ACTRESS SAYS WAR WILL BENEFIT AMERICAN VAUDE-

Josephine Poore.

American vaudeville acts will be developed by the European war, and consequently, when hos-tilities are at an end, the vaudeville-attending public of the Western Hemisphere will find that their own acts are as good as or better than the imported ones. Such is the statement made by pretty Josephine Poore. Miss Poore and Lean Winsch are scoring a hit at Fantages this week in one of the brightest comedies of the season

"We have become so that vandeville, to be good, must be imported," said Miss Poore. "American vandeville is just as good as, if not better than, that brought across the Atlantic, and the war-blocking foreign acts will prove that we do not need the importations."

Wife Wanted Diamond Lavaliere **Husband Wanted Player**

There was a chance for an argument at the home of John Evans the other day. Both of them had their wants. Mr. Evans is very fond of music, and insisted on buying a player piano. Mrs. Evans was also a lover of music, but she really wanted jewelry most of all. However, after carefully considering the advertising of Soule Bros. failure piano sale, they called and purchased a \$1000 player piano for \$688, thus having enough left to buy a most handing enough left to buy a most hand-some lavaliere. They were both com-pletely satisfied, and had expended no more than they would have ordinarily paid for the player plano under ordi-nary conditions. For further particu-lars read page 5, this paper.
