

TURNER AND BLACK CLOSE IN PRIMARY

Place on Democratic Ticket May Be Decided by Second Choice Expressions.

OLD JUDGES NAMED AGAIN

Humphries, Anti-Socialist Factor, Is Pushing O. R. Holcomb Aside as Returns Come in From Primary of Washington Tuesday.

SEATTLE, Wash., Sept. 9.—Because of the intricacies of the Washington state primary law, under which a candidate may be nominated by only second-choice votes, the Democratic nomination for United States Senator is still undecided and some of the Congressional nominations are not certain. On the returns at hand William W. Black appears to be in the lead for the Democratic Senatorial nomination, with George Turner second and George F. Cotterill third.

Present Judges Get Back.
All three Supreme Judges who sought renominations have succeeded, in spite of the organized opposition of the State Grange, the labor unions and the State Legislative League, and one of the candidates put forward by these bodies, O. R. Holcomb, appears to have been thrust aside by Superior Judge Humphries, of Seattle, who had no organization of any kind behind him.

The probable nominees are:
United States Senate—Wesley L. Jones, Republican, renominated; William W. Black, George Turner, Democrat; Ole Hanson, Progressive; Adam H. Barth, Socialist.

Supreme Justices—Stephen J. Chadwick, Herman D. Crow, Mack F. Gose, all renominated; Edgar G. Mills, William H. Pemberton, John E. Humphries.

W. E. Humphrey Leads in First District—William E. Humphrey, Republican, renominated; William Hickman Moore, Democrat; Austin E. Griffiths, Progressive; Glenn E. Hoover, Socialist.

Second District—Lindley H. Hadley, Republican; Earl W. Husted, Democrat; J. E. Campbell, Progressive; George E. Boomer, Socialist.

Third District—Albert Johnson, Republican, renominated; Charles Drury, Democrat; Stanton Warburton, Progressive; Leslie E. Ailer, Socialist.

Fourth District—William L. LaFollette, Republican, renominated; Roscoe M. Drumbheller, Democrat; M. A. Peacock, Progressive; John Storland, Socialist.

Fifth District—Harry Rosenhaupt, Republican; C. C. Dill, Democrat; Thomas Corkery, Progressive; J. C. Harkness, Socialist.

CLARKE VOTES FOR JOHNSON

Primary Returns Show Many Dark Horses in Race for Office.

VANCOUVER, Wash., Sept. 9.—(Special.)—Many surprises were sprung in the direct primary held here yesterday, and several candidates, thought to be second-raters, won out by small margins in the final count of the 44 precincts in Clarke County.

The Republican results of the first and second contests for the county officers by the unofficial count were:

Sheriff—E. E. Biesecker, 1237; E. H. Wright, 1132.

Representative in State Legislature—W. N. Marshall, 1825; George McCoy, 1806; A. E. Eastham, 1623.

Congress—R. A. Wiley, 729; Albert Johnson, 394.

United States Senator—W. L. Jones, 2475.

County Clerk—Mrs. Fannie Crocker, 2011.

Auditor—Mrs. May R. Haack, 2030; C. A. Kirch, 1508.

Treasurer—L. G. Conant, 1702; F. W. Blaker, 1875.

Attorney—James Blair, 2865.

Assessor—Walter E. Horton, 1770; W. R. Laughlin, 1770.

Superintendent of Schools—W. E. Dudley, 1308; A. E. Pender, 1155.

Engineer—Walter E. Schwarz, 2712.

Commissioner, First District—William Lindsey, 453; M. E. Carson, 273.

Commissioner, Third District—John P. Kiggins, 728; M. H. Evans, 422.

Justice of the Peace for Vancouver—W. S. T. Derr, 784; Elmer Suggs, 445.

Constable for Vancouver—F. H. Rafferty, 480; Tom Vessey, 474.

The non-partisan judicial ticket results, complete unofficial for 29 precincts follow: Preble, 484; Holcomb, 321; Crow, 516; Gose, 416; Humphries, 496; Mills, 307; Chadwick, 782; Pemberton, 422.

For Democratic Representative in Congress 28 precincts give W. E. Cass, of Vancouver, 224; Drury, 52; Hazard, 42.

County Superintendent—Mrs. Isabelle Barrett, Democrat, 218; Professor P. Hough, 137.

W. F. Hidden, for Representative in the State Legislature, was nominated by the Democrats, unopposed.

The Progressives nominated W. C. Bates and R. S. Durkee for candidates for State Representatives; Gus Rambo, County Superintendent; Max Woodward, Sheriff; Alex Higdon, Commissioner; A. Burnham, Auditor.

C. L. McKinley, Democrat, is nominated for Commissioner in Vancouver to oppose John P. Kiggins, and Mr. Higdon will be the third candidate in the race.

TURNER'S LEAD GAINS STEADILY
Black Running Behind in East Side and Chances Grow Slighter.

SPOKANE, Wash., Sept. 9.—(Special.)—George Turner, candidate for the Democratic nomination for United States Senator, is gaining steadily as more county returns come in on the East Side and seems to have a good lead over Judge Black. If Black does not pick up faster on the West Side of the state, Turner will be the Democratic nominee.

The race for Republican nomination for Congressman in the Fifth District is the closest in this region. On the face of partial returns, Harry Rosenhaupt has a lead of about 200 over A. J. Wilson and Percy Powell, who are running neck and neck. The official canvass will be required to decide which is the nominee.

C. C. Dill is the Democratic nominee, his plurality growing steadily, and Thomas Corkery is the Progressive nominee for Congressman. Ole Hanson, Progressive for Senator, is more than holding his own on the East Side and, as he is leading on the West Side, there seems little doubt that he is the nominee.

Roscoe Drumbheller is undoubtedly the Democratic nominee for Congress in the Fourth District and W. L. LaFollette has won his race by at least 2000.

The Progressive vote has been very light except in Spokane County.

388 MORRISON STREET

Soule Bros., Bankrupt Piano Sale

Never in the history of piano selling have pianos sold so fast

Why—because you can buy \$250 and \$300 pianos now for \$97²⁰; only \$1⁰⁰ a week. All other pianos equally low and on equally low payments.

C. E. Lucore
Agent and Creditors' Representative

My Name Is Lucore

I am in the wholesale piano business. I have sold pianos at wholesale on the Pacific Coast for many years. For a long time I have represented some of the creditors, piano manufacturers who have or will suffer a great loss unless these pianos are sold and paid for at an early date. That is why the Court of Multnomah County authorized a sale to me and I bought them at a discount that is almost unbelievable. A price that will astonish any prospective piano purchaser is now marked on every instrument. You certainly owe yourself an investigation. Terms of two, three or four years will be given on any piano according to its value. For the convenience of those not able to call during the day, the store is open every evening until 9 P. M. 388 Morrison street.

Behning, Steck, Lester, Weber, Pianolas, H. P. Nelson, Wegman, Ivers & Pond and many other pianos—instruments you will know at once are the highest grade made.

Many Old Reliable Makes of Pianos

Can now be had for less than cheap pianos would sell for at any other time.
