A patron from Seatile recognized the signature of "A. B. Allen" as having been written by the same hand as a similar silas at the Hotel Washington Annex, Seattle. "That's the man who robbed the Washington Annex." ax-claimed the guest, and Detectives Gristim and Vaughn were called. Taylor loudly protested when the officers notified him that he was to be taken to juil and threatened to bring suit for false arrest. When asked his business. Taylor said he was a professional pool player and traveled from city to city to engage in exhibition games.

"I took gallons of blood medicine without

doing any good. No external treatment did me any good till I tried Cuticura Soap and Ointment. The Ointment relieved the itching the moment it was applied. I used the Soap and Cintment steadily for months and they healed me." (8) (Signed) Mrs. B. A. Tozer, June 5, 1914.

UNSIGHTLY PIMPLES ON FACE

New Sharon, Iowa.-"Two or three years ago pimples began to come on my face and ago pimpies began to come on my face and I had dandruff. The pimpies made a very unsightly appearance. They were red and numerous, some came to a head and festered and the itching caused me to scratch them. The dandruff on my head could be plainly seen. I used two cakes of Cuticura Scap and two boxes of Cuticura Contracts. and two boxes of Cuticura Ointment and am now free from pimples and dandruff." (Signed) Clyde Firebaugh, May 11, 1914.

A single cake of Cuticura Soap (25c.) and box of Cuticurs Ointment (50c.) are often sufficient when all else has failed. Sold

No time yet has been set for the call to be issued by the Controller of the currency for the first payment of subscriptions by members to the capital stock of their reserve banks. The Board probably will be consulted before this step is taken. No formal action has been taken by the Board to fix the opening date for any or all the banks. Some members favor opening the banks in central reserve citles as soon as practicable, while others are said to hold the opinion that all 12 should be opened on the same day.

Under the law the Secretary of the Treasury has authority to set a day for epening, but it was understood the question would be brought formally before the Board soon, and that Secretary Mondoo would not set an opening day for a few banks unless the plan was supported by the Board.

Pledges of gold to the \$100,000,000 gold pool to meet American obligations to Europe have come in so rapidly that the Board is confident that the amount will be fully subscribed within a few days.
