# Keep warm—save vitality!

"The coming of bitter cold makes it necessary to again warn old people and children especially of the importance of preserving the body's vitality by keeping in the heat of the blood. Disease germs flourish when the body is chilled. Exposing yourself unnecessarily to cold puts an extra load upon the heart. Keep the home all over at uniform temperature, particularly avoiding cold, drafty floors which chill the big blood vessels at ankles." That is why health authorities so strongly endorse

robbed of its purity and vitality by escaping ash-dust and coal-gases.

Look at the official health maps of any big city, which will show you how free from deaths due to neuralgia, rheumatism, pneumonia, coughs and consumption are those districts where practically all the best homes are warmed and ventilated by IDEAL Boilers and AMERICAN Radiators. The Indian huddled over his campfire is one of the worst victims of pneumonia, rheumatism, consumption and other winter maladies. So, too, the farmers (according to Government Statistics), with their old-fashioned heating, show a far bigger death rate than do city people from the ravages of these winter diseases.

A No. 1-22-W IDEAL Boiler and 400 ft. of 38-in. AMERICAN Radiators costing the owner \$150, were used to heat this cottage. At this price the goods can be bought of any reputable, competent fitter. The cost does not include costs of labor, pipe, valves, freight, etc., which vary according to climatic and other conditions.

IDEAL Boilers and AMERICAN Radiators are used to warm and ventilate the leading hotels, sanitariums and baths at Aix-les-Bains, Nice, the Riviera, Carlsbad, Marienbad, Cairo, Simla, Japan, Florida, Southern California, etc. These facts should point the right heating way to you!

IDEAL Boilers and AMERICAN Radiators are now put in old or new cottages, mansions, stores, schools, churches, etc., without disturbing occupants or tearing up floors or partitions. Their big savings in fuel and absence of repairs soon repay their cost. Will outwear the building. Write, phone or call today for free book, "Ideal Heating."

## Acute Articular Rheumatism

Relieved by Anti-Kamnia Tablets

The exact cause of rheumatism is unknown, though it is generally believed to be due to an excess of uric acid in the blood. It may be also stated with equal truth that no remedy has been found which is a specific in all cases. In fact the literature of rheumatism shows that there are but few drugs which have not been given a trial. In the hands of one observer we find that a certain drug has been used with the utmost satisfaction; others have found the same remedy to be a great disappointment. All physicians however agree that every method of treatment is aided by the administration of some remedy to relieve the pain and quiet the nervous system and Dr. W. S. Schuitas expresses the opinion of thousands of practitioners when he says that Anti-Kamnia Tablets should be given preference over all other remedies for the relief of the pain in all forms of rheumatism. These tablets can be purchased in any quantity. They are also unsurpassed in rheumatic neuralgia and all pain. Ask for A-K Tablets.
