alone can the votes be recounted and the time for the contest has lapsed.

Benson Position Given.
The letter received today by the Governor from Judge Benson was in response to a second appeal made by the executive for a recount of the vote in Sixes precinct.

Stores to Close Labor Day.
At a meeting of the executive committee of the Portland Retail Merchants' Association yesterday it was ordered that all members of the organization close their places of business Monday, Labor day. A request had been received by some merchants to close their establishments September 10 to enable employees to attend the activities to be given in Vancouver, Wash., on that day. This request was denied by the association.

How to Look Less Than Your Age
There are three golden rules that every woman who would ward off signs of advancing age, should follow: 1. Wash the face with warm water. This gradually softens the skin, and makes it more pliable. 2. Whenever the complexion begins to look worn or withered, use ordinary macrolin wax for a week or two. Apply slightly like cold cream, erasing it morning and night. It gradually absorbs the thin film of surface skin, revealing the fresher and younger skin underneath. An ounce of the wax, obtainable at any drug store, is enough to rejuvenate any complexion. 3. When the tell-tale wrinkles appear, or cheek and chin muscles begin to sag, bathe the face once a day for a while in a solution of powdered saxolite 1 oz., dissolved in 1/2 pt. of witch hazel. This has a relaxing effect in "firming up" and smoothing out the skin.—Adv.
