M. J. Gersoni Says Court and Gover-

dispatching his private secretary to by a close vote.

Tiliamook to investigate incompetency charges against M. J. Gersoni, District Attorney, that official gave out a statement in Portland last night in which he accused Circuit Judge Webster Holmes, of Tiliamook, of being in league with Governor West to oust him.

The trouble between Mr. Gersoni and Judge Holmes dates back several months, when, Gersoni alleges, Judge Holmes, by "wilful abuse of discretionary powers," diamissed several grand jury indictments on small technicalities. Both Judge Holmes and Gersoni were appointed by Governor West.

"To accomplish this end" said Ger-

West.

"To accomplish this end," said Gersoni, referring to the alleged attempt to oust him." Judge Holmes has been guilty of wilful abuse of discretionary powers and has thrown out indictments on mere technicalities, in an attempt to discredit my office. Governor West has joined his scheme and has started an investigation, through his secretary, Miss Fern Hobbs. This investigation, however, I welcome, as it will enable me to prove who is the real cause of the laws not being enforced in Tillamook County."

Governor West denied last night any attempt on his part to remove Mr. Ger-

Governor West denied last night any attempt on his part to remove Mr. Gersoni from office. "I appointed Mr. Gersoni as District Attorney upon the recommendation of Judge Holmes," ne said, "and I am not taking any part in this fracas beyond the holding of an investigation, as requested by the grand jury."

DISCOVERY AMONG THE WOUNDED ALARMS MONARCHY

Stricken Men Are From Galician Battlefield and One Case Is Near Vlenna.

VENICE, Sept. 23.-Nine cases of Asiatic cholera have been discovered among wounded soldiers in Hungary, according to an official announcement by the Hungarian Minister of the Interior. The announcement has excited great apprehension throughout the dual monarchy.

It is learned here that the first sus-

pected case of cholera in Hungary was that of a wounded soldler, who was brought, on September 15, to Bekesca-ba from the Galician battlefield. The bacteriological examination showed Asiatic cholera.

The patient was immediately isolated.
Since then eight other cases have been discovered, also among the wounded who returned from Galicia. One case was found at Munkacs, another at Tokod (Tokay) and six at Dumasserd-
